

## Financial Aid Application Guide

To begin your application for a new or returning student, please follow these steps:

- Go to the SSS Website, <https://sssandtadsfa.force.com/familyportal>
- Click on the "Apply Now" button. Please note that our school code is 4646.
- New families: set up a PFS online account using your email address. Returning families can use their existing account.
- Submit and pay for the PFS.
- Required information and important dates:
- New applicants: Complete the PFS application by February 1 for Priority Admission or within one week of your admissions application for Regular Decision. You will receive your aid award at the same time as your admissions decision.
- Returning families: in order to be guaranteed financial aid, you must apply by January 15. Re-enrollment contracts containing aid awards are sent in the first week of February.
- All US families seeking aid must submit their most recent Federal and State tax returns and schedules as well as W-2's. In most cases this is the tax return two years prior to enrollment year (e.g., Spring 2021 candidates will submit 2019 tax returns). Please submit to [admissions@lindenhall.org](mailto:admissions@lindenhall.org) or to 212 E Main Street ATTN: Admissions, Lititz, PA 17543 in order to complete your application.
- International families will be prompted for other supporting documentation.
- Please submit requested documents to SSS and/or to [admissions@lindenhall.org](mailto:admissions@lindenhall.org)
