Assistant Cook role with future promotion pathway

For someone with a passion for delivering great food coupled with experienced management techniques and good organisational skills, this new role offers a unique opportunity and great potential. Based in our modern kitchen, with all the latest technical equipment, you will be located in our new £35m school building at COOMBE WOOD SCHOOL in South Croydon, with a dedicated, ambitious team of assistants. Duties will include deputising for the Chef Manager and there are future opportunities for career progression.

You will be expected to assist with the management of all areas of school catering, working in line with the food service and food quality set up by the Director of Catering at Folio Education Trust. Our aim is to deliver the standards for both pupils and staff by thinking differently, taking risks and being passionate about food provision, freshness, value for money and current food trends. Your contribution to good teamwork is key to successfully delivering our service.

Education is an exciting place to be and can offer great job security. Coombe Wood School has a genuine focus on Health Related Fitness and so towards this end chocolate, crisps, biscuits fizzy drinks are prohibited in our schools and the ethos is very much “a healthy diet leads to a healthy and active mind”.

Folio Education Trust comprises an established, outstanding boys' grammar with mixed sixth form, a primary school, a junior school and a brand new secondary phase, comprehensive free school, Coombe Wood School. This is an excellent opportunity for a committed person to join a forward-thinking, diverse and dynamic community and demonstrate their skills.
