

Roseburg High School is committed to supporting all students towards meeting their academic goals, whether it is graduating on time or accelerating their learning. Therefore, we offer summer school credit-recovery classes in Math, English Language Arts, Social Studies, and Science. We also are offering accelerated learning courses to meet students' learning goals.

Credit Recovery Courses

This program is for students who need to recover credits through the summer to get back on track for graduation. This program is in-person students will have a teacher who is knowledgeable about the content in the room with them to assist with goal setting and helping students get “unstuck” in the curriculum.

RHS Summer School Sessions:

Monday through Thursday, July 6th – August 13th (6-week program)

Session 1: 8:00 – 10:00

Session 2: 10:00 – 12:00

There is no cost for this program. Transportation and meals are available as well.

If you or your student need to make up these credits through the summer school/credit recovery program, please call the office at 541-440-4142, fill out the form through the link, or email at the address below.

To enroll, please fill out the electronic form at this website: <https://tinyurl.com/RHSSummerReg> or email Rob Coulson at rcoulson@roseburg.k12.or.us with any questions.

Accelerated Learning Courses

These courses provide an opportunity for students to meet their learning goals. The classes are asynchronous, where students will work online to learn the needed content. Please reach out to your counselor to see if one of these courses fits your high school education plan.

AP Environmental Science

AP Language and Composition

AP Statistics

AP Psychology

Health (if needed for full 7-period, only 12th grade)
