Weapons

M

8467 – WEAPONS

The Board of Education prohibits the possession, use, or exchange of any weapon in any school building, on school grounds, at any school sponsored event, and on school sanctioned transportation except as the possession and use of a weapon is authorized by law and required in the performance of the possessor's duty.

For the purpose of this policy, "weapon" means anything readily capable of lethal use or of inflicting serious bodily injury. "Weapon" includes, but is not limited to, all firearms, knives, dangerous instruments intended to inflict harm, components that can be readily assembled into a weapon, explosive devices, and imitation firearms. For the purposes of this policy "firearm" means those items enumerated in N.J.S.A. 2C:39-1f and 18 U.S.C. 921.

Any pupil or school employee who has reasonable grounds to suspect the presence of a weapon prohibited by this policy shall immediately report his or her suspicion to the Principal. The Principal shall conduct an appropriate search in accordance with Policy No. 5770 and confiscate any weapon discovered in the course of the search. He or she shall, if appropriate and feasible, summon the aid of law enforcement officers in the conduct of the search. Any school employee who confirms the presence of a weapon under circumstances that place persons at serious risk may confiscate the weapon immediately and may use such force as is reasonable and necessary to obtain possession.

Unless the weapon has been taken into custody by a law enforcement officer, the Principal shall immediately store any confiscated weapon in a securely locked box or container and report the presence of the weapon to the Superintendent. The Superintendent shall promptly notify, by telephone call and by letter, the Chief of Police of Pequannock Township Police Department that a weapon is present on school premises; the notice shall request removal of the weapon by an authorized law enforcement officer. The Superintendent shall obtain and file a receipt for any weapon removed by a law enforcement officer.

Any pupil who possesses, uses, or exchanges a weapon in violation of this policy shall be subject to stringent discipline, which may include expulsion. Any pupil or school employee who suspects or knows of the presence of a weapon in violation of this policy and fails to report the same shall be subject to discipline. Any person who possesses a weapon on school premises or school transportation or at a school-sponsored function shall be reported to the appropriate law enforcement agency.

Any pupil who is convicted or is an adjudicated delinquent for possession of a firearm or who is found to be in possession of a firearm on school property must be immediately removed from the regular education program and provided with an alternative program, pending a hearing before the Board of Education. Pupils convicted or found to be delinquent for possessing a firearm on school property, on a school bus, or at a school-sponsored function

or committing a crime while possessing a firearm shall be immediately removed from the regular education program for a period of not less than one calendar year and placed in an alternative education school or program pending a hearing before the Board of Education to remove the pupil. (Chapters 127 and 128 of 1995, The Zero Tolerance for Guns Act)

Any pupil who commits an assault upon members of the school community with a weapon other than a firearm on school property must be immediately removed from the regular education program and provided with an alternative program, pending a hearing before the Board of Education. (Chapters 127 and 128 of 1995, The Zero Tolerance for Guns Act)

School personnel may order a change in the placement of a child with a disability to an appropriate interim alternative educational setting, another setting, or suspension, for not more than ten school days (to the extent such alternatives would be applied to children without disabilities); and to an appropriate interim alternative educational setting for the same amount of time that a child without a disability would be subject to discipline, but for not more than forty-five days if the child carries a weapon to school or to a school function under the jurisdiction of a state or a local educational agency.

Either before or not later than ten days after taking a disciplinary action, if the school district did not conduct a functional behavioral assessment and implement a behavioral intervention plan for such child before the behavior that resulted in the suspension the district administration shall convene an IEP meeting to develop an assessment plan to address that behavior; or if the child already has a behavioral intervention plan, the IEP team shall review the plan and modify it, as necessary, to address the behavior.

Nothing in this policy shall be construed to prohibit the reporting of a crime committed by a child with a disability to the appropriate law enforcement or judicial authorities, or to prevent such authorities from exercising their responsibilities with regard to the application of federal or state law to crimes committed by a child with disabilities.

Any pupil requiring removal from the regular education program for the reasons enumerated above shall be removed in accordance with Policy and Regulation No. 5611.

The Superintendent, or designee, shall prepare regulations to implement this policy for the guidance of school staff in dealing with incidents involving weapons in the school district.
