9150R – SCHOOL VISITORS

A. Definition

“Visitor” means any person present in a school building on a school day during the hours school is in session, other than those persons whose presence is required by their enrollment in the school or employment by the Board and includes, but need not be limited to, parents or legal guardians, family members, district residents, guests, educational researchers, and members of the Board. For the purposes of this regulation, “visitor” does not include persons present in school buildings to attend meetings of the Board or events sponsored by organizations granted permission by the Board to meet in the school.

B. Registration

1. Every visitor is required to register in the school office with the Fast Pass Visitor Management System.
2. A notice will be prominently posted at each entrance to the school building, advising visitors to report to the school office before advancing to any other part of the school. Additional signs should be posted in the lobby of each building to advise visitors not to proceed without registering in the school office.
3. The Principal will maintain a logbook in the main office of the school. Each visitor shall enter his/her name and the purpose of his/her visit in the logbook and produce a government issued identification (Driver’s License, etc.) so a visitor tag can be created. The Principal may exempt trades persons who make regular and frequent visits to the school.
4. Each visitor will be given an identification tag and a visitor’s lanyard which must be worn while the visitor is in the school. The Principal may give a permanent identification tag or badge to a trades person who makes regular and frequent visits to the school.
5. The Principal or office personnel designated by the Principal shall arrange for an escort to accompany each visitor to his/her destination except that the Principal may permit visitors familiar with the school and personally known to the Principal to proceed unaccompanied.
6. A staff member who encounters a visitor without identification will request the visitor to report at the school office, and if feasible, conduct the visitor to the

school office. A visitor who resists the request or refuses to be conducted to the school office shall be reported to the Principal immediately.

7. A teacher shall not admit a visitor to his/her classroom unless the visitor has the identifying tag or badge or is accompanied by the Principal or the Principal's designee.
8. When a visitor has completed the business of his/her visit, he/she will return directly to the school office, scan out, return the identification tag and lanyard, and promptly leave the building.
9. The provisions of this paragraph may be waived for parents or legal guardians attending scheduled parent-teacher conferences.

C. Permission to Visit Classroom

1. Permission to visit a classroom in session must be sought from and granted by the Principal.
2. In general, arrangements to visit a classroom should be made at least one day in advance of the intended visit.
3. If the intended visit would interfere with the planned instructional program, the Principal will so advise the visitor and suggest another time for the visit.
4. The Principal is authorized to exclude a visitor from a classroom if the Principal has reason to suspect that the visitor may disrupt the educational program or threaten the health and safety of students or staff members.
5. The parent(s) or legal guardian(s) who arrives at school without having sought advance approval of a classroom visit may be admitted to the classroom at the discretion of the Principal.
6. The Principal may arrange visits to classrooms by educators and student teachers with the cooperation and consent of the classroom teachers.
7. Teachers may invite guest speakers or observers to their classrooms with the approval of the Principal. Each such guest speaker and observer must sign the school logbook.
8. The Principal has the authority to evaluate all requests to visit a classroom. A denied request will be accompanied by an explanation of the denial. The parent(s) or legal guardian(s) who has been denied access to his/her child's classroom may appeal the Principal's decision to the Superintendent, whose determination may be appealed to the Board of Education in accordance with Policy No. 9130.
