Local Units

9311 – LOCAL UNITS

The Board of Education wishes to cooperate fully as possible with other public agencies in the community which deal with pupils. The Superintendent shall develop positive working relationships with such agencies, including but not limited to investigate committees, pooled resources, information exchanges and the township manager.

In accordance with law, the district may accept or share the use of facilities or equipment with other local organizations. The terms of the acceptance or sharing shall be decided for each instance.

Police Authorities

It is the policy of the Board to cooperate with law enforcement agencies in the interest of the larger welfare of all citizens. At the same time, schools have the responsibility to parents/guardians for the welfare of their children while they are in school. To carry out this dual responsibility, the administration is directed to follow the procedures developed to implement Board policies, particularly for the following policies:

1. Vandalism/Violence
2. Drugs, Alcohol, Tobacco
3. Questioning and Apprehension
4. Search and Seizure

Fire Department

The Superintendent shall seek input from local fire officials when course materials in fire safety are being reviewed and revised. The fire department should be kept up to date on changes in the school buildings and class arrangements so that, in the event of an emergency, they will be prepared. All fires shall be reported to the local fire department in compliance with law.

Emergency Room/Squad

The Superintendent shall establish procedures whereby the facilities of the local hospital emergency room and local ambulance/rescue squad may be called upon in implementing the following policies:
