

# University Admissions & Career Guidance Center

Throughout a turbulent and exceptional year, the brilliant IC graduating class of 2021 has achieved wonders. With acceptance to top-tier institutions around the globe, they have truly raised the name of IC. We, the college counselors, are very proud to have taken part in their journey and assist them to their dream destinations where they will continue to shine as the “global citizen-leaders of tomorrow.”

Worth highlighting is the large number of applications submitted this year to all destinations, with a record number of over 700 to the US and around 240 to France. We still await French and

European university decisions that we look forward to receiving after the release of the official exam grades.

This report is still not final and will be updated to convey a thorough count of our students’ outstanding acceptances this year.
