To prepare effectively for Photography it is suggested you work through the below tasks and bring these with you for your first day at Bilton 6th form.

Please note you will sit a baseline assessment related to the materials below (TASKS1,2,&3) when you commence 6th form.

Task 1—

Take a variety of Photographs, ideally using an SLR or bridge camera, however, a phone will be more than ok until you start 6th form and can rent a camera. Choose your theme e.g Social Issues—The current climate e.g Lockdown or Landscapes for example (could be taken on a daily walk). When you take your photos consider the formal elements: Line, shape, form, texture, pattern, color and space – all refer to the way you set up your photo. Composition helps you represent any of these elements in the way you choose.
