

AISK Scholarship Program

Scholarships offered to Jamican students to study at AISK are with a view for that student to take advantage of opportunities to study abroad at the tertiary level. This is accomplished through a strategy that includes the building of an impressive profile that when presented to university admissions departments they are a standout amongst the cohort.

A standout profile includes:

- ✔ **A stellar academic resume:**
 - Transcripts that reflect steady academic performance
 - SAT/ACT
 - SAT subject test

- ✔ **A tangible result that showcases the student's talents and interests that when realised help to build the student's practical experience and skill.**

- ✔ **A reflection of AISK's core values with a tangible demonstration of Excellence, Integrity, Respect and Empowerment.**
