

Dear Parents and Carers 14.6.21

We have enjoyed our first week back in the Academy.
Please ensure named PE kits are brought in—these can remain on pegs ready for PE twice a week.

As the weather gets warmer, please can your child bring a named sunhat with them to school each day.

School photographs will be on Wednesday 16th June.

English

We will begin reading our new book. We will think about the main characters in the story and write a letter to one of them. We will use this as an opportunity to ask questions and think about the features of a letter.

Maths

This week we will be finding one more and less for numbers up to 100. We will also find 10 more and less. After that we will use this knowledge to add and subtract within 100.
We will be doing some of this work in the context of money.

Wider Curriculum

In Science we will be continuing to develop our knowledge of animals and their habitats.

Within Evolution of me we will be exploring how we have grown and changed over time. If you are willing to email the office a baby photo or send one in to photocopy, we will use them as part of our learning.

Sounds Write

This week we will continue to spell and build words containing the sound /oo/. There are eight different spellings for /oo/, /oo/ as in moon, /ew/ as in stew and /u/ as in unit /ue/ as in glue, /u-e/ as in ruler, /ui/ as in fruit, /ou/ as in soup and /ough/ as in through.
