

9 June 2021

Julie Schumaker, PhD  
President, Board of Education

Christopher Timmis, EdD  
Superintendent

Dexter Community Schools  
2704 Baker Road  
Dexter MI 48130

Dear Julie and Chris,

I will step down from my position on the Dexter Community Schools Board of Education effective June 30, 2021. As the world is emerging from the Covid-19 epidemic, I need to devote more of my time and energy to my professional work. At the same time, I am confident that DCS is sailing into much less turbulent waters such that the Board can once again turn its primary attention to academic growth and achievement and student development.

I have been very honored to serve on the Board of Education for the last 6+ years. I think Dexter is a special community and that DCS is an exceptional school district. I step down from the Board knowing that DCS is in a strong position going forward through its excellent Board of Education, outstanding administration, teachers, and staff, and strong community support.

Go Dreads!

Sincerely,

Daryl R. Kipke, PhD
