MISSION

Strongsville City Schools in partnership with the community, will ensure all students reach their fullest potential through challenging curriculum and activities, provided by a highly qualified, motivated staff, in a safe, supportive environment with up-to-date facilities and technology.

WELCOME!

Thank you for taking time out of your busy life to join us. We appreciate your presence and involvement.

The Agenda

We review a draft agenda prior to our meetings. The agenda may deal with curriculum, budget, personnel, facilities, school transportation and/or long-range planning. It includes supporting materials to assist us with decisions.

This meeting is a meeting of the Board of Education in public for the purpose of conducting the School District's business and is not to be considered a public community meeting. There is a time for public participation during the meeting as indicated in the agenda. We welcome your comments; however, we do ask that you abide by the guidelines of our Policy 0169.1. When your name is called, please stand and state your name, address, and topic. You will have three (3) minutes to speak. If your comment involves a problem with a student, employee, or Board member please do not address them by name. The primary role of the Board of Education is to listen and reflect on your comments. Sometimes Board members may respond or ask questions, but not always. Whether we respond or not, your input is valued.

Thank You for Supporting Our Schools

School Board Members are elected officials who devote many hours to our schools. We serve on the Board because we care about providing high quality schools in our community. Forecast Purpose/Objectives

1. To engage the local board of education and the community in the long range planning and discussions of financial issues facing the school district.
2. To serve as a basis for determining the school district's ability to sign the certificate required by O.R.C. §5705.412, commonly known as the "412 certificate."
3. To provide a method for the Department of Education and Auditor of State to identify school districts with potential financial problems.

Forecast Methodology - This forecast is prepared based upon historical trends and current factors. This information is then extrapolated into estimates for subsequent years. The forecast variables can change multiple times throughout the fiscal year and while cash flow monitoring helps to identify unexpected variances no process is guaranteed. The intent is to provide the district's financial trend over time and a roadmap for decisions aimed at encouraging financial sustainability and stability.

Forecast Summary

Note: Cash balance includes any existing levy modeled as renewed during the forecast.

Cash balance is not reduced for encumbrances.

In FY 2021 a revenue surplus is expected. This means that expenditures are expected to be less than revenue by -\$9,752,235 in FY 2021. By the last year of the forecast, FY 2025, the district is expected to have a revenue shortfall where expenditures are projected to be greater than revenue by \$12,808,988. The district would need to cut its FY 2025 projected expenses by 14.69% in order to balance its budget without additional revenue.

The district's cash balance is positive at year-end in FY 2021 and is projected to worsen by FY 2025. A worsening cash balance can erode the district's financial stability over time.

The District has two renewal operating renewal levies within the School District's levies issued.

In November 2016 residents renewed a 5 year 6 mill levy with collection beginning January 2018. The forecast assumes the levy will expire tax year December 31, 2021. In May 2019 residents approved a 5 year 5.9 mill levy with collection beginning January 2020. The forecast assumes the levy will expire tax year December 31, 2023. Collections will continue through December 31. Collections will continue through December 31, 2024. In line 11.020 shows the half year collection in FY 25, which will be the first fiscal year that collections will end if not renewed.

1.010 - General Property Tax (Real Estate)

Revenue collected from taxes levied by a school district by the assessed valuation of real property using effective tax rates for class I (residential/agricultural) and class II (business).

Values, Tax Rates and Gross Collections							Gross Collection Rate Including Delinquencies
Tax Yr.	Valuation	Value Change	Class I Rate	Change	Class II Rate	Change	
2019	1,580,411,000	(4,379,880)	40.18	-	45.32	-	99.49%
2020	1,614,255,670	33,844,670	40.18	0.00	45.73	0.42	97.43%
2021	1,698,200,125	83,944,455	37.04	(3.14)	47.65	1.91	99.53%
2022	1,710,408,775	12,208,650	37.01	(0.03)	47.65	0.01	99.53%
2023	1,721,814,272	11,405,497	37.00	(0.01)	47.67	0.01	99.53%
2024	1,782,576,736	60,762,464	36.08	(0.91)	46.69	(0.98)	99.53%

Real estate property tax revenue accounts for 67.46% of total revenue. Class I or residential/agricultural taxes make up approximately 72.57% of the real estate property tax revenue. The Class I tax rate is 40.18 mills in tax year 2020. The district is modeling the renewal of real estate property taxes levies through 2024. The projections reflect an average gross collection rate of 99.1% annually through tax year 2024. The revenue changed at an average annual historical rate of 4.26% and is projected to change at an average annual rate of 2.30% through FY 2025.

The three year average Gross Collection Rate including Delinquencies benchmark is 99.5%. In Tax Year 2020 / Collection Year 2021, the collection rate is anticipated to drop by an additional 2.10% due to two properties that are currently listed as part of the tax duplicate that will be coming off. There is not a loss of revenue anticipated, however, without lowering the collection rate, revenues would be over stated.

The forecast assumes that in collection year 2022, commercial property will decrease in assessed valuation by \$42,653,310 due to the sale of South Park Mall. During April of 2021, the mall was valued by the county at \$181,866,600 and sold for \$57,720,150. Prior to the sale, South Park Mall filed a complaint with the Board of Revisions requesting a value of \$60,000,000. A decrease of \$121,866,600 or \$42,653,310 of assessed valuation (assessed valuation = 35% of value). The decrease in assessed valuation is offset by an anticipated increase in commercial property as a whole. Additionally, the forecast assumes a tax refund of \$2,789,386 in FY 2022 for South Park Mall for tax years 2018, 2019, 2020, due to open Board of Revisions Complaints. No final determinations have been awarded yet as the complaints are pending, the forecast assumes the worst case scenario.

1.020 - Public Utility Personal Property

Revenue generated from public utility personal property valuations multiplied by the district's full voted tax rate.

Values and Tax Rates					Gross Collection Rate Including Delinquencies
Tax Year	Valuation	Value Change	Full Voted Rate	Change	
2019	44,926,610	3,982,960	83.68	5.90	100.0%
2020	49,168,190	4,241,580	83.68	0.00	100.0%
2021	52,595,214	3,427,024	83.68	-	100.0%
2022	56,261,102	3,665,888	83.68	-	100.0%
2023	60,182,502	3,921,400	83.68	-	100.0%
2024	64,377,224	4,194,722	83.68	-	100.0%

The public utility personal property tax revenue is generated from the personal property values, additions, and depreciation reported by the utility companies. This category currently makes up 4.35% of total district revenue. The property is taxed at the full voted tax rate which in tax year 2020 is 83.68 mills. The forecast is modeling an average gross collection rate of 99.96%. The revenue changed historically at an average annual dollar amount of \$246,367 and is projected to change at an average annual dollar amount of \$348,467 through FY 2025.

**Projected % trends include renewal levies*

1.030 - No Income Tax

Revenue collected from income tax earmarked specifically to support schools with a voter approved tax by residents of the school district; separate from federal, state and municipal income taxes.

The district does not have an income tax levy.

**Projected % trends include renewal levies*

1.035 - Unrestricted Grants-in-Aid

Funds received through the State Foundation Program with no restriction.

The impact of state funding is based on the following:

FY 2020 - The district experienced a 9% (\$950,000) reduction in state funding due to the COVID-19 pandemic.

FY 2021 - On January 22, 2021, the Governor announced a partial restoration of the COVID-19 reduction which restored \$521,886 of the \$950,000 reduction. Additionally, casino revenues have been reduced by \$67,840 to \$206,064 from \$295,154 as casino's were closed for three months. Estimating the per pupil amount to be reduced by 25%.

FY 2022 & 2023 - Per the Governor's biennial budget, funding levels are restored to FY2019 pre COVID levels. However, the state budget is subject to change as the House of Representatives voted for passage of the Fair Funding Formula. At this point and time, the proposal is with the Senate for deliberation. Due to the uncertainty of the Fair Funding Formula, the forecast assumes the Governor's biennial budget proposal.

FY 2024 & 2025 - The forecast assumes the same level of funding as the prior biennial budget.

The FY 2019 per pupil and foundation revenue amount is the base aid amount used in FY 2021. In addition to its FY 2021 base funding amount of \$9,001,787 the district calculated FY 2021 categorical funding such as spec. ed., preschool, casino of \$704,201. Projected amounts less than the FY 2019 base indicate state budget cuts and other assumed change. For fiscal year 2022 - 2025, the district is projecting an average annual increase of 1.10%. Note: Wellness funding is not included in these calculations.

1.040 & 1.045 - Restricted Grants-in-Aid

Funds received through the State Foundation Program or other allocations that are restricted for specific purposes.

Restricted aid is the portion of state per pupil funding that must be classified as restricted use. Historically the district's restricted state aid changed annually on average by -\$276 and is projected to remain stable through the forecasted period. Restricted funds represent 0.09% of total revenue.

1.050 - Property Tax Allocation

Includes funds received for Tangible Personal Property Tax Reimbursement, Electric Deregulation, Homestead and Rollback.

Property tax allocation primarily consists of reimbursements from the state of Ohio for local taxpayer credits or reductions. The state reduces the local taxpayer's tax bill with a 10% rollback credit, and 2.5% owner-occupied rollback credit, plus a homestead credit for qualifying taxpayers. In FY 2021, approximately 10.4% local residential property taxes will be reimbursed by the state in the form of rollback credits and approximately 2.3% will be reimbursed in the form of qualifying homestead exemption credits.

**Projected % trends include renewal levies*

1.060 - All Other Operating Revenues

Operating revenue sources not included in other lines; examples include tuition, fees, earnings on investments, rentals, and donations.

Other revenue includes tuition received by the district for non-resident students educated by the district. It also includes interest income, payments in lieu of taxes, and miscellaneous revenue. EXPENDITURES

The fiscal year 2021 adopted General Fund budget for the District is \$78,273,342. This budget, coupled with carryover encumbrances of \$1,932,269, resulted in a \$80,205,610 General Funds appropriation for FY 2021. The following information is a financial update of the status of this appropriation through March 31, 2021.

Through March 31, 2021 the District has expended \$54,672,482 and has outstanding encumbrances of \$2,861,151. This total of \$57,533,633 reflects 71.73% of the District's total appropriation. A statistical spending range for the District is based on two analyses: first, time elapsed is nine months or 75.00% of the fiscal year has passed. Secondly, eight-teen of twenty-four (18/24), or 75.00% of the total pay periods have passed. Figure 3 illustrates these points.

Figure 3

Overall, the District's encumbrance/expenditure level through March is below the target based on the above analysis. As an examination of the categories of expenditures is performed, cyclical variances are noted between categories which relate specifically to school opening activities. Figure 4 compares the various expenditure categories to the expected level and to the prior two years. The three years of data will be beneficial for trend analysis performed throughout the year.

July 1, 2020-March 31, 2021 Financial Report

As Figure 3 illustrates, salaries are slightly higher than last year for this time of year which is due to negotiated agreements. We will continue to closely monitor this area for the remainder of the fiscal year. Salaries averaged \$1.8 million in March which is lower to the \$1.9 million in February. The decrease was due to the start of the spring sports supplemental payments overlapping with the winter sports supplemental payments in the February payrolls. Benefits are higher compared to last year which is primarily due to the increase in healthcare and other benefits cost. Healthcare premiums increased 3.03% in fiscal year 2021 from fiscal year 2020.

The current year Purchased Services and Materials categories indicate a 70.99% encumbrance/expenditure level for March. This encumbrance/expenditure rate is lower compared to the 73.05% from this point in time last year. These expenditures vary from year to year base on the timing of when goods are needed and the invoices are paid and received. In addition, many of the annual contracts are encumbered at the beginning of the fiscal year and then spent down during the year. This is consistent with prior years and the cyclical nature of school operations.

The capital outlay encumbrance/expenditure level, whose budget comprises only 1.74% of the total General Fund budget indicates a 53.59% encumbrance/expenditure level for March. This encumbrance/expenditure rate is mainly attributable to school opening cost (technology updates, hardware, etc.). It should be noted that the vast majority of on-going construction and permanent improvements projects are accounted for in other funds and therefore not reflected in the encumbrances/expenditures above.

Finally, the debt service and other objects category of encumbrance/expenditures, which mainly reflects the payment of principal and interest for the energy conservation and facility improvements debt, treasurer and auditor fees, and the transfer of monies to other District funds (as required by State regulations), is as expected as of March 31, 2021. Debt payments occur in November and May while the transfer of monies to other funds will occur in June.

EXPENDITURES

The fiscal year 2021 adopted General Fund budget for the District is \$78,273,342. This budget, coupled with carryover encumbrances of \$1,932,269, resulted in a \$80,205,610 General Funds appropriation for FY 2021. The following information is a financial update of the status of this appropriation through March 31, 2021.

Through April 30, 2021 the District has expended \$60,620,792 and has outstanding encumbrances of \$2,767,972. This total of \$63,388,764 reflects 79.03% of the District's total appropriation. A statistical spending range for the District is based on two analyses: first, time elapsed is ten months or 83.33% of the fiscal year has passed. Secondly, twenty of twenty-four (20/24), or 83.33% of the total pay periods have passed. Figure 3 illustrates these points.

Figure 3

Overall, the District's encumbrance/expenditure level through April is below the target based on the above analysis. As an examination of the categories of expenditures is performed, cyclical variances are noted between categories which relate specifically to school opening activities. Figure 4 compares the various expenditure categories to the expected level and to the prior two years. The three years of data will be beneficial for trend analysis performed throughout the year.

Figure 4

Figure 5

STRONGSVILLE CITY SCHOOL DISTRICT

July 1, 2020-April 30, 2021 Financial Report

As Figure 3 illustrates, salaries are slightly higher than last year for this time of year which is due to negotiated agreements. We will continue to closely monitor this area for the remainder of the fiscal year. Salaries averaged \$1.8 million in April which is similar to the \$1.9 million in March. Benefits are higher compared to last year which is primarily due to the increase in healthcare and other benefits cost. Healthcare premiums increased 3.03% in fiscal year 2021 from fiscal year 2020.

The current year Purchased Services and Materials categories indicate a 74.68% encumbrance/expenditure level for April. This encumbrance/expenditure rate is lower compared to the 75.80% from this point in time last year. These expenditures vary from year to year base on the timing of when goods are needed and the invoices are paid and received. In addition, many of the annual contracts are encumbered at the beginning of the fiscal year and then spent down during the year. This is consistent with prior years and the cyclical nature of school operations.

The capital outlay encumbrance/expenditure level, whose budget comprises only 1.76% of the total General Fund budget indicates a 71.43% encumbrance/expenditure level for April. This encumbrance/expenditure rate is mainly attributable to school opening cost (technology updates, hardware, etc.). It should be noted that the vast majority of on-going construction and permanent improvements projects are accounted for in other funds and therefore not reflected in the encumbrances/expenditures above.

Finally, the debt service and other objects category of encumbrance/expenditures, which mainly reflects the payment of principal and interest for the energy conservation and facility improvements debt, treasurer and auditor fees, and the transfer of monies to other District funds (as required by State regulations), is as expected as of April 30, 2021. Debt payments occur in November and May while the transfer of monies to other funds will occur in June.

PROFESSIONAL SERVICES AGREEMENT
School Age

This Agreement made by and between NORTH COAST THERAPY ASSOCIATES, LLC located at 4255 Northfield Road, Highland Hills, Ohio 44128 (hereinafter referred to as "NCTA") and STRONGSVILLE CITY SCHOOLS BOARD OF EDUCATION located at 18199 Cook Avenue, Strongsville, Ohio 44136 (hereinafter referred to as "The Board"),

WITNESSETH:

WHEREAS, NCTA provides licensed occupational/physical therapists and assistants who are able to provide occupational/physical therapy services, and NCTA is willing to provide such services to Board of Education; and

WHEREAS, The Board desires to avail itself of the services provided by NCTA in accordance with the terms of this agreement;

NOW, THEREFORE, in consideration of the mutual promises and agreements contained herein, NCTA and The Board agree as follows:

1. **Contract For Services.** The Board contracts with NCTA to furnish occupational/physical therapy services to the students of the Strongsville City School District (the "District") during the 2021-2022 school year, excluding Extended School Year services (ESY), in accordance with The Board's responsibilities under the laws of the State of Ohio, such services to be rendered by legally licensed personnel. The terms of this agreement shall begin July 1, 2021, and end on June 30, 2022, the latter date being referred to as the Termination Date.

Every effort will be made to accommodate all service requests made by The Board. Therapy staff, which may consist of Occupational Therapists (OT), Occupational Therapist Assistants (OTA), Physical Therapists (PT) and/ or Physical Therapist Assistants (which may be referred to herein collectively as "Therapists") are assigned by NCTA according to availability and the identified service needs of the District based on caseload information. However, as long as NCTA makes a good faith effort to accommodate such service requests, it shall not be held responsible for any claim or inability to meet staffing and servicing demands if there are increased demands which differ significantly from the initial assignment of staffing or in the event that the NCTA staff member is unable to perform their duties as a result of any medical or other unanticipated condition which would prevent them from providing services. Staff utilized to cover for a therapist requiring a leave, because of availability, may not be at the same level i.e. OT may be used to cover for an OTA. In addition, no claim shall be made against NCTA if NCTA is unable to obtain staff or loses staff members at no fault of NCTA.

Any requests for ESY services by the District will be provided on a staff availability basis and, if provided, will be handled and compensated through a separate agreement.

The Board will request services by way of issuing to NCTA an official board Purchase Order, on which NCTA can rely for a description of services requested and that the Board will make payment for such services, once provided.

2. **Compensation.** NCTA shall receive compensation for services pursuant to the following rate schedule: the rate of occupational therapy (OT) in the school setting will be \$60.00 per hour and occupational therapy services provided by an occupational therapy assistant (OTA) shall be billed at \$48.00 per hour. The rate for physical therapy (PT) in the school setting will be \$62.00 per hour and physical therapy services provided by a physical therapy assistant (PTA) shall be billed at \$48.00 per hour. In addition to direct therapy, time may be billed for treatment preparation, scheduling; documenting; supervising; communicating/collaborating with NCTA and district staff/administration and parents; evaluations, scoring, write-ups; reviewing records and attending meetings; and time spent traveling between schools in order to provide services. If treatment or evaluations are provided outside of the district, travel time and mileage at the rate of .50 per mile may be billed for travel to the location. Every effort will be made to schedule students in blocks of time but if a student is

unavailable during that time and the therapist has to return to the district or if the district's therapy need is less than 1.5 hours, travel time may be charged. In addition time may be billed if a therapist travels to a district specifically to attend a meeting or treat a student if not notified that the meeting has been cancelled or the student is absent. As part of providing the most effective and efficient services to students in the district, the occupational and physical therapy staff and assistants may be asked to attend NCTA meetings or relevant trainings during the year to receive updates on procedures and to enhance their expertise in providing school-based therapy services. In addition, should The Board or any of its agents or employees, choose to cancel a school day(s), for any reason, for which NCTA has an employee, or subcontractor scheduled and available to perform services, NCTA has the option to charge The Board the average daily hours usually worked on that day for each occupational or physical therapist or assistant. NCTA will invoice The Board by the 10th day of each month, for services rendered during the previous month. Invoices will contain sufficient detail to document the services provided. The Board shall process payment to NCTA within thirty (30) working days after receipt of an invoice.

3. **Personnel, Equipment, and Facilities:** The Board shall provide to NCTA the following: the necessary equipment and supplies listed on the student's Individual Education Program (IEP) as it relates to the provision of occupational and physical therapy services, secretarial support, necessary space and access to a telephone, a desk and locked storage for OT/PT students' files. If the District is using a computerized IEP writing program, the Board shall provide computer access to NCTA staff at school and remote-access from home (if available to District staff) in order to be able to input IEP, Multi-Factored Evaluation (MFE) information.
4. **Availability.** NCTA shall cause its therapists to be available to render the services required hereunder during normal school hours, unless, in rare circumstances, otherwise agreed to, by both parties, as an accommodation.
5. **Force Majeure.** Neither Party will be liable for any failure or delay in performing an obligation under this Agreement that is due to any of the following causes, to the extent beyond its reasonable control: acts of God, accident, epidemic, pandemic, quarantine, civil commotion, natural catastrophes, governmental acts or omissions.
6. **Compliance with Statute, Malpractice, and Liability Insurance.** NCTA shall provide services under this agreement in accordance with the requirements established by the occupational/physical therapy state license board. NCTA and its employees providing said services shall abide by the rules and regulations of said board. In the performance of the services under this agreement, it is understood that NCTA is in possession of professional liability insurance for all of its employees. A current certificate of insurance and evidence of licensure is kept on file at 4255 Northfield Road, Highland Hills, OH 44128.
7. **Assignment.** NCTA shall have the right to assign this agreement for the remaining period covered by this agreement to any business entity or organization, natural or corporate; provided, that such business entity or organization is capable of performing the services under the same exact terms herein.
8. **Employment by Board.** In performing the services herein specified, NCTA is acting as a third-party professional services provider. The therapists provided by NCTA are employees or subcontractors ("the staff") of NCTA, and are not the staff of The Board. In the event that The Board
 - i) desires to employ any of the staff of NCTA, or
 - ii) desires to make a demand, request, contract requirement or bid specification requiring that any entity competing with NCTA for a contract with The Board, that such entity hire, employ, contract with or otherwise obtain the services of

any of the staff who is working, or has worked within the last two (2) years, directly or indirectly, with NCTA, The Board shall first receive the written permission of NCTA; and, second, The Board shall pay a lump sum fee of Ten Thousand Dollars (\$10,000.00) to NCTA as liquidated damages, which the parties hereby agree is fair and reasonable sum necessary to compensate NCTA for its specific training of the staff of NCTA, for the loss of the business, and for the loss of the staff by NCTA. For valuable consideration provided herein, the parties agree that the provisions of this Section 7 shall remain in full force and effect during the term of the agreement and for two (2) years after the Termination Date.

9. **Modification.** This agreement may not be changed or modified, nor may this agreement be discharged in part or in whole, except by written agreement signed by the party against whom the change, modification, or discharge is claimed or sought to be enforced, or signed by its agent pursuant to the party's written and signed authorization to make such change, modification, or discharge.

All other rights in and to the Client Materials are expressly reserved by Client.

12. **Confidential Information.** The Receiving Party agrees:

- (a) not to disclose or otherwise make available Confidential Information of the Disclosing Party to any third party without the prior written consent of the Disclosing Party; provided, however, that the Receiving Party may disclose the Confidential Information of the Disclosing Party to its officers, employees, consultants, and legal advisors who have a "need to know", who have been apprised of this restriction, and who are themselves bound by nondisclosure obligations at least as restrictive as those set forth in this Section 12;
- (b) to use the Confidential Information of the Disclosing Party only for the purposes of performing its obligations under the Agreement or, in the case of Client, to make use of the Services and Deliverables; and
- (c) promptly to notify the Disclosing Party in the event it becomes aware of any loss or disclosure of any of the Confidential Information of Disclosing Party.

13. Representations and Warranties. Each party represents and warrants to the other party that:

- (a) it is duly organized, validly existing and in good standing as a corporation or other entity as represented herein under the laws and regulations of its jurisdiction of incorporation, organization, or chartering;

14. Liability. SBC shall not be liable to Client, or to any Person, for any Loss arising out of or related to SBC's performance of Services on the part of SBC unless the acts or omissions of SBC, its independent contractors, agents or assistants result in a breach of this Agreement.

15. Non-Solicitation. During the Term of this Agreement and for a period of 9 months thereafter, neither party shall, directly or indirectly, in any manner solicit or induce for employment any person who performed any work under this Agreement who is then in the employ of the other party. A general advertisement or notice of a job listing or opening or other similar general publication of a job search or availability to fill employment positions, including on the internet, shall not be construed as a solicitation or inducement for the purposes of this Section, and the hiring of any employee or independent contractor who freely responds thereto shall not be a breach. If either party breaches this Section 15, the breaching party shall, on demand, pay to the non-breaching party a sum equal to one year's basic salary or the annual fee that was payable by the claiming party to that employee,

worker, or independent contractor plus the recruitment costs incurred by the non-breaching party in replacing such person.

16. Miscellaneous.

- (a) *Relationship.* The relationship between the parties is that of independent contractors. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture, or other form of joint enterprise, employment, or fiduciary relationship between the parties, and neither party shall have authority to contract for or bind the other party in any manner whatsoever.
- (b) *Notices.* All notices, requests, consents, claims, demands, waivers, and other communications hereunder shall be in writing and shall be deemed to have been given (i) when delivered by hand (with written confirmation of receipt); (ii) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (iii) on the date sent by email if sent during normal business hours of the recipient, and on the next business day if sent after normal business hours of the recipient; or (iv) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent to the respective parties at the addresses first indicated above or such other address as the party may previously designate in writing.
- (c) *Entire Agreement.* This Agreement, together with all Statements of Work and any other documents incorporated herein by reference, constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter. In the event of any conflict between the terms and provisions of this Agreement and those of any Statement of Work, the following order of precedence shall govern: (i) first, this Agreement and (ii) second, the applicable Statement of Work.
- (d) *Assignment.* Neither party may assign, transfer, or delegate any or all of its rights or obligations under this Agreement, including by operation of Law, without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed; provided, that, upon prior written notice to the other party, either party may assign the Agreement to a successor of all or substantially all of the assets of such party through merger, reorganization, consolidation, or acquisition. No assignment shall relieve the assigning party of any of its obligations hereunder. Any attempted assignment, transfer, or other conveyance in violation of the foregoing shall be null and void. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns.
- (e) *Headings.* The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.
- (f) *Amendments/Waiver.* This Agreement may be amended, modified, or supplemented only by an agreement in writing signed by each party hereto. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

- (g) *Interpretation.* If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.
- (h) *Governing Law.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of Ohio without giving effect to any choice or conflict of law provision or rule (whether of the State of Ohio or any other jurisdiction) that would cause the application of Laws of any jurisdiction other than those of the State of Ohio. Any legal suit, action, or proceeding arising out of [or related to] this Agreement or the Services provided hereunder shall be instituted exclusively in the federal courts of the United States or the courts of the State of Ohio in each case located in the City of Cleveland and County of Cuyahoga, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding. Service of process, summons, notice, or other document by mail to such party's address set forth herein shall be effective service of process for any suit, action, or other proceeding brought in any such court.
- (i) *Counterparts.* This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Purpose of Document

The purpose of this Statement of Work ("SOW") between PowerSchool Group LLC ("PowerSchool") and Customer ("You", "Your") is to outline the process, approach, and completion criteria for each step of the process to implement PowerSchool. This document covers the roles and responsibilities of the PowerSchool Project Manager, Implementation Specialist(s), and Customer in each step of the PowerSchool implementation process, serving as an outline of services PowerSchool is expected to deliver. This SOW calls out specific functional areas of PowerSchool that are covered for implementation services and level of coverage.

Successful implementation of new software requires proven project management and methodology. The timeline will be mutually adapted within a project management tool between PowerSchool and the Customer. You will have a project team to help you, as a Customer, connect to other PowerSchool services and support, while also providing project planning, communication, project execution, and product specialist consulting. For a successful PowerSchool implementation, it is important that You understand the responsibilities, carve out the time required and keep on pace with the timeline. This will involve gathering information, helping Your team come to agreement on configuration and data standardization, your own product training and monitoring other staff assigned training for completion, adjusting desk level procedures, and planning for go live among several other tasks. The overall steps included in a project are outlined below.

This Statement of Work is subject to the terms and conditions of the current master agreement between the parties and any associated policies, pursuant to which PowerSchool has licensed the PowerSchool application to the Customer.
