SUPERINTENDENT'S REPORT TO THE COMMUNITY

A. DISCUSSION ITEMS

- Community engagement is one of the goals in the 20/20 Plan. One of the initiatives in this area was to form a Curriculum Advisory Committee whose purpose would be to help make curricular decisions. The three primary objectives this year were: 1. Develop a movie policy; 2. Set up procedures for 6th – 12th grade novels; and 3. Two book adoptions – secondary Language Arts and preschool curriculum. Ms. Green shared the process that was followed to form the committee and details of the committee's accomplishments.

2. OSBA Business Recognition – Dan Foust, Communications Coordinator

The Ohio Schools Board Association recognizes local businesses who support school districts throughout the State of Ohio with an annual OSBA Business Honor Roll. 3. Licensing Fees for Athletic Logo

The new Athletic Logo is now trademarked. A policy was adopted recently stating anyone using the Strongsville logo to sell items for profit, and is not affiliated with the school, must first receive permission. A request to use the logo has been received from Sue Walick, owner of the Strongsville Spirit Shop. She is requesting use of the logo for apparel and novelty items to be sold at the Spirit Shop. The next step in the process is to have the Board approve a licensing/royalty agreement. Ms. Susan Harb did research on licensing options and Mr. Ryba shared her findings which included three options. Mr. Ryba shared a draft licensing agreement with the Board developed by Pepple and Waggoner Ltd for the District's use. Mr. Ryba's recommendation is to go with the option of a flat fee of \$500 annually.

Discussion was had with each member of the Board sharing his/her comments. The recommendation will be on the June 1, 2017 agenda for vote.

EXPENDITURES

The fiscal year 2017 adopted General Fund budget for the District is \$72,154,895. This budget, coupled with carryover encumbrances of \$988,614, resulted in a \$73,143,509 General Funds appropriation for FY 2017. The following information is a financial update of the status of this appropriation through April 30, 2017.

Through April 30, 2017 the District has expended \$55,904,062 and has outstanding encumbrances of \$2,084,960. This total of \$57,989,022 reflects 79.28% of the District's total appropriation. A statistical spending range for the District is based on two analyses: first, time elapsed is ten months or 83.33% of the fiscal year has passed. Secondly, twenty of twenty-four (20/24), or 83.33% of the total pay periods have passed. Figure 3 illustrates these points.

Figure 3

Overall, the District's encumbrance/expenditure level through April is under the target based on the above analysis. As an examination of the categories of expenditures is performed, cyclical variances are noted between categories which relate specifically to school opening activities. Figure 4 compares the various expenditure categories to the expected level and to the prior two years. The three years of data will be beneficial for trend analysis performed throughout the year.

Figure 4

Figure 5

STRONGSVILLE CITY SCHOOL DISTRICT

July 1, 2016-April 30, 2017 Financial Report

As Figure 4 and 5 illustrates, overall salaries and benefits are on target for this time of year. Salaries are slightly higher than last year for this time of year which is due to the net of negotiated agreements and one less payroll through April compared to prior years. Overall, salaries are trending under budget. We will continue to closely monitor this area for the remainder of the fiscal year. Salaries averaged \$1.7 million in April which is slightly higher to the \$1.7 million in March. Benefits are slightly less compared to last year which is primarily due to the impact of decrease in positions and increase in healthcare cost. Health care premiums are forecasted to increase 5% in calendar year 2017 from calendar year 2016.

The current year Purchased Services and Materials categories indicate a 77.52% encumbrance/expenditure level for April. This encumbrance/expenditure rate is slightly lower compared to the 81.19% from this point in time last year. These expenditures vary from year to year base on the timing of when goods are needed and the invoices are paid and received. In addition many of the annual contracts are encumbered at the beginning of the fiscal year and then spent down during the year. This is consistent with prior years and the cyclical nature of school operations.

The capital outlay encumbrance/expenditure level, whose budget comprises only 1.6% of the total General Fund budget indicates a 54.88% encumbrance/expenditure level for April. This encumbrance/expenditure rate is mainly attributable to school opening cost (technology updates, hardware, etc.). It should be noted that the vast majority of on-going construction and permanent improvements projects are accounted for in other funds and therefore not reflected in the encumbrances/expenditures above.

Finally, the debt service and other objects category of encumbrance/expenditures, which mainly reflects the payment of principal and interest for the energy conservation and facility improvements debt, treasurer and auditor fees, and the transfer of monies to other District funds (as required by State regulations), is as expected as of April 30, 2017. Debt payments occur in November and May while the transfer of monies to other funds will occur in June.

STRONGSVILLE CITY SCHOOL DISTRICT
SUMMARY OF SIGNIFICANT FORECAST ASSUMPTIONS AND ACCOUNTING POLICIES

FIVE YEAR FINANCIAL FORECAST
AND
SUMMARY OF SIGNIFICANT FORECAST ASSUMPTIONS

MAY 2017 UPDATE

**STRONGSVILLE CITY SCHOOL DISTRICT
SUMMARY OF SIGNIFICANT FORECAST ASSUMPTIONS AND ACCOUNTING POLICIES**

NOTE 1 NATURE AND PURPOSE OF PRESENTATION

This financial projection presents, in accordance with mandates of Ohio Law, the expected revenues, expenditures, and fund balance of the General Fund of the Strongsville City School District (the "District") for each of the fiscal years ending June 30, 2017 through June 30, 2021, with historical data presented for the fiscal years ended June 30, 2014, 2015, and 2016.

This forecast includes the impact on the State bi-annual budget for that was approved for fiscal years 2016 and 2017.

The assumptions disclosed herein are those that the District believes are significant to the projection. However, because circumstances and conditions assumed in projections frequently do not occur as expected, and are based on information existing at the time projections are prepared, there will usually be differences between projected and actual results.

A Basis of Accounting

This financial projection has been prepared on the cash receipts and disbursements basis, which is the required basis of accounting used for budgetary purposes. Under this system, revenues are recognized when received rather than when earned, and expenditures are recognized when paid rather than when the obligation is incurred. Under Ohio Law, the District is also required to encumber legally binding expenditure commitments and to make appropriations for the expenditure and commitment of funds.

B Fund Accounting

The District maintains its accounts in accordance with the principals of "fund accounting". Fund accounting is used by governmental entities, such as school districts, to report financial position and the results of operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain district functions and activities. The transactions of each fund are reflected in a self-balancing group of accounts, which presents an accounting entity that stands separate from the activities reported in other funds.

The forecast includes revenue and expenditure estimates for the general operating fund of the District (Fund 001).

NOTE 2 REVENUE ASSUMPTIONS

The District's primary sources of revenue are from the levying of property taxes on real property located within the District boundaries and the State of Ohio through the State Foundation program. The following provides information with respect to the revenue categories.

STRONGSVILLE CITY SCHOOL DISTRICT **SUMMARY OF SIGNIFICANT FORECAST ASSUMPTIONS AND ACCOUNTING POLICIES**

A PROPERTY TAXES **LINE 1.010, 1.020 AND 1.050**

Property taxes, which are levied and assessed on a calendar year basis, include amounts levied against all real and public utility property in the school district.

The real property tax base is the taxable (assessed) value of land and buildings. The taxable value is 35% of true (market) value. Under state law, real property is reappraised every six years and property values are updated in the third year following each sexennial reappraisal.

In 1976, the Ohio General Assembly passed HB 920. This law provides real property owners tax credits equal to any increase caused by an increase in value of all real property as a result of reappraisal. This does not apply to inside non-voted millage. In effect, HB 920 removes inflationary revenue growth from the applicable real property by requiring an adjustment to the voted millage rate, thereby resulting in a lower effective millage rate.

HB 66 made provision to replace revenue lost due to the phase out of the Tangible Personal Property Tax. In FY 15, the District received \$3.6 million in Tangible Personal Property Tax hold harmless. In the most recent bi-annual budget, the Tangible Personal Property Tax will be phased out by \$1.4 million in FY 16, and additional phase out of \$1.4 million in FY 17 for a combine loss through FY 17 of \$2.8 million. In FY 18 the remaining \$800k will be phased out for a total reduction of funding of \$3.6 million each year in the years FY 18-20. The District will be held harmless for the FY 16 \$1.4 million reduction through a supplement through the State Foundation. For FY 17, the District will be held harmless for \$2.2 million of the \$2.8 million reduction through a supplement through the State Foundation. The net FY 17 reduction in Tangible Personal Property tax is \$600k, while the remaining \$3.0 million will be completely reduce in FY 18-20.

The forecast assumes the property tax collection rate and split as follows:

STRONGSVILLE CITY SCHOOL DISTRICT SUMMARY OF SIGNIFICANT FORECAST ASSUMPTIONS AND ACCOUNTING POLICIES

The Ohio Revised Code and Ohio Administrative Code mandate Cuyahoga County to conduct a re-appraisal every six years, an update every three years and annual valuation of improvements based upon building permits received from each city annually. The last re-appraisal was in 2012 and the triennial update was completed in 2015. All property values were updated for the 2016 collection year, which resulted in a 1.7% increase in values. The forecast assumes the following property valuations:

State law grants tax relief to property owners (property tax rollbacks) in the form of a 10% reduction in real property tax bills. In addition, a 2.5% rollback is granted for owner occupied homesteads (total of 12.5%). The State reimburses school districts for the loss of real property taxes as a result of the rollback provision.

The prior budget bill (HB 119) included a significant property tax reduction for senior citizens. This Homestead Exemption will allow senior citizen homeowners and permanently/totally disabled homeowners, regardless of income, to withhold \$25,000 of market value of their owner occupied home from property taxes.

In November 2016 residents renewed a 5 year 6 mill levy with collection beginning January 2018. The forecast assumes the levy will expire tax year December 31, 2021. Collections will continue through December 31, 2022.

FY 20 – 644

FY 21 – 644

Since 2009, there are 206 less positions compared to FY 2017, a 23% decline which is keeping pace with declining enrollment. Below is a summary of staffing changes included in the forecast:

**STRONGSVILLE CITY SCHOOL DISTRICT
CONTRACT OF SUPERINTENDENT
(5-YEAR TERM)**

This employment contract is entered into this 23rd day of May, 2017, by and between the **BOARD OF EDUCATION OF THE STRONGSVILLE CITY SCHOOL DISTRICT**, (hereinafter "Board") and **CAMERON RYBA** (hereinafter "Superintendent"). The Board and the Superintendent, for the consideration herein specified, agree as follows:

1. TERM OF CONTRACT

The Board hereby employs Superintendent, and Superintendent hereby accepts employment as Superintendent of Schools for a term commencing on the 1st day of August, 2018, and ending on the 31st day of July, 2023.

2. PROFESSIONAL CERTIFICATION

The Superintendent shall maintain and furnish to the Board evidence of his maintaining, throughout the life of this contract, a valid and appropriate certificate/license to act as Superintendent of Schools of the District in accordance with the laws of the State of Ohio.

3. DUTIES OF SUPERINTENDENT

The Superintendent shall perform all duties as prescribed by law and as are consistent with Board Policy. The Superintendent shall perform the duties specified in the job description for Superintendent as adopted by the Board, as it may be amended from time to time, during the term of this contract. Such job description, as so amended, is hereby incorporated into this contract by reference as if fully reinstated herein.

4. COMPENSATION

- A. The Board shall pay the Superintendent an annual salary rate of \$146,395.00 (One Hundred Forty Six Thousand, Three Hundred Ninety Five Dollars) commencing on August 1, 2018. Salary increases effective August 1, 2019 and thereafter will be based upon the Superintendent's annual performance rating inclusive of progress towards district goals and overall work towards district improvement efforts. A performance rating of *Skilled or Accomplished* and documented progress towards district goals will result in a one and a half percent (1.5%) salary increase for each twelve month period, effective August 1, 2019, August 1, 2020, August 1, 2021, and August 1, 2022. If the Board fails to complete the Superintendent's evaluation by June 1 of each year, a one and a half percent (1.5%) salary increase will be awarded. The annual salary increase rate may be reduced at any time during this contract through Board action based on a performance rating of *Developing or Ineffective* and/or a lack of progress towards district goals, or when all administrative personnel do not receive salary increases or performance level movement. This salary shall be paid in equal installments in the same manner as other licensed employees. As provided by Ohio law, this salary may be increased, but not decreased, during the term of this contract, except pursuant to a uniform plan affecting all employees of the District.
- B. Upon request of the Superintendent, the Board shall withhold and transfer a portion of the Superintendent's salary to a tax deferred annuity program of the Superintendent's choosing.

- C. If, during the term of this agreement, the Superintendent is awarded a doctoral degree, the Superintendent's salary will be immediately increased in the amount of Two Thousand Five Hundred Dollars (\$2,500.00) per year.

5. TAX DEFERRED ANNUITY/403(B) PLAN

Each year the Superintendent is employed under the terms of this contract, the Board shall annually vest \$2,000.00 (Two Thousand Dollars) commencing on July 1, 2019 and ending July 1, 2023.

If the Superintendent fulfills this contract during the 2021-22 school year, a \$5,000.00 (Five Thousand Dollars) payment to the tax deferred annuity/403(b) plan shall become payable on July 25, 2022. If the Superintendent fulfills this contract during the 2022-23 school year, a \$5,000.00 (Five Thousand Dollars) payment to the tax deferred annuity/403(b) plan shall become payable on July 25, 2023.

The Board shall make this payment to an approved tax deferred annuity/403(b) designated by Superintendent, subject to the restrictions permitted by Section 9.91 of the Ohio Revised Code. The annuity shall be the property of Superintendent both before and after separation from employment. It is the intention of the parties that the amounts paid for such tax deferred annuity/403(b) plan be included in Superintendent's compensation for retirement purposes.

6. OTHER COMPENSATION

The Board shall provide the Superintendent with all benefits applicable to administrative employees of the District per the Administrative Handbook, excluding the degree incentive. In addition, the Board shall provide:

A. STRS Contributions

The Board shall pay ("pick-up") the employee's required share of STRS contributions, and in addition, shall pay both the employer's and employee's share of STRS contributions on this picked-up amount ("pick-up on pick-up"). Such pick-up of retirement contributions shall be a condition of employment and not at the Superintendent's option. If, during the term of this Contract, legislation is enacted, becomes effective, and is applicable to this Contract, and such legislation would prohibit the payment by the Board of the employee's share of retirement contributions on Superintendent's behalf as a fringe benefit pick-up, the Board shall add to Superintendent's salary the amount of the employee contribution previously picked up as a fringe benefit. The Board shall then deduct such amount from Superintendent's salary and pay such amount directly to the STRS on Superintendent's behalf (a salary reduction pick-up). Such salary reduction pick-up shall become a condition of Superintendent's employment under this Contract, and not at Superintendent's option. Such adjustments to the salary of Superintendent shall not have the effect of increasing the per diem pay calculations made under any other provision of this Contract.

B. Medicare

The Board shall pay on behalf of the Superintendent the Superintendent's share of the Medicare payroll tax (currently 1.45% of salary).

C. Group Health Plans

The Board shall pay eighty-five percent (85%) of the premium cost for single or family coverage under the Administrator's comprehensive major medical insurance plan. The Board shall pay eighty-five (85%) of the premium cost for any dental coverage being offered to Administrators, and eighty-five (85%) of the premium cost of any vision coverage being offered to Administrators. The Board reserves the right to change carriers or its method of insurance during the term of this contract, as long as there is a substantial equivalency of coverage before and after such change.

D. Spousal Enrollment

The addition of spousal enrollment requirements to the Superintendent's benefits package will be enacted when all administrative employees receive this benefit pursuant to the Administrative Handbook.

E. Life Insurance

With respect to life insurance benefits, the Superintendent is to be provided the same choice available to other administrators, namely, a choice between a \$50,000 term policy and a term policy having a benefit equal to three times the administrator's salary.

7. PROFESSIONAL GROWTH

The Superintendent shall be encouraged to attend professional meetings the actual and necessary expenses of said attendance to be paid by the District in accordance with Board Policy. The Board will pay the full annual cost of the Superintendent's membership for up to three (3) professional organizations of the Superintendent's choosing. In addition, the Board shall pay annually up to a maximum of \$500 toward any civic organization dues chosen by the Superintendent.

8. VACATION AND HOLIDAYS

The Superintendent shall be entitled to twenty-five (25) vacation days with pay each year this contract is in effect and to the legal holidays specified in the Board approved calendar. The Superintendent shall be entitled to carry over and accumulate a maximum of three (3) years of vacation days during the duration of the contract. Also, vacation time accrued prior to becoming Superintendent shall be vested and may be used pursuant to this procedure, in addition to the vacation benefit provided by this Agreement. Accrued vacation days may be utilized for vacation, carried over to the following contract year (subject to the above limitation), or exchanged for cash at the close of the contract year at the discretion of the Superintendent. Unused vacation days shall be paid to the Superintendent at the time of separation at his current rate of compensation, not to exceed the amount accrued within three (3) years before the date of separation. In the event of death, such amount shall be paid to the estate in accordance with Section 2113.04 of the Ohio Revised Code.

9. PERSONAL LEAVE

Superintendent shall be entitled to three (3) personal days per contract year, to be accrued in full at the beginning of this contract and upon each August 1st thereafter. All or part of the personal leave accrued but unused at the end of any calendar year shall be extinguished and not be carried forward in Superintendent's personal leave accrual balance.

10. DAYS TO BE WORKED

The Superintendent's rate of pay shall be calculated on the basis of 260 working days. The Superintendent shall devote such time and energies as are necessary to perform the duties specified during normal business hours, but it is expressly agreed that the duties of this position will require the Superintendent to work during times other than normal business hours.

11. SICK LEAVE

The Superintendent shall be entitled to the use of and accumulation of sick leave in accordance with Ohio law and Board Policy.

12. EXPENSES

The Board shall reimburse the Superintendent for all actual and necessary travel and other expenses required in the performance of the official duties during the employment under this contract subject to such limitations as provided by law and Board Policy. The mileage rate for travel shall be at the Board approved rate.

13. MEDICAL EXAMINATION

If so requested by the Board, or at the election of the Superintendent, the Superintendent shall undergo a comprehensive medical examination conducted by a reputable physician of Superintendent's choosing, which examination shall not be conducted more than once in any calendar year except by mutual agreement. When such an examination is performed, the physician shall submit a written statement to the Board, which is limited to the conclusion as to whether Superintendent is physically and mentally capable of performing the duties of his/her office. The actual medical report of the examination shall become the property of the Superintendent and shall remain confidential as between the physician(s) and the Superintendent. The cost of the medical examination and the report shall be borne by the Board.

14. LIABILITY INSURANCE

The Board will provide professional liability insurance coverage protecting the Superintendent from liability from claims, suits, actions and legal proceedings brought against the Superintendent in his/her official capacity and as an agent or employee of the School District and while acting within the scope and course of said employment. The minimum amount of such coverage shall be \$1 million per occurrence/\$3 million aggregate. This paragraph shall not be construed to require the purchase of additional insurance if a general school district liability policy is already in effect having at least the above minimum coverages. 14.

15. EVALUATION

The Board shall evaluate the Superintendent annually in accordance with the Ohio Superintendent Evaluation System (OSES). During the year of contract expiration, the formative assessment portion of the OSES shall be completed, with documentation provided to the Superintendent, on or before December 31. Such evaluation shall be considered by the Board in deciding whether to renew the Superintendent's contract. If the services of the Superintendent are not continued as Superintendent beyond the term of this Agreement, it is the desire of the Board to maintain the employment relationship in some leadership capacity in the future.

16. CONTRACT TERMINATION

This employment contract may be terminated by:

- A. mutual agreement of the parties
- B. retirement, disability, or death of the Superintendent
- C. termination by the Board in accordance with the laws of Ohio

17. SEVERANCE PAY

Upon retirement from employment in the District, the Superintendent shall be entitled to pay at his then-current per diem rate for 30% of his/her accumulated and unused sick leave in the District as of the date of separation.

Payment of this severance pay shall extinguish the Superintendent's sick leave accumulation in the District and for purposes of future public employment in Ohio. This severance pay may, however, be waived by the Superintendent, in which case the sick leave accrual shall remain to the credit of the Superintendent for purposes of future public employment in Ohio, to the extent permitted by law.

18. STRS OBLIGATIONS

The Superintendent acknowledges that he has been notified of his duties and obligations under chapter 3307 of the Ohio Revised Code, relating to the State Teachers Retirement System (STRS), and agrees to accept his duties and obligations there under.

19. SAVINGS CLAUSE

If any portion of this contract is deemed illegal due to conflict with State or Federal law, the remainder of the contract shall remain in full force and effect.

20. ENTIRE AGREEMENT; MODIFICATIONS

This contract supersedes all previous agreements, arrangements and understandings, written or oral, between the Superintendent and the Board with respect to the subject matter hereof. No modification, waiver, amendment, or addition to any of the terms of this contract shall be effective unless set forth in writing signed by the Superintendent and the Board.

1. **Term of Contract**

The Board, in accordance with its action taken at its meeting held on the 18th day of May, 2017, hereby employs the Treasurer of the Strongsville City School District for the term of approximately five (5) years commencing on August 1, 2018, and ending on July 31, 2023, unless sooner terminated as provided herein.

2. **Days of Service**

The Treasurer's annual term of service under this contract shall be 260 days, inclusive of paid holidays.

3. **Professional Certification/Licensure**

The Treasurer shall maintain and furnish to the Board evidence of his maintaining, throughout the life of this Agreement, valid credentials to act as Treasurer of this District in accordance with the laws of the State of Ohio. 4. **Duties**

The Treasurer shall be the Chief Financial Officer of the school system and shall have, under the direction of the Board, general supervision and financial management of the school system. The Treasurer shall perform those duties set forth in, and be subject to, the written policy of the Board, as now adopted or as may hereafter be modified, reserving, however, those legal powers specifically vested in the Treasurer by law. In performing these duties on behalf of the Board, the Treasurer may consult with legal counsel or other professional advisors as may be reasonably necessary, subject to any limitations imposed by the Board.

The Treasurer shall devote his full time and energies to the duties of his position. It is expressly understood and agreed that the performance of the duties of Treasurer may require the Treasurer to work outside normal business hours and at non-school locations, for which he shall not receive additional compensation. The Treasurer shall attend all school Board meetings except when excused by the Board, serve as an ex-officio member of all school Board committees, serve as secretary of the Board with regard to the keeping and distribution

of minutes of meetings of the Board of Education and all Board committees, and provide administrative recommendations on each item of business considered by each of these groups as requested by the Board. The Treasurer, in his discretion, and to the extent permitted by law, may delegate to other school personnel under his supervision, the exercise of any powers and the discharge of any duties imposed upon the Treasurer. The delegation of any power or duty, shall not, however, relieve the Treasurer of responsibility for the action taken under such delegation.

Prior to the commencement of the term of this contract, and entering upon the duties of this office, the Treasurer shall execute a bond, in an amount and with a surety approved by this Board, the expense for which will be borne by the Board, payable to the State of Ohio, in condition for the faithful performance of all official duties required of the Treasurer. The Treasurer covenants to comply with the terms and conditions required for maintenance of that bond. The bond shall be deposited with the President of the Board and a certified copy filed with the Auditor of Cuyahoga County.

5. Compensation

The Board shall pay the Treasurer an annual salary rate of \$123,913 (One Hundred Twenty Three Thousand, Nine Hundred Thirteen Dollars) commencing on August 1, 2018. Salary increases effective August 1, 2019 and thereafter will be based upon the Treasurer's annual performance rating inclusive of progress towards district goals and overall work towards district improvement efforts. A performance rating of *Skilled* or *Accomplished* and documented progress towards district goals will result in a one and a half percent (1.5%) salary increase for each twelve month period, effective August 1, 2019, August 1, 2020, August 1, 2021, and August 1, 2022. If the Board fails to complete the Treasurer's evaluation by June 1 of each year, a one and a half percent (1.5%) salary increase will be awarded. The annual salary increase rate may be reduced at any time during the contract through Board action based on a performance rating of *Developing* or *Ineffective* and/or lack of progress towards district goals, or when all administrative personnel do not receive salary increases or performance level movement. This salary shall be paid in equal installments in the same manner as other licensed employees. As provided by Ohio law, this salary may be increased, but not decreased, during the term of this contract, except pursuant to a uniform plan affecting all employees of the District.

6. Tax Deferred Annuity/403(b) and/or 457(b)

Each year the Treasurer is employed under the terms of this contract, the Board shall annually vest \$2,000 (Two Thousand Dollars) commencing on July 1, 2019 and ending July 1, 2023.

If the Treasurer fulfills this contract during the 2021-22 school year, a \$5,000 (Five Thousand Dollars) payment to the tax deferred annuity/403(b) or 457(b) plan shall become payable on July 25, 2022. If the Treasurer fulfills this contract during the 2022-2023 school year, a \$5,000 (Five Thousand Dollars) payment to the tax deferred annuity/403(b) or 457 plan shall become payable on July 25, 2023.

The Board shall make this payment to an approved tax deferred annuity 403(b) or 457(b) designated by the Treasurer, subject to the restrictions permitted by Section 9.91 and/or Section 148.01 of the Ohio Revised Code. The annuity shall be the property of the Treasurer both before and after separation from employment. It is the intention of the parties that the amounts paid for such tax deferred annuity 403(b) and/or 457(b) plan be included in the Treasurer's compensation for retirement purposes.

7. Other Compensation

The Board shall provide the Treasurer with all benefits applicable to administrative employees of the District per the Administrative Handbook, excluding the degree incentive. In addition, the Board shall provide:

A. SERS Contributions

The Board shall pay ("pick-up") the employee's required share of SERS contributions, and in addition, shall pay both the employer's and employee's share of the SERS contributions on this picked-up amount ("pick-up on pick-up"). Such pick-up of retirement contributions shall be a condition of employment and not at the Treasurer's option. If, during the term of this Contract, legislation is enacted, becomes effective, and is applicable to this Contract, and such legislation would prohibit the payment by the Board of the employee's share of retirement contributions on the Treasurer's behalf as a fringe benefit pick up, the Board shall add to the Treasurer's salary the amount of the employee contribution previously picked up as a fringe benefit. The Board shall then deduct such amount from the Treasurer's salary and pay such amount directly to the SERS on the Treasurer's behalf (a salary reduction pick-up). Such salary reduction pick-up shall become a condition of the Treasurer's employment under this Contract, and not of the Treasurer's option. Such adjustments to the salary of Treasurer shall not have the effect of increasing the per diem pay calculations made under any other provision of this contract. The Treasurer agreed that he has been notified and accepts his duties and obligations under Chapter 3309 of the Ohio Revised Code relating to SERS.

B. Medicare

The Board shall pay on behalf of the Treasurer the Treasurer's share of the Medicare payroll tax (currently 1.45% of salary).

C. Group Health Plans

The Board shall pay eighty-five percent (85%) of the premium cost for single or family coverage under the Administrator's comprehensive major medical insurance plan. The board shall pay eighty-five (85%) of the premium cost for any dental coverage being offered to Administrators, and eighty-five (85%) of the premium cost of any vision coverage being offered to Administrators. The Board reserves the right

to change carriers or its method of insurance during the term of this contract, as long as there is a substantial equivalency of coverage before and after such change.

D. Spousal Enrollment

The addition of spousal enrollment requirements to the Treasurer's benefits package will be enacted when all administrative employees receive this benefit pursuant to the Administrative Handbook.

E. Life Insurance

With respect to life insurance benefits, the Treasurer is to be provided the same choice available to other administrators, namely, a choice between a \$50,000 term policy and a term policy having a benefit equal to three times the administrator's salary.

8. Professional Growth

In recognition of the benefits to the District of membership in such organizations, attendance at such meetings and/or participation in such activities, the Board will reimburse the Treasurer for reasonable expenses necessarily incurred in attending professional meetings including attendance at regular meetings of the Ohio Association of School Business Officials. Attendance at other appropriate professional meetings at the local, state, and national level may be required, including the annual conference of the Ohio School Boards Association; reimbursement for expenses must be within the limits of appropriations. The Board shall pay the Treasurer's annual dues to the Ohio Association of School Business Officials and Buckeye Association of School Administrators.

9. Vacation/Leaves

The Treasurer shall be entitled to twenty-five (25) days of vacation with pay annually during the term of this Agreement. Vacation days shall be used so as to minimize disruption of School District operations. The Treasurer is encouraged to use all vacation to which he is entitled. Upon the Treasurer's separation from employment, the Treasurer shall be paid at the Treasurer's current rate of pay for all accrued and unused vacation leave to the Treasurer's credit at the time of separation, not to exceed the amount accrued during the three (3) years before the date of separation. In the event of the death of the Treasurer, such unused vacation leave shall be paid in accordance with O.R.C. §2113.04, or to the estate of the Treasurer. The Treasurer shall be eligible for the same paid or unpaid leaves (e.g., sick leave, personal leave, parental leave, etc.) as other District administrators employed pursuant to O.R.C. §3319.02.

10. Personal Leave

The Treasurer shall be entitled to three (3) personal days per contract year, to be accrued in full at the beginning of this contract and upon each August 1st thereafter. All or part of the

personal leave accrued but unused at the end of any calendar year shall be extinguished and not be carried forward in the Treasurer's personal leave accrual balance.

11. Sick Leave
