OPEN TO PUBLIC ANY TOPIC

Members of the public may speak once for a maximum period of five minutes by the clock during this portion of the meeting. The public may speak on any topic during their five minutes. If a member of the public raises a question, all questions should be directed to the Board President. Depending on the nature and the complexity of the question, it may or may not be answered during the meeting and, if so, only after the member of the public has completed their comments or reached their allotted time. We also recognize that everyone has the freedom to speak but advise you that anything said in public may have legal ramifications. There is no protection regarding statements made by the public. Please state your name, municipality of residence, and, if applicable, group affiliation and sign in before you begin.

- Rocco Salluce of Pequannock asked the board members to use their microphones so that they can be heard. He stated that evaluation of staffing needs to be done. He asked the board to consider not filling vacancies. He wished all a Happy New Year.
- Tom Salerno of Pequannock stated that the board needs to think about what makes a graduating senior different from other districts. He inquired as to what graduation requirements we currently have that exceed the State's requirements.
- Melissa Stelmasik and Lynn Schwartz of Pompton Plains and SEPAC invited the board and the public to Sunday Parent University on January 23. They requested a liaison for SEPAC and hope that the board will take an active role in SEPAC. A parent only meeting without administrators, date to be determined, is upcoming.
- Ann Maier of Pompton Plains and former Board Member remarked on the excellent music programs held during the holidays. She commented on the high quality of the AP Government students' proposals and platforms. She looks forward to hearing the new board's ideas on declining enrollment. She inquired as to the thoughts of the current board members on the December 10 audit presentation. She expressed hope that Mr. Smith will attend additional committee meetings as vice president. She commended Dr. Charleston's availability to her when she was a board member. She commented that she does not understand why board members are being arbitrary and capricious and wants to know why the new board wants to go out for RFPs for professional services.
- Kim Quigley of Pompton Plains and former Board President remarked that the current board attorney has provided nothing but stellar service, as has our auditor. She questioned as to why the new board members are so eager to change professional services if they do not know what these firms do or are currently handling on the district's behalf.
- Renee Blustein and Jennifer Sittig of Pompton Plains and the Pequannock Township Education Foundation requested a date to present their mission to the board.
- Rocco Salluce of Pequannock inquired about the China trip and how much it cost. He inquired if local towns such as Lincoln Park will attend our schools.

OLD BUSINESS

- Mr. Ciresi explained that his no vote for president was not personal; however, he would have preferred a current board member who has already worked with this administration.
- Dr. Charleston responded to Mr. Salerno's questions as to how Pequannock exceeds State requirements for graduation: State graduation requirements are 120 credits. Pequannock's requirements are 140 credits. The district is operating as if PARCC is still a graduation requirement. We have the SLE program and Senior Capstone. He commented that community service is valuable but not required for graduation.

NEW BUSINESS

- Mr. Hardaker asked Dr. Charleston to set up a facilities tour for board members highlighting conditions and problems. He would like to make a minor change to the committee meetings so that Policy, PMC, and CIS meet on Mondays and FFA meets on Tuesdays. He asked board members to email their interests to him so that committee assignments can be set up. Other issues that he would like to discuss are student attrition, the China program, and moving the election back to April.
- Mr. Blumert commented that RFPs are healthy and do not mean change. He inquired about what the Township Council Liaison Committee does. A discussion ensued regarding recreating the committee and developing a meeting schedule. A motion was made to approve the formation of an Ad Hoc Joint Services Committee with the Township.

Motion by: Smith	Second by: Thumann	Roll Call Vote: 9-0-0
------------------	--------------------	-----------------------

- Mr. Prezioso would like the board to discuss having a Gifted and Talented Coordinator and a SEPAC Liaison.
- Dr. Thumann congratulated the Pequannock Township Education Foundation on their formation and efforts.
- Mr. Smith wants to reinstate the Varsity Breakfast Program where athletic awards can be recognized in front of all athletes. In order to fund field maintenance, he would like to investigate our current facilities fees so that field usage is not discouraged due to high fees. With increased field usage, increased concession sales can benefit our student organizations.
- Ms. Dempsey looks forward to a cooperative relationship with the Superintendent. She hopes to schedule an orientation meeting for the new board members with the Central Administration.

CONSIDERATION OF EXECUTIVE SESSION

RESOLVED, that in accordance with Section 8 of the Open Public Meetings Act, Chapter 231, P.L., the Board has the authority to adjourn to closed session to discuss student matters. Said matters will be made public upon their disposition. No action will be taken.
