The Superintendent shall prepare administrative guidelines to ensure that students and parents are adequately informed each year regarding their right to inspect instructional materials and the procedure for completing such an inspection. See AG 9130A and Form 9130 F3.

If the request, suggestion, complaint, or concern relates to instructional materials such as textbooks, library books, reference works, and other instructional aids used in the Corporation, the following procedure shall be followed:

 1. one (1) or more professional staff members including the principal;
 2. one (1) or more lay persons knowledgeable in the area.
- C. The Superintendent and/or director shall be an ex officio member of the committee.
- D. The committee, in evaluating the questioned material, shall be guided by the following criteria:

 2. the accuracy of the material
 3. the objectivity of the material
 4. the use being made of the material
- E. The material in question may be or may not be withdrawn from use pending the committee's recommendation to the Superintendent.
- F. The committee's recommendation shall be reported to the Superintendent in writing within thirty (30) business days following the formation of the committee. The Superintendent will advise the complainant, in writing, of the committee's recommendation and advise the Board of the action taken or recommended.

G. The complainant may appeal this decision, within thirty (30) business days, to the Board through a written request to the Superintendent, who shall forward the request and all written material relating to the matter to the Board.

H. The Board shall review the case and advise the complainant, in writing, of its decision.

No challenged material may be removed from the curriculum or from a collection of resource materials except by action of the Board, and no challenged material may be removed solely because it presents ideas that may be unpopular or offensive to some. Any Board action to remove material will be accompanied by the Board's statement of its reasons for the removal.
