# Mission Statement

## MISSION: T

he Faculty, Staff, Students and Community of Simon Rivera High School are committed to the development of individuals who are academically competent and self-reliant so that they can successfully pursue post-secondary education and/or training opportunities to better themselves, their families, and their community, enabling them to become productive citizens with a global and moral awareness that will impact their lives and increase their self-esteem to create a safe and secure society.

## Vision

VISION: Brownsville Independent School District, rich in cultural heritage, will produce well-educated graduates who can pursue higher educational opportunities and who will become responsible citizens in a changing global society by utilizing all resources to provide equitable opportunities for students.

### THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

### THE STATE OF TEXAS PUBLIC EDUCATION GOALS

- GOAL #1: The student in the public education system will demonstrate exemplary performance in the reading and writing of the language. English
- GOAL #2: The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.
- GOAL #3: The students in the public education system will demonstrate exemplary performance in the understanding of science.
- GOAL #4: The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

### THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

Objective #1: Parents will be full partners with educators in the education of their children.

Objective #2: Students will be encouraged and challenged to meet their full educational potential.

Objective #3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.

Objective #4: A well-balanced and appropriate curriculum will be provided to all students.

Objective #5: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective #6: The state's students will demonstrate exemplary performance in the comparison to national and international standards.

Objective #7: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective #8: Educators will keep abreast of the development of creative and innovative techniques as appropriate to improve student learning.

Objective #9: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

# Comprehensive Needs Assessment

Revised/Approved: May 7, 2020

## Needs Assessment Overview

Simón Rivera Early College High School, located at 6955 FM 802, near the Port of Brownsville on Brownsville's northeast side, was built in 1988. The two-story building houses 112 classrooms and 10 portable classrooms. Fifteen fully equipped computer labs with approximately 25 computers in each lab and 46 in the library lab and on the floor for student use. Recently, a large indoor gym and practice facility was constructed adjacent to the soccer field. Rivera High School, as it has been known, has approximately 2,310 students enrolled in grades 9th – 12th with 98% of the student population identified as Hispanic and 22% Limited English Proficient. Rivera Early College High School, Title 1 school, employs approximately 180 professional staff members with 12% holding masters' degrees and one doctorate in their respective area. Eight administrators, eight counselors, two librarians, two nurses and eighty-one support personnel including para-professionals, clerical staff, and custodial staff support the daily workings of the campus.

Students at Rivera began the year with 100% Virtual Learning. In addition to the start of the year being 100% remote instruction, the periods were alternated by day so that each class lasted 1 and a half hours in an alternating "A Track/B Track" Setting. Starting in October a phase-in plan to reopen schools was underway. By November 16, 2020 all teachers were back on campus to welcome kids to a Hybrid Schedule that started the week back from Thanksgiving Break. Starting on November 30, 2020 students had the option to attend Face 2 Face instruction in a Hybrid Schedule Setting. Only about 4% of students attended classes at the brick and mortar site, all other students remained virtual/remote learners. Starting in April of 2021 a push to bring back more students for Face 2 Face instruction was led by the Texas Education Agency. By late April Rivera saw an increase of 18% percent to bring the total of 22% of our students coming in for Face 2 Face Instruction. To help motivate students to return to school and bring some sense of normalcy to the school week/day, Rivera went back to its normal 9-period day.

All state exams were administered/offered in December (EOC), February/March (TELPAS), April/May (EOC/TELPAS), and June (EOC). An extended testing window allowed for social distancing the testing sites.

TEA awarded the Early College High School "For ALL" designation to Rivera in 2014 and in 2018 the campus changed the focus to "school within a school." Rivera ECHS administers the Texas Student Initiative college entrance exam and training is available through coursework and special sessions for those students not mastering the TSIA exam. All qualified students enroll in Dual enrollment courses, 16 Advanced Placement courses and Project Lead the Way.

Our partners for Dual enrollment coursework include Texas Southmost College and the University of Texas Rio Grande Valley enabling students to complete high school graduation and simultaneously earn college credit. Courses offered include: English Composition I and II, United States History, Spanish, US Government I, Sociology, Psychology, College Algebra, Pre-Calculus, Art Appreciation, Music Appreciation, Speech, Biology, Business Information I & II, Accounting I and II, Digital & Interactive Media, Web Technologies, Information Technology, Health Science, Medical Terminology, Business Management, and Business Law. All but two of these courses are taught by Rivera ECHS adjunct teachers. Approximately one third of the Rivera Graduating Class earned college credit in 2021 and twenty students graduated from high school with an Associate Degree in 2021.

In addition to Dual Enrollment courses, other challenging coursework includes Gifted and Talented, and 16 Honors/AP courses offered areas of English, Math, Science, Social Studies, Fine Arts, French and Spanish.

Rivera counseling staff prepares student schedules by aligning them to each student's program of study for focused academic success toward college and a career of choice. Our college focus is on the obtainment of the college "core" classes which transfer to Texas colleges and universities, enabling students to continue their focus on their chosen degree. Other college courses provide credit towards the EARLY COLLEGE HIGH SCHOOL student's program of study, some of which include: Architecture & Construction, Education & Training, Finance, Hospitality & Tourism, Human Services, Information Technology, Finance, Business Management & Administration, Health Science, STEM,

Law, Public Safety, and Corrections & Security. Students completing a coherent sequence of courses in their respective programs of study with an 80 or better in three articulated or dual enrollment Career and Technology courses graduate as an RGV Lead Scholar.

Several programs address the needs of students requiring additional instruction, such as the Students Taught in an Alternative Return to Success, or “STARS” program, and tutorials during the day and after school help students regain credit. Teachers in all core areas plan collaboratively to create formative assessments, and to ensure that the district and school curriculum aligns both vertically and horizontally.

The Fine Arts Program at Rivera ECHS includes the Marching Band, Jazz Ensemble, Drumline, Estudiantina, Chorale, Art, Dance, Ballroom Dancing, and Theater, including Advanced Placement and Dual Enrollment courses in Music and Art.

Athletic options during the course of the school year include football, cross-country, volleyball, swimming, tennis, golf, basketball, soccer, track, softball, baseball, and powerlifting, providing Rivera students many opportunities to participate in competitive sports.

Rivera ECHS also includes an active Air Force JROTC program. Cadets trained in aerospace science, leadership skills, wellness, and personal financial skills prep for college and career opportunities in and outside military service. Other electives include Culinary Arts, Robotics through the Engineering Math class, and yearbook.

This year, the library was under renovation and the media specialists and their aids were housed in a regular classroom. They still provided much support in the areas of access to technology and sponsored some virtual events for students.

Rivera ECHS partners with the University of Texas Rio Grande Valley for GearUP (now in its third year of four), Upward Bound, UTeach, and UTRGV Talent Search. In a partnership with Texas Southmost College and the City of Brownsville, Rivera ECHS receives services and connects students and parents with college and businesses through an ACE (After School Centers on Education) 21st Century Cycle 10 Grant. Rivera also partners with Rotary International Interact in separate Leadership Clubs.

Parental Involvement is an important component to the success of Rivera students and our parents meet on campus to support their sons and daughters in several venues, such as college readiness, health, academic support, and personal fitness led by a full time Parent Liaison who provides activities designed to educate and enrich family lives. These parental activities are also supplemented by GearUP and ACE 21st Century grants. “We Sail With Class, Dignity, and Pride!”

# Demographics

## Demographics Summary

Simón Rivera Early College High School, located at 6955 FM 802, near the Port of Brownsville on Brownsville's northeast side, was built in 1988. The two-story building houses 112 classrooms and 7 fully equipped computer labs with approximately 25 computers in each lab and an additional 10 portable classrooms. Rivera High School, as it has been known, has approximately 2,400 students enrolled in grades 9<sup>th</sup> – 12<sup>th</sup> with 98% of the student population identified as Hispanic and 20% Limited English Proficient. Rivera High School is identified as a Title 1 school and employs approximately 180 professional staff with 10% holding masters degrees in their respective area. The staff is supported by eight administrators, eight counselors, two librarians, two nurses and eighty-one support personnel including para-professionals, clerical staff, and custodial staff.

The student population at Rivera Early College High School (ECHS) is approximately 2,400 and serves students in grades ninth through twelfth. According to the PEIMS Data Review of our campus profile, the students population includes: Hispanic 99.6%, White .3%, African American .001%, Economically Disadvantaged 99%, Limited English Proficient 11.3%, At Risk 67%, Migrant .01%, Gifted and Talented 9.1%, Special Education 11.6%. The enrollment number of 2281 for Rivera ECHS have shown an increase of 1% over last year. The mobility rate of the campus is 16.8%, a 2% decrease from last year.

## Demographics Strengths

Strengths include good student/teacher ratio, the opportunity for free breakfast, lunch and supper, and other Title I benefits including funding for migrant student, academic tutorial classes and Summer Bridge Programs that assist and encourage students to perform at their full potential. The school is located at the edge of an industrial area, near the Port of Brownsville, where students can see a variety of industrial projects and different job opportunities, offering the school a variety of guest speakers available to make real-world connections to math, science and CTE. Other strengths include the variety of background experiences Rivera teachers provide to augment the content of their courses, making learning more relevant.

## Need Statements Identifying Demographics Needs

**Need Statement 1 (Prioritized):** Students in all sub-populations need a variety of interventions to ensure they complete their coursework successfully. **Data Analysis/Root Cause:** Historically EL and IDEA students have scored lower than their counterparts in ELA and math.

**Need Statement 2 (Prioritized):** Coding needs to be correct for all sub-pops on Powerschool and Parent and Home Liaisons need to acquire updated documentation by conducting home visits - mileage reimbursements will be needed. **Data Analysis/Root Cause:** Errors in coding affect funding, assessment costs, and accountability.

# Student Learning

## Student Learning Summary

Our ECHS designation enables students to attend college courses and the campus offers a wide variety of certifications, AP courses, and dual enrollment courses through Texas Southmost College and University of Texas RGV. Scores on college entrance exams, AP courses and dual enrollment courses rose this year and the expectation is that they will continue to improve with the emphasis this designation and the excitement this opportunity generates in the community.

Incoming 9th grade students' scores from Reading and Math determine whether they require blocked classes in English and Math or advanced classes such as Geometry or AP Human Geography.

Content teachers in English I, US History and Math conducted regular formative assessments and met weekly or more often to discuss data and teaching strategies. Biology used their own formative assessments and English II met and tested less regularly as a group. Students attended tutorials during the week and on weekends, but many students who really needed help did not attend.

## Student Learning Strengths

Data from college enrollments have increased.

Students are challenging themselves and one another. This is a new trend on campus.

## Need Statements Identifying Student Learning Needs

**Need Statement 1 (Prioritized):** Need to provide computers, software, and accompanying technology and installation critical to virtual and synchronous instruction to ensure optimal student achievement. **Data Analysis/Root Cause:** Teachers and students do not currently have the technology expertise necessary to adequately prepare for college and jobs of the future in a virtual setting.

**Need Statement 2 (Prioritized):** Students need additional instructional time before and after school for extended day tutorials with transportation. **Data Analysis/Root Cause:** Practice and the tiering of difficult concepts is more effective for some students in a limited or small group setting.

**Need Statement 3 (Prioritized):** Instructional and consumable supplies, including printing costs, are necessary for instructional purposes. **Data Analysis/Root Cause:** Students require differentiated instructional materials and some are not able to access online materials.

# School Processes & Programs

## School Processes & Programs Summary

To ensure well-rounded graduates, students need to have access to many opportunities outside their narrow field of vision. Students need to be able to travel to IHEs, visit a variety of businesses, hear representatives from different fields of service talk about the jobs they perform, how much money they make, where they travel, how they learn on the job, what kind of people they meet and how they have learned to interact with people from different circumstances. Students need to learn how to organize their time, plan their tasks, and complete intricate assignments successfully. (1.4.1, 1.4.2)

To ensure well-prepared teachers, qualified to teach complex subject material and assign and score complex tasks, teachers need to have experiences, training and professional development to prepare them for the requirements of HB5 coursework, dual enrollment vertical alignment, and introduce them to experiences one would find in multicultural metroplexes where big business provides opportunities to students that are not available in this locale. (1.6.1)

To ensure the campus staff and parents understand the scope of learning today's student should envision, opportunities for campus staff and parents need to be exposed to the types of learning experiences their children have in an Early College High School.

Rivera provides several instructional programs that interface with one another in support of HB5.

- Career and Technology pathways (STEM, Business, Public Service, Arts & Humanities, and Interdisciplinary Studies)
- Advanced Placement (22 offerings)
- Early College High School
  - Dual Enrollment 9th Grade Cohort (preparing students in the cohort to complete high school and receive their Associates Degree simultaneously)
  - wall-to-wall dual enrollment (students in grades 10-12 have the opportunity to enroll in college courses as they become eligible)
- Core Complete (students can obtain the requirements for Core Completion, enabling them to transfer the core to any college in Texas)
- TSI Ready (students pass all 3 TSI college prep exams so they can enroll in college coursework in high school or after graduation)

For student success and for instruction, a Technology Support Teacher (TST) must be available throughout the day to respond to the increasing demands of installing, setting up, and training high school and college teachers and students for the changes in technology and prepare them for college and workforce.

Some faculty members currently attend masters courses in preparation to teach dual enrollment. Support from the campus administration and the district enable them to pay reduced tuition. Support from TEA's ECHS Blueprint and coach guides the campus and faculty toward greater success through regular visits and coaching to adhere to the 2018-2019 Blueprint Design. AVID is a vital component of our freshmen coursework and is supported by administration.

Teachers meet in departments and in strands to prepare for lesson implementation and to review data and teacher-made assessments. Strand leaders are crucial to the positive outcomes necessary for successful implementation and intervention.

## School Processes & Programs Strengths

Faculty professional development is ongoing and efforts are made to provide opportunities for personal growth, time to share and learn in risk-free environments, and time to plan after self-reflection. Staff members are involved in decisionmaking activities and suggestions are taken seriously. The Parent Center, run by our Parent Liaison, is a vital part of our Raider Community, providing skills and services to our parents to strengthen students' experience at our school.

## Need Statements Identifying School Processes & Programs Needs

**Need Statement 1 (Prioritized):** Professional staff needs training, professional development, and opportunities to attend conferences to hone skills and provide scaffolded instruction for students struggling with content and self discipline. Substitutes are needed to assist during teacher training and testing. **Data Analysis/Root Cause:** Teachers need to stay abreast of cutting edge teaching research-based methodologies, pedagogy and engagement techniques and some training occurs during the school day.

**Need Statement 2 (Prioritized):** To satisfy the Early College designation, campus students need a full-time College Advisor, AVID training, opportunities to take AP, SAT, ACT and TSIA assessments. Eighth graders also need a transitional Summer Bridge program to prepare for the rigor of high school and college coursework. **Data Analysis/Root Cause:** Students enter high school unprepared for the technological, academic, and assessment demands of high school coursework and college admission processes.

# Perceptions

## Perceptions Summary

The designation of Early College High School changes the climate of the school by elevating the expectation of the entire staff, which filters to the students. Multiple ways of sharing information are used to make certain all teachers and staff members understand the goals set for the campus and the means of meeting those goals.

This year there is an air of excitement and although there have been many changes, the teachers and staff have been very patient in the process. Everyone feels the momentum and extends their enthusiasm to the students. Change to our dual enrollment designation as a "School within a School" targets a cohort of 126 our incoming freshmen, some of those offerings extended to freshmen; the supper program providing an evening meal to every student during days of tutorial; extended tutorial opportunities, some of which are for college entrance exam preparation; dress code for teachers, - all lend an air of sophistication and elevates the expectation of everyone on campus. Everyone seems ready to work a little harder for every student's success.

There is a collective vision for Early College High School on this campus. All teachers are working together with a positive attitude. Students are excited about the opportunity to enroll in college coursework while they are in high school and many understand the positive benefits of attending college.

## Perceptions Strengths

Teachers are encouraged to share ideas, offer suggestions, and attend training as requested. Teachers are open to new teaching methodologies as long as they are perceived as valuable to the overall work and can be woven together for the greater good of the campus and student achievement.

## Need Statements Identifying Perceptions Needs

**Need Statement 1 (Prioritized):** Multiple parental presentations at flexible dates and times are needed to provide an awareness of high school expectations and methods to support students success. Refreshments and supplies need to be included. **Data Analysis/Root Cause:** Most of our parents have not completed high school nor have they attended college.

**Need Statement 2 (Prioritized):** Students need to be encouraged by everyone to attend class, be prompt, complete assignments on time, and focus on the future. Incentives and awards need to be provided for teacher attendance and also provided for student attendance, academic improvement, and achievement. **Data Analysis/Root Cause:** Teachers and students lack motivation without positive reinforcement, a sense of belonging, and teamwork.

**Need Statement 3 (Prioritized):** The campus needs to ensure support for all district events and meetings, allocate funding for students who advance to participate in competition, and provide timely announcements regarding teacher and students' successes. to Public Information. **Data Analysis/Root Cause:** By maintaining a presence in various venues, we can consistently improve campus pride from students, staff and the community in academic and extracurricular activities.

## Performance Objective 1 Need Statements:

Student Learning
<p><b>Need Statement 1:</b> Need to provide computers, software, and accompanying technology and installation critical to virtual and synchronous instruction to ensure optimal student achievement. <b>Data Analysis/Root Cause:</b> Teachers and students do not currently have the technology expertise necessary to adequately prepare for college and jobs of the future in a virtual setting.</p> <p><b>Need Statement 2:</b> Students need additional instructional time before and after school for extended day tutorials with transportation. <b>Data Analysis/Root Cause:</b> Practice and the tiering of difficult concepts is more effective for some students in a limited or small group setting.</p> <p><b>Need Statement 3:</b> Instructional and consumable supplies, including printing costs, are necessary for instructional purposes. <b>Data Analysis/Root Cause:</b> Students require differentiated instructional materials and some are not able to access online materials.</p>

**Goal 1:** BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

**Performance Objective 2:** Rivera ECHS Career and Technical Education student participation will increase by 5 percentage points over 2020 including special population students and CCMR graduates will improve over prior year graduates.

**Evaluation Data Sources:** PBMA reports, CTE enrollment PEIMS reports, CCMR reports

**Summative Evaluation:** Significant progress made toward meeting Objective

#### Performance Objective 4 Need Statements:

Demographics
<b>Need Statement 1:</b> Students in all sub-populations need a variety of interventions to ensure they complete their coursework successfully. <b>Data Analysis/Root Cause:</b> Historically EL and IDEA students have scored lower than their counterparts in ELA and math.
Student Learning
<b>Need Statement 2:</b> Students need additional instructional time before and after school for extended day tutorials with transportation. <b>Data Analysis/Root Cause:</b> Practice and the tiering of difficult concepts is more effective for some students in a limited or small group setting.
School Processes & Programs
<b>Need Statement 2:</b> To satisfy the Early College designation, campus students need a full-time College Advisor, AVID training, opportunities to take AP, SAT, ACT and TSIA assessments. Eighth graders also need a transitional Summer Bridge program to prepare for the rigor of high school and college coursework. <b>Data Analysis/Root Cause:</b> Students enter high school unprepared for the technological, academic, and assessment demands of high school coursework and college admission processes.

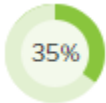

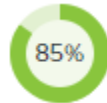

**Goal 1:** BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

**Performance Objective 5:** Increase number of students in co-curricular and extra-curricular advancing in Math, Science, Social Studies, ELA, Fine Arts, and CTE Programs by 3% over 2019-2020 participation.

**Evaluation Data Sources:** Regional and State competition participation numbers

# **Title I Schoolwide Elements**

## **ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)**

### **1.1: Comprehensive Needs Assessment**

On May 7, 2020 the Rivera ECHS SBDM committee met via Zoom #698-061-093 to begin the process for completing/updating the Comprehensive Needs Assessment.

Data Sources Used:

- (1) Student/Parent/Staff Surveys (BISD ARE Department provided results to campus)
- (2) Use of data from academic assessments - Due to COVID 19 there were no STAAR/EOC Scores to review, BISD Benchmarks / CPAS
- (3) Data Analysis Meetings (BOY/MOY Benchmark Results)...record of dates, agendas, sign-in sheets with Dean of Instruction
- (4) Number of students failing per six weeks and ultimately attending summer school based on report card grade (six weeks failing reports)
- (5) Number of students on RtI's
- (6) Formal and informal communication with parents (communication logs).
- (7) College Tests (ACT, SAT, AP, TSI)

Summary of CNA: The above allowed the campus to strengthen the core academic program by constantly planning targeted skills, routines and developing quality interventions to meet the educational needs of all students. Areas of strengths and needs were identified and documented. CNA Process: The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on these needs, the committee decided to concentrate on improving the passing rate of all students equally, including student in sub groups such as: Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on all state assessments.

The goal is to have 90 percent of all students and all student sub populations passing all parts of state mandated assessments for the 2020-2021 school year and to increase the Masters performance level in all content areas.

## **ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)**

### **2.1: Campus Improvement Plan developed with appropriate stakeholders**

Campus Needs Assessment Committee adopted the Goals and Performance Objectives of the District Improvement Plan and reviewed the needs generated from the Parent, Teacher, and Student Surveys and data from the Needs Assessment Committee. Strand leaders met with the department chairs and identified strategies important to the improvement. Allocated funding was assigned to those strategies in the Campus Improvement Plan. Elements of the Campus Improvement Plan are reviewed weekly with Sub Committees on Thursdays and also at monthly meetings for the entire SBDM. The Campus Improvement Plan is available in its entirety on both the District and Campus websites: [www.bisd.us](http://www.bisd.us) and [www.bisd.us/rivera](http://www.bisd.us/rivera).

On May 7, 2020 the Rivera ECHS SBDM committee met via Zoom #698-061-093 to begin the process for completing/updating the Comprehensive Needs Assessment.

## 2.2: Regular monitoring and revision

The Campus Improvement Plan is monitored quarterly for progress and revision. In addition, sub-committees are formed to address formative decisions and provide data and feedback to use in SBDM as needed.

The first SBDM Meeting to address the 2020-2021 CCNA was on May 7, 2020.

## **2.3: Available to parents and community in an understandable format and language**

The Campus Improvement Plan is located on the school website ([www.riveraechs.bisd.us](http://www.riveraechs.bisd.us)) in addition to the district website ([www.bisd.us](http://www.bisd.us)) and is written in simple language and includes visuals that are easy to understand.

The Campus Improvement Plan can be orally translated to Spanish upon request.

## **2.4: Opportunities for all children to meet State standards**

The Campus Improvement Plan includes strategies based on scientific, research-based protocols with scaffolded expectations and rewards for student success. Stakeholders have shared ideas from many perspectives and incorporated them for the coming year's instruction to ensure progress for each student.

The campus provides the following opportunities for all students to meet State standards:

1. Each teacher provides an overview, resources, lessons and sample evaluations on their course Weebly online, available 24 hours per day.
2. Each department provides extended day tutorial opportunities for students before and after school, on campus and a minimum of two times at the university.
3. Computer Software is provided with student access 24/7 to practice or complete assignments in virtually every course for instruction and assessment.
4. New textbooks were purchased for English I and II to provide TEKS aligned Honors standards to all English I and II students to improve scores on STAAR and TSI.
5. Computers and iPads are available for teachers to use with their classes to access the internet, practice skills, or assess.
6. The campus provides space in the library with technology and teachers to assist students 3 days per week until 7pm.
7. AVID-trained teachers use scientifically-based strategies with students to promote responsibility and good study habits.

## **Schoolwide Reform Strategies that the school will be implementing to address school needs:**

Rivera ECHS will provide opportunities for all children, including each of the subgroups of students (economically disadvantage students, students from major racial and ethnic groups, children with disabilities and English learners [Sec 1111(c)(2)]) to meet the challenging State academic standards.

Examples:

**Goal#1 - Performance Objective #4 - Strategy#3**

## **2.5: Increased learning time and well-rounded education**

Opportunities for extended learning time through web-based programs, tutorials, and weekend events provide assistance for students struggling with difficult concepts. Students are provided supper after school to prepare them for extracurricular activities and academic events in addition to transportation when needed to assist in participation.

Several times per year the campus invites the community to attend concerts, recitals, shows, and expositions where students spotlight academic learning. Each Open House students showcase important concepts they have learned by holding demonstrations in the lobby and other open areas of the campus.

All students are encouraged to excel by studying to pass the Reading, Writing, and Math portions of the TSI and enroll in Advanced Placement and Dual Credit courses with the college and university to propel them into their chosen career pathway.

Opportunities to participate in the Student by Student Leadership Conference, RGV Lead, and other valley leadership conferences give students an opportunity to see what the rest of the regional students are studying and what issues our community face now and in the future. This campus promotes United Nations' 17 Sustainable Goals which connects our students to the rest of the world by understanding that everything they learn will provide the skills to find solutions to the world's problems:

Students use the Goals to make connections to their learning.

### **Schoolwide Reform Strategies that the school will be implementing to address school needs:**

Rivera ECHS will use methods and instructional strategies that strengthen the academic program in the school, increase the amount and quality of learning time, and help provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a wellrounded education.

Examples:

**Goal#1 - Performance Objective #1 - Strategy#1**

**Goal#1 - Performance Objective #1 - Strategy#2**

## **2.6: Address needs of all students, particularly at-risk**

Each year begins with a Walk for the Future to visit the homes of students who have not yet enrolled in school, explain how important they are, meet their families and urge them to come back to school to complete their education. This campus reaches out to homeless students and provides food, clothing and sometimes shelter or assistance with utilities enabling them to attend school regularly. The migrant program includes a classroom/computer lab where students can work to regain credits, receive academic help, are provided school supplies, food, and connections to other support measures to make their lifestyle less demanding.

This campus provides a full-time nursing staff and well-supplied exam rooms to serve students needing medical assistance throughout the day. The nursing staff also organizes Health Fairs during Open House and works as a vital component of our CATCH team, providing training for our students on breast and testicular cancer, diabetes, smoking, allergies, CPR, Epipen, and Blood-borne Pathogens.

Our Library Media Service provides a Makerspace for students to explore technology, learn how things work, learn to and participate in recycling technology parts, train students to provide technology training to teachers and staff district-wide, and provide resources so students can create products using VIVE VR, greenscreen, robots/coding, 3D printing, and other types of problem-solving and creative products.

Our Parent Liaison holds weekly meetings with parents to provide information on the many programs available to students to prepare them for their future. The College Advisor, teachers, program instructors, and the testing coordinator all meet with parents on schedule to provide information and answer questions. Strategies for parents to use to prepare their children to be successful are always on the agenda. Summer Bridge students always have an invitation for parents to see what they are learning to prepare for high school and college coursework.

Response-to-Intervention, Dyslexia, 504, and At-Risk personnel are the primary campus experts on campus and address the learning concerns posed by trained teachers when students need additional support. Attendance Liaisons visit homes when questions arise about attendance and other concerns. A Communities in Schools representative provides intensive one-on-one support to the student and family in dire situations and the campus also houses a probation officer and at-risk counselor.

## Schoolwide Reform Strategies that the school will be implementing to address school needs:

Rivera ECHS will address the needs of all students in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards.

## ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

### 3.1: Develop and distribute Parent and Family Engagement Policy

With support from the District Parental Involvement department, our campus parent representatives met to review and revise our Parent and Family Engagement Policy. The Policy is distributed in English and Spanish to parents at the beginning of the year, and is located on our website.

Updates to the Policy are made public as they occur.

The beginning of the development and distribution of the Parent and Family Engagement Policy started on May 7, 2020.

This is the list of the people and titles who developed, reviewed, and revised the Rivera ECHS Parent and Family Engagement Policy.

### 3.2: Offer flexible number of parent involvement meetings

Parents attend events and meetings throughout the year at this campus and at different times of the day and evening. There are Gear Up and 21st Century parent meetings each month for the parents of the Gear Up and 21st Century students identified at the beginning of each school year. The band, choir, football, soccer, estudiantina, basketball, track, softball, and other groups - all of which include a parental support group meet regularly to support their students but also to make suggestions for the improvement of the school as a whole.

**Our Parent Liaison meets with parents every week on Monday mornings** and has a schedule of services including speakers for topics of interest for parents, meetings with teachers, information sessions about college readiness, healthy lifestyles, parenting, community guest speakers, financial aid for college, and other topics generated by our annual survey and discussions throughout the year with parents. Rivera is proud to provide parental involvement services through the following partnerships:

1. Texas Southmost College 21st Century Grant which provides Deans from each School and Admissions personnel to walk parents through the college application process monthly. They also provide training for parents selected as Advisors to assist in targeting topics of interest to parents and providing Round Table Discussions.
2. Texas A&M College Advisor who presents various topics at Parent Meetings.
3. GEARUp for the students entering this summer into Rivera as freshmen. This grant will match funding for this cohort of students and provide training for parents throughout their high school career, starting in August.

In addition to the weekly meetings, parents will be offered a flexible number of meetings presented on dates/times other than Monday mornings throughout the school year to reiterate the same information from weekly meetings and to provide them information on...

- (1) Title IA required activities and funding,
- (2) Parental Involvement Policy that delineates how parents can actively be involved at the district/campus level,
- (3) School-Parent-Student Compact indicating group responsibility to ensure student achievement,
- (4) An Annual Title I meetings to inform parents of services provided through Title I funds,
- (5) Description and explanation of the curriculum used at school, the forms of academic assessments use to measure student progress and achievement levels of the challenging State academic standards

(6) Literacy and Technology training to help parents work with their children to improve their children's achievement

This campus has a full-time Parent Liaison that plans training and activities for parents based on their interests and she also provides suggestions for the academic improvement of their children. This is supported through the district Parental Involvement Department office, whose website includes a schedule of activities, upcoming events, resources in English and Spanish, and support staff to provide training and support throughout the school life of the students they serve. This effort results in training sessions on healthy eating and exercise, cooking classes, ZUMBA, craft classes, cyberbullying, state testing, college awareness, financial aid, and other topics designed to improve communication among parents, between teachers and parents, and parents and their children.

In addition to these, the campus hosts Open House two times per year and always includes a Health Fair and different related events.

Other parent meetings address the topics related to college readiness, preparation for college, dual enrollment and concurrent enrollment, FAFSA and financial aid, scholarships, college careers, local college and university options, career pathways, military careers, and the various tests students take such as AP, ACT, PSAT, SAT, TSI, and ASVAB.

Parents review the SBDM agenda and are solicited for SBDM topics monthly during their Monday meetings. Parents are invited to campus SBDM meetings and participate in 21st Century Advisory Meetings Upward Bound Parent Meetings, and ECHS Parent Meetings where their opinions and requests are valued as part of the decision-making process.

**Note:** This policy addresses discrimination, harassment, and retaliation involving District students. For provisions regarding discrimination, harassment, and retaliation involving District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. Note that FFH shall be used in conjunction with FFI (bullying) for certain prohibited conduct.

---

**Statement of  
Nondiscrimination**

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

**Discrimination**

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, disability, age, or on any other basis prohibited by law, that adversely affects the student.

**Prohibited  
Harassment**

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Prohibited harassment includes dating violence as defined by this policy.

**Examples**

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

**Sexual Harassment**

By an Employee

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
  - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
  - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DH]

By Others

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

**Gender-Based Harassment**

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

**Dating Violence**

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Examples

Examples of dating violence against a student may include physical or sexual assaults; name-calling; put-downs; or threats directed at the student, the student's family members, or members of the

student's household. Additional examples may include destroying property belonging to the student, threatening to commit suicide or homicide if the student ends the relationship, attempting to isolate the student from friends and family, stalking, threatening a student's spouse or current dating partner, or encouraging others to engage in these behaviors.

**Retaliation**

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, serves as a witness, or participates in an investigation.

**Examples**

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

**False Claim**

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action.

**Prohibited Conduct**

In this policy, the term "prohibited conduct" includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

**Reporting  
Procedures**

**Student Report**

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a teacher, school counselor, principal, other District employee, or the appropriate District official listed in this policy.

**Employee Report**

Any District employee who suspects or receives notice that a student or group of students has or may have experienced prohibited conduct shall immediately notify the appropriate District official listed in this policy and take any other steps required by this policy.

*Definition of  
District Officials*

For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

*Title IX

<i>Superintendent</i>	The Superintendent shall serve as coordinator for purposes of District compliance with all other nondiscrimination laws.
<b>Alternative Reporting Procedures</b>	<p>A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.</p> <p>A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.</p>
<b>Timely Reporting</b>	Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.
<b>Notice to Parents</b>	<p>The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult.</p> <p>[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]</p>
<b>Investigation of the Report</b>	The District may request, but shall not require, a written report. If a report is made orally, the District official shall reduce the report to written form.
Initial Assessment	<p>Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District shall immediately undertake an investigation, except as provided below at Criminal Investigation.</p> <p>If the District official determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy, the District official shall refer the complaint for consideration under FFI.</p>
Interim Action	If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the District shall promptly take interim action calculated to address prohibited conduct or bullying prior to the completion of the District's investigation.
District Investigation	The investigation may be conducted by the District official or a designee, such as the principal, or by a third party designated by the District, such as an attorney. When appropriate, the principal shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

**Criminal  
Investigation**

If a law enforcement or regulatory agency notifies the District that a criminal or regulatory investigation has been initiated, the District shall confer with the agency to determine if the District investigation would impede the criminal or regulatory investigation. The District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has finished gathering its evidence, the District shall promptly resume its investigation.

**Concluding the  
Investigation**

Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the District to delay its investigation, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall include a determination of whether prohibited conduct or bullying occurred. The report shall be filed with the District official overseeing the investigation.

*Notification of  
Outcome*

Notification of the outcome of the investigation shall be provided to both parties in compliance with FERPA.

**District Action**

**Prohibited Conduct**

If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the Student Code of Conduct and may take corrective action reasonably calculated to address the conduct.

*Corrective Action*

Examples of corrective action may include a training program for those involved in the complaint, a comprehensive education program for the school community, counseling to the victim and the student who engaged in prohibited conduct, follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where prohibited conduct has occurred, and reaffirming the District's policy against discrimination and harassment.

**Bullying**

If the results of an investigation indicate that bullying occurred, as defined by FFI, the District official shall refer to FFI for appropriate

notice to parents and District action. The District official shall refer to FDB for transfer provisions.

**Improper Conduct**

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take disciplinary action in accordance with the Student Code of Conduct or other corrective action reasonably calculated to address the conduct.

**Confidentiality**

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

**Appeal**

A student or parent who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. A student or parent shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

**Records Retention**

The District shall retain copies of allegations, investigation reports, and related records regarding any prohibited conduct in accordance with the District's records retention schedules, but for no less than the minimum amount of time required by law. [See CPC]

**Access to Policy and Procedures**

Information regarding this policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and readily available at each campus and the District's administrative offices.

PLANNING AND DECISION-MAKING PROCESS

(LEGAL)

**Planning and  
Decision-Making  
Process**

A board shall adopt a policy to establish a district- and campus-level planning and decision-making process that will involve the professional staff of a district, parents of students enrolled in a district, business representatives, and community members in establishing and reviewing the district's and campuses' educational plans, goals, performance objectives, and major classroom instructional programs. *Education Code 11.251(b)*

The planning and decision-making requirements do not:

1. Prohibit a board from conducting meetings with teachers or groups of teachers other than the district-level committee meetings.
2. Prohibit a board from establishing policies providing avenues for input from others, including students or paraprofessional staff, in district- or campus-level planning and decision making.
3. Limit or affect the power of a board to govern the public schools.
4. Create a new cause of action or require collective bargaining.

*Education Code 11.251(g), .252(e), .253(f)*

**Evaluation**

At least every two years, a district shall evaluate the effectiveness of the district's decision-making and planning policies, procedures, and staff development activities related to district- and campus-level decision making and planning to ensure that they are effectively structured to positively impact student performance. *Education Code 11.252(d)*

**Administrative  
Procedure**

A board shall ensure that an administrative procedure is provided to clearly define the respective roles and responsibilities of the superintendent, central office staff, principals, teachers, district-level committee members, and campus-level committee members in the areas of planning, budgeting, curriculum, staffing patterns, staff development, and school organization.

A board shall ensure that the district-level planning and decision-making committee will be actively involved in establishing the administrative procedure that defines the respective roles and responsibilities pertaining to planning and decision making at the district and campus levels.

*Education Code 11.251(d)*

*Education Code 11.251(a)*

Shared Services  
Arrangement for  
DAEP Services

A district participating in a shared services arrangement for disciplinary alternative education program (DAEP) services shall ensure that the district improvement plan and each campus-level plan include the performance of the DAEP student group for the district. The identified objectives for the improvement plans shall include:

1. Student groups served, including overrepresentation of students from economically disadvantaged families, with ethnic and racial representations, and with a disability who receive special education and limited English proficiency services;
2. Attendance rates;
3. Pre- and post-assessment results;
4. Dropout rates;
5. Graduation rates; and
6. Recidivism rates.

**Note:** This policy addresses bullying of District students. For purposes of this policy, the term bullying includes cyber-bullying.

For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.

---

**Bullying Prohibited**

The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Examples

Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.

**Retaliation**

The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.

Examples

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

**False Claim**

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

**Timely Reporting**

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

**Reporting  
Procedures**

Student Report

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.

Employee Report

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

**Assignments**

A board or its designee may assign and transfer any student from one school facility or classroom to another facility or classroom within its jurisdiction. *Education Code 25.031*

A board or its designee must make the decision concerning the assignment or transfer of a student on an individual basis and may not consider as a factor in its decision any matter relating to the national origin of the student or the student's ancestral language. *Education Code 25.032*

**Multiple Birth Siblings**

"Multiple birth sibling" means a twin, triplet, quadruplet, or other sibling resulting from a multiple birth.

"Parent" includes a person standing in parental relation.

**Placement**

The parent of multiple birth siblings who are assigned to the same grade level and school may request in writing, not later than the 14th day after the first day of enrollment, that the school place the siblings in the same classroom or in separate classrooms.

A school shall provide the placement requested, except that a district is not required to place multiple birth siblings in separate classrooms if the request would require the district to add an additional class to the grade level of the siblings.

The school may recommend to a parent the appropriate classroom placement and may provide professional educational advice to assist the parent with the decision.

These provisions do not affect:

1. A right or obligation regarding the individual placement decisions of the admission, review, and dismissal (ARD) committee with respect to students receiving special education services [see EHBAB]; or
2. The right of a district or teacher to remove a student from a classroom under Chapter 37 [see FOA].

**Reassignment by Principal**

At the end of the first grading period following the multiple birth siblings' enrollment in the school, if the principal of the school, in consultation with the teacher of each classroom in which the siblings are placed, determines that the requested classroom placement is disruptive to the school, the principal may determine the appropriate classroom placement for the siblings.

**Appeal**

A parent may appeal the principal's classroom placement in the manner provided by district policy. During an appeal, the siblings shall remain in the classroom chosen by the parent. [See FNG]

**Placement of Older Students**

A person who is 21 years of age or older who is admitted by a district to complete the requirements for a high school diploma and who has not attended school in the three preceding school years may not be placed with a student who is 18 years of age or younger in a classroom setting, a cafeteria, or another district-sanctioned school activity. This restriction does not prevent the student from attending a school-sponsored event that is open to the public as a member of the public. *Education Code 25.001(b-2)*

**Petitions and Objections**

The parent or person standing in parental relation to any student may by written petition either:

1. Request the assignment or transfer of the student to a designated school or to a school to be designated by the board; or
2. File objections to the assignment of the student to the school to which the student has been assigned.

*Education Code 25.033, 26.003(a)(1)*

**Procedure**

Upon receiving a written petition, a board shall proceed as follows:

1. If no hearing is requested, act on the petition not later than the 30th day after the petition is submitted and notify the petitioner of its conclusion; or
2. If a hearing is requested, designate a time and place for holding a hearing not later than the 30th day after the petition is submitted.

If a hearing is requested, it shall be conducted by a board in compliance with the following:

1. The petitioner may present evidence relevant to the student.
2. The board may conduct investigations as to the objection or request, examine any student involved, and employ agents, professional or otherwise, for the purpose of examinations and investigations.

**Board's Decision**

The board must grant the request made in the petition unless the board determines that there is a reasonable basis for denying the request. The decision of a board, with or without a hearing, is final, unless the student, or the parent, guardian, or custodian of the student as next friend, files an exception to the decision as constituting a denial of any right of the student guaranteed under the U.S. Constitution.

If such an exception is filed, a board may reconsider its decision. If a board has not ruled on the exception before the 16th day after the date of the filing, the objection is considered overruled. If the

exception is overruled, an appeal of a board's decision may be filed in the district court of the county in which the board is located.

*Education Code 25.034*

**Students Who Are  
Victims of Bullying**

On the request of a parent or other person with authority to act on behalf of a student who is a victim of bullying, a board or its designee shall transfer the victim to:

1. Another classroom at the campus to which the victim was assigned at the time the bullying occurred; or
2. A campus in the district other than the campus to which the victim was assigned at the time the bullying occurred.

**Students Who  
Engage in Bullying**

The board may transfer the student who engaged in bullying to:

1. Another classroom at the campus to which the victim was assigned at the time the bullying occurred; or
2. A campus in the district other than the campus to which the victim was assigned at the time the bullying occurred, in consultation with a parent or other person with authority to act on behalf of the student who engaged in bullying.

The transfer of a student with a disability who receives special education services and who engaged in bullying may be made only by a duly constituted ARD committee under Education Code 37.004.

Definition

"Bullying" has the meaning assigned by Education Code 37.0832. [See FFI]

Verification

A board or designee shall verify that a student has been a victim of bullying before transferring the student. A board may consider past student behavior when identifying a bully.

The determination by a board or designee is final and may not be appealed. The procedures set forth at Education Code 25.034 [see Petitions and Objections—Procedure, above] do not apply to a transfer under this provision.

A district is not required to provide transportation to a student who transfers to another campus under this provision.

**Others in Special  
Education Student's  
Household**

If a district assigns a student to a district campus other than the campus the student would attend based on the student's residence, for purposes of receiving special education services, the district shall permit the student's parent, guardian, or other person standing in parental relation to the student to obtain a transfer to the assigned campus for any other student residing in the household of the student receiving special education services, provided that:

1. The other student is entitled to attend school in the district [see FD]; and
2. The appropriate grade level for the other student is offered at the campus.

This provision does not apply if the student receiving special education services resides in a residential facility.

Education Code 25.034 [see Petitions and Objections—Procedure, above] does not apply to a transfer under this provision.

Transportation

A district is not required to provide transportation to a student who transfers to another campus under this provision. This provision does not affect any transportation services provided by a district in accordance with other law for the student receiving special education services.

*Education Code 25.0343*

**Students in  
Unacceptable  
Schools**

A student is eligible to attend another public school in the district in which the student resides if the student is assigned to attend a public school campus assigned an unacceptable rating that is made publicly available under Education Code 39.054 for:

1. The student achievement domain under Education Code 39.053(c)(1); and
2. The school progress domain under Education Code 39.053(c)(2). [See AIA]

*Education Code 29.202(a) [See FDAA]*

**Students in Schools  
Identified for  
Support and  
Improvement**

A district may provide all students enrolled in a school identified by TEA for comprehensive support and improvement under 20 U.S.C. 6311(c)(4)(D)(i) with the option to transfer to another public school served by the district, unless such an option is prohibited by state law.

A district shall give priority to the lowest achieving children from low-income families. A student who uses the option to transfer shall be enrolled in classes and other activities in the public school to

which the student transfers in the same manner as all other students at the public school.

A district shall permit a student who transfers to another school to remain in that school until the child has completed the highest grade in that school. A district may spend an amount equal to not more than five percent of its allocation under 20 U.S.C. Chapter 70, Part A, Subpart 2 (Title I basic program allocations) to pay for the provision of transportation for students who transfer under these provisions to the schools to which they transfer.

*20 U.S.C. 6311(d)(1)(D)*

---

**Note:** See FDE for the school safety transfer option in Title I programs.

---

**Class Changes**

A parent or person standing in parental relation is entitled to reasonable access to the school principal, or to a designated administrator with authority to reassign a student, to request a change in the class or teacher to which the parent's child has been assigned, if the reassignment or change would not affect the assignment or reassignment of another student. The decision of a board regarding such a request is final and may not be appealed. *Education Code 26.002, .003(a)(2), (b)* [See FNG]
