Please note that the majority of information in our handbooks is standardized and applies to all students K-12. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers or the building principal. This handbook replaces all prior handbooks and other written material on the same subjects. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guideline prevails. Current board policies and administrative guidelines are available on the district's website.

- e. A notification sent to the electronic mail address of the parent, guardian, or other person's wireless communication device;
- f. A visit, in person, to the student's residence of record.

ABSENCES, TARDINESS, AND TRUANCY

ABSENCES AND TARDIES

The following definitions determine how student absences from school are recorded. See Board Policy 5200 for additional rules regarding student absences.

- Tardy – Students who arrive within 90 minutes of the school starting time will be considered tardy.
- Half-Day Absence – Students who are in school for more than 90 minutes but less than 3 hours and 20 minutes will be considered a half-day (1/2 day) absent.
- Full-Day Absence – Students who are in school for less than 3 hours and 20 minutes will be considered a full-day absent.
- Early Departure – Students who leave within 90 minutes of the end of the day will be considered a p.m. tardy.

EXCESSIVE ABSENCES

Per Ohio law, the school will notify a student's parent/guardian whenever a student is absent from school with combined nonmedical excused absences and unexcused absences in excess of

- a. thirty-eight (38) or more hours in one (1) school month or
- b. sixty-five (65) or more hours in one (1) school year.

HABITUAL TRUANCY

Students shall arrive at school and be in the classroom for each of their assigned classes at the properly scheduled time. Per Ohio law, a student will be considered habitually truant if the student is absent without a legitimate excuse

- a. for thirty (30) or more consecutive hours,
- b. for forty-two (42) or more hours in one (1) school month, or
- c. for seventy-two (72) or more hours in one (1) school year.

When a student is habitually truant, the district will convene an Absence Intervention Team, to which the student's parent/guardian will be invited. The team will develop an Absence Intervention Plan to improve the student's attendance. If the student fails to make progress on the plan the district will report the student to juvenile court (Ohio Revised Code §3321.19).

EXCUSED ABSENCES

The following are typical conditions that may excuse a student from school attendance:

1. Personal illness or injury (a medical verification note may be required by the school principal);
2. Family illness - an emergency situation requiring the student to be absent from school;
3. Quarantine of the home by local health officials;
4. Death of a relative (limited to three days unless reasonable cause can be shown for a longer absence);
5. Observance of a religious holiday consistent with student's established creed or belief;
6. Good cause approved by the superintendent;
7. Emergency circumstances approved by the principal.

Students returning to school after an absence may bring a written note from their parents or guardian stating:

1. the dates of absences,
2. the reason for the absences,
3. the parent or guardian signature, and
4. the parent or guardian phone number.

UNEXCUSED ABSENCES

Upon returning to school following an absence or tardiness, students may give the homeroom teacher a note from the parent, guardian or medical professional stating the reason for the absence or tardiness. Parent notes must be submitted or the absence will be considered unexcused.

ILLNESS WHILE AT SCHOOL

If a student is sent home from school by the clinic staff for medical reasons, the absence for that school day will be counted as excused. Parents are requested to report all communicable diseases to the clinic.

EARLY DISMISSAL OF STUDENTS

When leaving for early dismissal, students are not allowed to wait in front of the building or to enter cars unless accompanied by a parent or guardian. These rules are necessary to ensure student safety. An authorized adult must come to the office to sign a child out. The parent or guardian must send a note each time there will be a change in a child's dismissal time or procedure. We will ask to see identification of any person we do not know and will not release a child to a babysitter, stepparent, or friend without prior authorization. We will follow the child's normal routine without a note from the parent.

CO-CURRICULAR PARTICIPATION

In order to participate in a school day practice or co-curricular activity, an elementary student must be in attendance a minimum of a half day and follow the guidance for Illness/Injury for a child. Field trips, Alternate Learning Experiences, medical/dental appointments, and special family situations may be excused by an administrator.

SPECIAL ABSENCES

Alternate Learning Experience (ALE) and Student Vacations During the School Year

The Olentangy Board of Education recognizes that educational experiences are not limited to those taking place within the building. It is desirable to afford students the opportunity to take advantage of an unusual opportunity to learn, provided those experiences have obvious educational benefits. Students may be required to submit a report or journal of their experience. Students are also permitted to take vacation with their family during the school year. ALE and student vacation absence days count as absences and state laws about excessive absences still apply in these circumstances.

If approved, school absences due to an ALE or vacation will be considered excused and schoolwork missed during the experience may be made up. Teachers will not be required to give homework assignments prior to the absence. Upon receiving an ALE or vacation request, the building administrator will do one of the following:

- a. approve the request,
- b. give conditional approval to the request, or
- c. deny the request.

Requests that would cause a student significant academic risk may be conditionally approved by the building administrator pending the student satisfactorily achieving relevant academic expectations. It should be noted that additional days absent, beyond the ALE or vacation could negatively impact the student academically (e.g. Third Grade Guarantee). An ALE will not be approved for longer than 10 days. Absences that are not approved for an ALE or vacation may be marked as unexcused.

To be granted an Alternate Learning Experience or vacation request, the student will meet the following criteria:

1. Submit an Alternate Learning Experience/Student Vacation Application one week prior to the proposed absence;
2. Document a valid learning content to the alternate experience, if applicable;
3. Demonstrate satisfactory attendance history; and
4. The ALE request must not fall within district testing windows.

An ALE or vacation request will not be approved for applications submitted after the experience, if there are academic concerns, for experiences that fall within district testing windows. An ALE or vacation request may be denied at the discretion of the building principal. Multiple ALEs and vacation requests are discouraged from being submitted in the same academic year.

WITHDRAWAL FROM SCHOOL

When withdrawing from Olentangy Local Schools, a parent or guardian must be present, sign the Withdrawal Notice, and the following must be met:

- a. All fees are paid, including library fines, etc.;
- b. Books are returned in satisfactory condition; and
- c. Assigned work is completed.

You must provide the address of the new school and your family's forwarding address. Your child's records will be sent within 14 days of our receiving a request for records from the new school.

CODE OF CONDUCT

Olentangy Local Schools' **Code of Conduct** seeks to foster self-discipline in all students and maintain an appropriate educational atmosphere. All students are expected to be responsible citizens and to conduct themselves properly and in accordance with Federal, State, and local laws, Board policies and Administrative Guidelines, and in a way that respects the rights and safety of others (Policy 5500-Student Conduct).

The Board believes that students should assume responsibility for their behavior and the consequences of their actions. The Board has zero tolerance of violent, disruptive, or inappropriate behavior by its students. (Policy 5600-Student Discipline)

Because the Board believes that students, staff members, and visitors are entitled to function in a safe school environment, students are required to report knowledge of dangerous weapons or threats of violence to the Principal. Failure to report such knowledge may subject the student to discipline. In addition, sexual harassment of a student may reasonably be considered child abuse that must be reported to the proper authorities.

This Code of Conduct is in effect while students are under the authority of school personnel or involved in any school activity. This includes but is not limited to school buses and property under the control of school authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs.

In addition, this Code of Conduct includes 1.) Misconduct by a student that occurs off school district but is connected to activities or incidents that have occurred on school district property; and 2.) Misconduct by a student that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee.

Furthermore, participation in extra-curricular activities, including interscholastic sports, is a privilege and not a right. Students may be prohibited from all or part of their participation in such activities for offenses or violations of the Student Code of Conduct or Athletic Code of Conduct. Students prohibited from participation in all or part of any extra-curricular activity are not entitled to further notice, hearing and/or appeal rights (see Policies 2431 – Interscholastic Athletics and 5610.05 – Prohibition from Extra-Curricular Activities).

Violation of the Code of Conduct may result in:

- Verbal or written warning or reprimand
- Parental contact or conference
- After-school, morning, or lunch detention
- Referral to school counselor
- In-School Detention (ISD)
- Out-of-School Suspension (OSS)
- Emergency removal
- Referral to law enforcement agencies
- Expulsion
- Permanent exclusion
- Compensatory payment of damages
- Loss of bus privileges
- Loss of credit for assigned work or tests
- Assigned work related to the offense
- Loss of other privileges

IMPORTANT NOTICES

- **Discipline of Students with Disabilities** – Students with disabilities are entitled to the rights and procedures afforded by the Individuals with Disabilities Education Improvement Act (I.D.E.I.A.), and, where applicable, the Americans with Disabilities Act (A.D.A.), and/or Section 504 of the Rehabilitation Act of 1973 (Policy 5610).

- Notification of Criminal Activity – School staff may report suspected criminal misconduct by a student to law enforcement. Law enforcement officers will be permitted to carry out necessary law enforcement functions in the schools, including the removal of a student from school grounds in appropriate circumstances.
- Surveillance – For student safety and welfare, video surveillance cameras are placed throughout the district in buildings, on school grounds, and on buses. Actions recorded on these cameras may be used as evidence in disciplinary action and these records will remain in possession of the school/district.

CODE OF CONDUCT VIOLATIONS

1. Disruption of School – Students shall not cause disruption or obstruction to the normal operation of this school or any other school or school district.
2. Harassment, Sexual Harassment/Violence, Bullying and/or Retaliation – Students or groups of students shall not harass, sexually harass, bully and/or retaliate against other students, school employees, persons that are guests of the school or persons conducting business for the school. This applies to but not limited to act or acts that create a hostile environment when it interferes with or limits a student's ability to participate in or benefit from the school's program. (Refer to Hazing, Harassment, Intimidation, Bullying, and Sexual Harassment/Violence section below)
3. Intimidation and / or Threats – Students shall not, through verbal, written, technological or any other means, make statements that state that physical or emotional harm may come to another person or to an institution. Bomb threats will result in a recommendation of expulsion from school.
4. Use of Obscene or Discriminatory Language / Materials / Actions / Gestures – Students shall not use obscene, vulgar, profane, or discriminatory language, make inappropriate gestures / actions or possess vulgar materials. Note: Discriminatory language is defined as verbal or written comments, jokes, and slurs that are derogatory towards an individual or group based on one or more of the following characteristics: race, color, national origin, sex (including sexual orientation and transgender identity), disability, age, religion, ancestry, or genetic information.
5. Attendance – No student shall fail to comply with state attendance laws including, but not limited to, truancy or tardiness from a specific class or school. No student shall leave school property or an assigned educational location once he or she has come under the supervision of a school employee, prior to specified dismissal times, without official permission.
6. Forgery – Students shall not misrepresent a signature on any document.
7. Damage of Property – Students shall not cause or attempt to cause damage of school property, including buses and bus seats, or personal property. Students shall not touch or handle another person's property without their authorization. Students must pay for any damages they cause to school equipment, materials or facilities and may be subject to additional disciplinary action. Anything, such as fire, that endangers school property and its occupants will not be tolerated. Arson is a felony.
8. Assault – Students shall not act or threaten to act in such a way as to cause physical injury to other students, any school employee, or other persons. Specific violations include but are not limited to:

No student shall fail to provide information, or supply false information, when it is requested.
10. Dangerous Weapons and Instruments – Students shall not possess, handle, transmit or conceal any dangerous weapon or instrument on school property, in a school vehicle or at any school-sponsored activity. Bringing a firearm (as defined in the Federal Gun-Free Schools Act of 1994) onto school property, competition, extracurricular event, or other school sponsored event, regardless of where it occurs, will result in a mandatory one (1) year expulsion under Ohio law. This expulsion may be reduced on a case-by-case basis by the superintendent.

Firearms (including starter pistols), objects that are indistinguishable from and/or represented as firearms, explosives, incendiary devices, and knives (any object with a blade and a handle) are considered dangerous weapons. Other instruments/devices may also be defined as dangerous weapons depending on their use or intended use. Should a student have knowledge of a weapon or dangerous instrument on school property, in a school vehicle or at a school-sponsored activity and not report it to a school employee, the student may be held to the same disciplinary measures as that of the perpetrator. (Refer to Ohio Revised Code §2923.122.) Specific violations include but are not limited to:

- a. Use, possession, sale, distribution, or knowledge of a firearm

- f. A weapon is any device that may be used for offensive or defensive purpose, including but not limited to conventional objects such as guns, pellet guns, knives, or club type implements. It may also include any toy that is presented as a real weapon or reacted to as a real weapon. Possession and/or use of a weapon may subject a student to expulsion and possible permanent exclusion.
- g. A knife is defined as any cutting instrument consisting of a sharp blade fastened to a handle, a razor blade or any similar device that is used for, or is readily capable of, causing death or serious bodily injury.
- h. Any object that is used to threaten, harm, or harass another may be considered a weapon. This includes but is not limited to padlocks, pens, pencils, laser pointers, and jewelry.

Tobacco products include, but are not limited to cigarettes, clove cigarettes, cigars, pipe tobacco, chewing tobacco, snuff or any other matter or substance that contains tobacco. Paraphernalia used for the consumption of tobacco products is prohibited including e-cigarettes and vaping devices. Per Senate Bill 218, administrators may refer violators of the tobacco policy to the Delaware Juvenile Court.

ALCOHOL, TOBACCO, AND DRUG PREVENTION GUIDELINES

The Board prohibits the use, possession, concealment, or distribution of any drug or any drug-related paraphernalia as defined by law, on school grounds, on school vehicles, or at any school-sponsored event. It further establishes a drug-free zone within 1000 feet of any facility used by the District for educational purposes (Policy 5530-Drug Prevention).

It is the primary objective of Olentangy Local Schools to assure that the education of all students proceeds in an efficient, orderly, and non-disruptive manner. Possessing, using, actual or attempted transmitting, buying, selling, or supplying of mood-altering chemicals or look-alike substances or paraphernalia on school premises is an obstacle to that objective and an interference with the rights of other students to receive quality academic instruction. While student drug education and referral to counseling resources will continue to be made available, such measures should be viewed as instructional or rehabilitative and will not ordinarily be considered as an alternative to the disciplinary measures specified in Section 9.

1. STATEMENT OF POLICY REGARDING STUDENTS

Students of Olentangy Local Schools, while on school property or at a school-sponsored activity, shall not possess, use, transmit, buy, sell, supply, or attempt to do so with a mood-altering chemical of any kind prior to or during the school day, at any school-sponsored activity or event or at any time while on school premises.

a. Definitions

- i. “Possession” includes, without limitation: holding in the student’s hand, retention on the student’s person or in purses, wallets, lockers, desks or any other personal possessions, or vehicles parked on school property or at school functions.
- ii. “Use of mood-altering chemical” is defined as manifesting signs of chemical misuse such as staggering, reddened eyes, odor of chemicals, nervousness, restlessness, memory loss, abusive language, falling asleep in class or any other behavior not normal for that particular student, or a preponderance of evidence that a student has used a mood-altering chemical.
- iii. “Tobacco” includes any product containing tobacco or nicotine that is smoked, chewed, inhaled, or placed against the gums.
- iv. “Mood-altering chemical” includes, without limitation, alcohol, marijuana, inhalants, ecstasy or other club drugs, depressants, stimulants, hallucinogens, narcotics, over-the-counter medications (including any over-the-counter pain medications containing aspirin, acetaminophen, ibuprofen, or any other pain relievers, any cough or cold medications, etc.), substances such as Betel Nut, Wite-Out, glue, toxic markers and caffeine pills. Prescription drugs are included, unless authorized by a medical prescription from a licensed physician and kept in the original container that states the student’s name and directions for proper use, according to Policy 5330-Use of Medications. See also Medication section of this policy. This list is intended for example only and not as a comprehensive list.
- v. “Counterfeit controlled substance” or look-alike drug is (Ohio Revised Code §2925.01(O)) means any of the following:
 1. Any drug that bears, or whose container or label bears a trademark, trade name or other identifying mark used without authorization of the owner of rights to such trademark, trade name or identifying mark.
 2. Any unmarked or unlabeled substance that is represented to be a controlled substance/mood-altering chemical, manufactured, processed,

packed, or distributed by a person other than the person that manufactured, processed, packed, or distributed it.

3. Any substance that is represented to be a controlled substance/mood-altering chemical but is not a controlled substance/mood-altering chemical or is a different controlled substance/mood-altering chemical.
4. Any substance other than a controlled substance/mood-altering chemical that a reasonable person would believe to be a controlled substance/mood-altering chemical because of its similarity in shape, size and color or its markings, labeling, packaging, distribution, or the price for which it is sold or offered for sale.

b. Jurisdiction

This policy extends to use of the above:

- i. On or in close proximity to any property owned, leased by or under the control of the Olentangy Board of Education, including vehicles used for the transportation of students.
- ii. During normal school hours, including recess, lunch and class changes, and summer school.
- iii. At any school-sponsored or sanctioned activity or event away from or within the school district.

2. STUDENT RESPONSIBILITY

Students are responsible for understanding the Olentangy Alcohol, Tobacco, and Drug Prevention Guidelines and the counseling services available to them.

3. PARENT RESPONSIBILITIES

The Olentangy Board of Education recognizes that parents are primarily responsible for their children. The link between school and parents is the child. The effectiveness of these Alcohol, Tobacco, and Drug Prevention Guidelines will be assisted by the cooperative effort of the family, the school officials, and the board.

4. STAFF RESPONSIBILITIES

All Olentangy staff members have the responsibility to report all suspected cases of drug and/or alcohol use, misuse, or abuse by students to the appropriate school officials. Staff members will report to the building official alleged possession, use, actual or attempted transmitting, buying, selling, or supplying of mood-altering chemicals, counterfeit or look-alike substances or paraphernalia. Staff will immediately notify the principal or principal's designee and may be required to submit a written report at a later time.

5. SCHOOL OFFICIALS' RESPONSIBILITIES

It is the responsibility of the school officials to inform students, staff, and parents about the drug and alcohol abuse policy of this school district and to share with these audiences any available pertinent information regarding the extent of the drug and alcohol problem in the school.

Except for the persons directly involved in the students' education and except as otherwise provided herein, all matters concerning reports of drug or alcohol abuse shall be and remain confidential.

When a school official has reason to believe that a student is in violation of the drug/alcohol code of conduct, the following action will be taken:

- a. The student will be informed of the alleged offense, the evidence to support the allegations and the disciplinary action that may apply.
- b. If the student is in need of medical attention, the school nurse and/or the local emergency squad will be notified to give medical attention.
- c. The parent or guardian of the student will be notified and asked to meet with the school officials. Only in the case of medical emergency or if the parent(s) cannot be reached will the person on the student's emergency call list be notified.
- d. School officials will cooperate fully with law enforcement agencies and report to them any information that would be considered beneficial in their efforts to stem the use of drugs and alcohol.
- e. Notification to the local law enforcement agency shall be in accordance with the provisions under each offense. When reported, a written record shall be made of the incident to the law enforcement official who, at their discretion, may conduct an investigation.

6. MEDICATION

The Olentangy Board of Education wishes to cooperate fully with students, parents, and the medical profession to ensure that students receive any required medication during the normal school day at the time that it is required. It is preferred that medications be administered to students at home; however, it is also recognized that certain circumstances may necessitate administering medications during school hours. Guidelines have been established to maintain control of authorized drugs within the schools and to ensure the health and welfare of students. In accordance with Ohio Revised Code §3313.713, all medications must be kept in a locked storage place and administered by school personnel unless medically prescribed to self-carry. Effective July 1, 2011, only employees of the Board who are licensed health professionals or who have completed a drug administration training program conducted by a licensed health professional and considered appropriate by the Board may administer to a student a drug prescribed for the student.

7. DRUG PARAPHERNALIA

Drug paraphernalia or instruments such as pipes, roach clips, syringes, pacifiers, hypodermic needles, cocaine spoons or kits, nitrous oxide paraphernalia, rolling papers, water pipes, and any other items normally or actually used for the packaging, conveyance, dispensation or use of mood-altering substances will not be permitted on any school property or (student and/or district) vehicles and will be subject to confiscation. Possession of drug paraphernalia will be treated the same as possession of a mood-altering substance. Addiction to an illegal substance may not be used as an excuse for a violation.

8. SEARCHES – See School's Right to Search

9. OFFENSES AND DISCIPLINARY ACTION

The actions set forth below will be considered routine disciplinary measures for each category and occurrence of offense. The penalties delineated below shall be considered the standard penalty to be imposed for the offenses described. In incidents where extreme violations occur, the specified actions may be waived by the school official in favor of stronger measures such as longer

suspensions (not to exceed ten days), expulsion or other appropriate action. At the hearing, the school official may consider matters in mitigation of the routine disciplinary measures.

School officials will follow the process below when handling level II & III offenses:

- a. The rapid eye movement test may be administered for screening purposes. If the screening is positive, it will be recommended that the parents seek professional guidance with a certified chemical dependency counselor. Also, an investigation will be conducted by the legal authorities as to the source of the drug.
- b. Parents will be notified immediately and the student may be removed from classes or the school event.
- c. Law enforcement officials may be notified and, at their discretion, conduct an investigation. In any instance in which it is illegal for a school official to possess or dispose of a mood-altering drug, law enforcement will be notified. School officials will notify law officials in the jurisdiction in which the offense occurs. School officials may file charges in the appropriate court.
- d. Parents will consult with the principal or the principal's designee.

The following are levels of prohibited offenses and the consequences that will result from the student's decision not to abide by the school policy. Violations are cumulative within grades 7-12.

- Tobacco/Vaping
Use or possession of tobacco, nicotine or paraphernalia used to consume tobacco products including e-cigarettes/vaping devices
- Level I Drug & Alcohol Offense
Possession, use or application of any mood-altering chemical, as defined above
- Level II Drug & Alcohol Offense
Actual or attempted transmitting, selling, supplying or purchasing of mood-altering chemicals, counterfeit or look-alike substance or paraphernalia

| Offenses | Tobacco/Vaping Consequences | Level I Drug & Alcohol Consequences | Level II Drug & Alcohol Consequences |
|-------------------------------|------------------------------------|--|--|
| First Offense | One day In-School Detention | Ten days Out-of-School Suspension | Ten days Out-of-School Suspension with an expulsion recommendation |
| Second Offense | Three days In-School Detention | Ten days Out of School Suspension with an expulsion recommendation | Ten days Out-of-School Suspension with an expulsion recommendation |
| Third and Subsequent Offenses | Five days Out-of-School Suspension | Ten days Out-of-School Suspension with an expulsion recommendation | Ten days Out-of-School Suspension with an expulsion recommendation |

Suspension/Discipline Reduction Options

- One day In-School Detention may be reduced to one half-day at the discretion of the administrator if student/parent agrees to enroll in and complete an assessment with a certified chemical dependency counselor as specified in Section 10.
- Ten day out of school suspension may be reduced to 5 days at the discretion of the administrator if student/parent agrees to enroll in and complete an assessment with a certified chemical dependency counselor as specified in Section 10.
- Three days of In-School Detention may be reduced to two at the discretion of the administrator if student/parent agrees to enroll in and complete an assessment with a certified chemical dependency counselor as specified in Section 10.
- Five days Out-of-School Suspension reduced to three days In-School Detention at the discretion of the administrator if student/parent agrees to enroll in and complete an assessment with a certified chemical dependency counselor as specified in Section 10.

10. SELF-REFERRAL

Students have the opportunity for a voluntary referral procedure to seek information, guidance, counseling and/or assessment in regard to the use or possession of tobacco, alcohol and other controlled or non-controlled substances. The student or his/her immediate family may make voluntary referrals.

For an alcohol and/or controlled substances/mood-altering chemicals referral, the student must have, within five days, an appointment for an assessment with a certified chemical dependency counselor and notify the principal or principal's designee of the appointment. The student must participate in the assessment process (the cost of any and all assessment will be the responsibility of the student and/or parents) and follow the counselor's recommendations to completion. If treatment or counseling is recommended it must be with an Ohio-certified chemical dependency counselor. The student must waive his/her rights of confidentiality so that verification of this assessment and a written report can be given to the principal or principal's designee.

For a tobacco referral, the student must, within five days, provide verification of enrollment in an out-of-school tobacco education/cessation program approved by the principal or principal's designee. Parents must sign a release of information to the principal/principal's designee so that the student's progress in the program can be followed and written verification of completion given to the principal or principal's designee. The student must complete the program or receive the original discipline.

Voluntary referrals will not carry violation consequences on the first offense only. Voluntary referral must occur prior to any report of violations. Involvement by law enforcement officials negates the option of voluntary referral. The student may use the option of voluntary referral once in his/her career at Olentangy Local Schools.

Any subsequent violations will be enforced as a second or subsequent violation. If the student requesting the voluntary referral opportunity does not complete the assessment recommendations by the established time schedule, the violation consequence will be put into effect immediately.

HAZING, HARASSMENT, INTIMIDATION, BULLYING, AND SEXUAL HARASSMENT

Hazing, harassment, intimidation, bullying, and sexual harassment are strictly prohibited and will not be tolerated. This applies to all activities in the District, including activities on school property, on a school bus, or while en route to or from school, as well as activities occurring off school property if the activity is school-sponsored, school-approved, or school-related activity or function, such as field trips or athletic events.

Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any class, team, or organization that causes or creates a substantial risk of causing mental or physical harm to any person.

Harassment, intimidation, or bullying is any intentional written, verbal, electronic, or physical act that a student has exhibited toward another particular student or students more than once and the behavior causes mental or physical harm to the other student(s) and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student(s).

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal or physical conduct of a sexual nature. Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender. It would include, but not be limited to, unwelcome propositions, unwanted physical and/or sexual contact, verbal expressions, patterns of conduct intended to create discomfort and/or humiliation, boundary invasions, and sexual violence. **Sexual harassing creates a hostile environment when it interferes with or limits a student's ability to participate in or benefit from the school's program.** It may be a single or isolated incident. Title IX protects against **retaliation of reporting such acts.** For more information about the District's Sexual Harassment and Sexual Violence procedures, please see Board Policy 5517.

Permission, consent, or assumption of risk by an individual subjected hazing, harassment, intimidation, bullying, or sexual harassment does not lessen the prohibition contained in this policy. Prohibited activities of any type including those activities engaged in via computer and/or electronic communications devices are inconsistent with the educational process and are prohibited at all times. No administrator, teacher, or other employee of the District shall encourage, permit, condone or tolerate any of these behaviors. No student, including leaders of student organizations, may plan, encourage, or engage in any of these behaviors.

Administrators, teachers, and all other District employees are particularly alert to possible conditions, circumstances or events that might include these behaviors. If any of these behaviors are discovered, involved students will be informed by the discovering District employee of the prohibition contained in this policy and are required to end the behavior(s) immediately. All hazing, harassment, intimidation, bullying, and sexual harassment incidents are reported immediately to the building administrator or other appropriate administrator. An investigation will result and shall include documentation of the event, response, and strategy for protecting the victim.

If the investigation finds an instance of hazing, harassment, intimidation, bullying, and/or sexual harassment, by an electronic act or otherwise, has occurred, it will result in prompt and appropriate remedial and disciplinary action. This will include suspension or up to expulsion for students. Furthermore, racist, sexist, or abusive comments or actions directed at others will not be tolerated and will result in suspension or up to expulsion.

If, during the investigation, the Principal or appropriate administrator believes the reported misconduct may have created a hostile learning environment and may have constituted unlawful discriminatory harassment, said will report the act of to one of the Anti-Harassment Compliance Officers so that it may be investigated in accordance with the procedures set forth in Policy 5517.

A victim of sexual harassment has the right to file criminal and/or Title IX complaints simultaneously. A student does not need to wait until the Title IX investigation is completed before filing a criminal complaint or may also be filed with the U.S. Department of Education's Office for Civil Rights. The district respects students' privacy and will only disclose information regarding alleged sexual violence to individuals who are responsible for handling the school's response, the student's parents (if the student is a minor or dependent under Section 152 of the Internal Revenue Code), or otherwise required by law. Students or parents may ask that the student's name not be disclosed to the alleged perpetrators or that no investigation or disciplinary action be pursued to address the alleged sexual violence which may limit the District's ability to respond fully to the incident, including pursuing disciplinary action against the alleged perpetrator. For more information about the District's Sexual Harassment and Sexual Violence procedures, please see Board Policy 5517.03.

Retaliation against any person who reports or is thought to have reported or otherwise participates in an investigation/inquiry related to a complaint of hazing, harassment, intimidation, bullying, sexual harassment, and violence is prohibited. Deliberately making false reports for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Deliberately making false reports or retaliation may result in disciplinary action.

The Superintendent/designee must provide the Board President with a semiannual written report of all reported incidents of bullying and post the report on the district's website. For more information, please refer to board policy 5517, 5517.01. The District's policy and consequences for violations of the policy shall be sent annually to each student's custodial parent or guardian. The statement may be delivered electronically.

The student athlete may be denied participation in athletics for violation of this policy and may be subject to Code of Conduct violation.

DRESS CODE

The Olentangy Local School District is committed to providing a safe, friendly learning environment for its students. No article of clothing shall be worn that distracts from the educational process. Building administrators have the final decision as to the appropriateness of all clothing and attire.

The following are guidelines for students:

1. Clothing must cover areas from one armpit across to the other armpit, down to approximately 3 to 4 inches in length on the upper thighs (see image below). Tops must have shoulder straps. Rips or tears in clothing should be lower than the 3 to 4 inches in length.

2. Shoes must be worn at all times and should be safe for the school environment.
3. See-through or mesh garments must not be worn without appropriate coverage underneath that meets the minimum requirements of the dress code.
4. Any clothing or statement that may cause a hostile, intimidating, degrading, offensive, harassing, or discriminatory environment, or promotes vulgar, illegal (including alcohol, drugs, tobacco), or lewd behavior is prohibited.
5. Sunglasses will not be permitted in school unless worn for medical purposes or approved by the principal.
6. Head coverings are only permitted for religious or medical purposes, unless approved by a principal.
7. Accessories featuring spikes or other sharp or dangerous objects are prohibited.
8. Elementary students are not permitted to carry book bags, backpacks, and/or other large bags during the school day. These bags are to be stored in the student's locker or an appropriate designated area.

Some school programs, such as physical education, may require special hair care, clothing, footwear, or restrictions on jewelry to ensure the health and safety of all students.

Failure to comply with the Dress Code guidelines is considered to be an insubordinate act and will be treated as such.

CAFETERIA RULES

The following common courtesies are expected of our students during lunch:

- Moving ahead of others in the lunch line is unacceptable.
- Loud talk and noise are not appropriate behavior.
- Throwing food, paper or other items is unacceptable.
- All trash/trays in your area must be disposed of properly.
- Treat everyone with respect.
- Pay for all food.
- Ask permission to leave your seat (elementary and middle school).
- A signed pass must be presented to leave the cafeteria (high school).

Students may use designated restrooms during lunches.

PLAYGROUND RULES

Common sense and safety are the general rule regarding student behavior on the playground.

1. Students are to show respect to the adult on duty at all times. Students shall not use obscene, vulgar, profane, or discriminatory language or gestures. Discriminatory language is defined as verbal or written comments, jokes, and slurs that are derogatory towards an individual or group based on one or more of the following characteristics: race, color, national origin, sex (including sexual orientation and transgender identity), disability, age, religion, ancestry, or genetic information.
2. Running is not permitted when entering or leaving the building.

7. Students are not to retrieve balls or other items that go outside the playground without staff permission.
8. Students are not to run through or otherwise disrupt someone else's game.

DISCIPLINE OPTIONS

DETENTION

Detention could be served after school for a duration of 30-45 minutes. At times, detention can be served in the morning if arrangements are made. Students are notified of the infraction and are to serve the detention on the "to be served" date listed on the detention slip. The parents will receive a copy of the detention slip, which will be sent home with the student. Transportation home after detention is the responsibility of the student/parent.

All school rules apply while serving detention. Failure to serve assigned detention may result in further disciplinary action.

LUNCHTIME DETENTION

Occasionally it becomes necessary to discipline a student for violating the established school rules or Code of Conduct. In an effort to deter such actions and hold students accountable for their behavior, detention during lunchtime may be assigned. Students are to report to the assigned room for the entire lunch period. Cafeteria privileges for that day are lost.

IN-SCHOOL DETENTION (ISD)

1. Students serving In-School Detention shall be permitted to make up and receive credit for assignments during In-School Detention.
2. Students are to bring schoolwork.
3. Parents will be notified of In-School Detention.
4. Guidelines for ISD will be issued and discussed upon assignment of the student to this detention.

OUT-OF-SCHOOL SUSPENSION (OSS)

The principal or the principal's designee may suspend a student from school for a period of up to ten (10) days for violation(s) of the Code of Conduct.

1. Parents will be notified of the suspension and may be asked to take the student home. The student may not attend school through the length of the suspension.
2. Students will be permitted to make up class work, quizzes, tests, papers, and/or major projects missed while serving Out of School Suspension for full credit.
3. Parents will be notified of the student's rights to appeal.
4. Students may not attend any school functions, home or away, while serving OSS.

5. Students serving OSS may not be present on school property, participate or attend any school activities or contests, or be present at activities or on property controlled by the school, unless an exception is made by the school administrator.

EMERGENCY REMOVAL

If a student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process, then the superintendent, principal or assistant principal or personnel employed to directly supervise or coach a student activity, may remove the student from the school premises. If school personnel make an emergency removal, reasons will be submitted to the principal in writing as soon after the removal as practical. In all cases of normal disciplinary procedures where a student is removed from a curricular or extracurricular activity for less than 24 hours and is not subject to suspension or expulsion, the due process requirements do not apply.

If either suspension or expulsion is contemplated, then a due process hearing will be held within three school days after the removal is ordered. Written notice of the hearing and the reason for removal and any intended disciplinary action will be given to the student as soon as practical prior to the hearing. The student will have the opportunity to appear at an informal hearing before the principal, assistant principal, superintendent, or designee and has the right to challenge the reasons for the intended suspension or otherwise explain his/her actions. The person who ordered or requested the removal will be present at the hearing. Within one school day of the decision to suspend, written notification will be given to the parent, guardian or custodian of the student and treasurer of the Board of Education. This notice will include the reasons for the suspension and the right of the student or parent to appeal to the superintendent or his/her designee.

If the superintendent or principal reinstates a student prior to the hearing for emergency removal, the teacher may request and will be given written reasons for the reinstatement. The teacher cannot refuse to reinstate the student.

In an emergency removal, a student can be kept from class until the matter of his/her misconduct is disposed of either by reinstatement, suspension, or expulsion.

EXPULSION

If all other attempts to modify student behavior are unsuccessful, or a serious violation of the Code of Conduct is committed, the student may be recommended for expulsion from school. If a student is expelled, the length of the expulsion may be up to eighty (80) school days, and in some cases for an entire year. Expulsions may extend into the following semester or school year. Schoolwork missed as a result of expulsion may not be made up.

DUE PROCESS AND RIGHT OF APPEAL

When a student is being considered for an out-of-school suspension by the superintendent, principal, or other administrator:

1. The student will be informed in writing of the potential suspension and the reasons for the proposed action.
2. The student will be afforded an opportunity for an informal hearing to challenge the reason for the intended suspension and to explain his/her actions.
3. An attempt will be made to notify parents or guardians by telephone if a suspension is issued.

Students may be permitted to make up class work, tests, papers, and/or major projects missed while serving Out-of-School Suspension for full credit.

If the assigned school discipline is served entirely in the school setting, it will not require any notice or meeting or be subject to appeal.

The pupil, parent, guardian, or legal custodian may file an appeal of the administrative decision to suspend or expel a pupil to the Board of Education or designee by filing a notice of appeal in writing with the treasurer within 14 calendar days of the formal written notice of suspension or expulsion to the parent, guardian, or custodian of the pupil. Failure to timely file an appeal in this manner waives any right to appeal the suspension or expulsion.

QUESTIONING OF STUDENTS

The School is committed to protecting students from harm that may be connected with the school environment and also recognizes its responsibility to cooperate with law enforcement and public child welfare agencies. While the School believes these agencies should conduct their investigations off school property if possible, investigations can take place at school in emergency situations or if the violation being investigated occurred on school property.

Before students are questioned as witnesses or suspects in an alleged criminal violation, the building administrator will attempt to contact a parent prior to questioning and shall remain in the room during questioning.

If a student is questioned as the subject of alleged child abuse or neglect, the building administrator will attempt to contact a parent prior to questioning, and s/he (or a designated guidance counselor) will remain in the room during questioning. If the agency investigating the alleged child abuse or neglect suspects the parent is the perpetrator, neither parent will be contacted prior to questioning, but the building administrator (or a designated guidance counselor) will remain in the room during questioning.

If law enforcement or children's services agency removes a student from school, the building administrator will notify a parent.

SCHOOL'S RIGHT TO SEARCH

Lockers supplied by the school and used by the students are the property of the Board of Education. Therefore, student lockers and the contents of the lockers are subject to random search at any time without regard to whether there is a reasonable suspicion that any locker or its contents contains evidence of a violation of a school rule or criminal statute. Random searches of lockers may include the assistance of dogs trained to detect the presence of drugs.

Search of a student and the possessions of a student may be conducted at any time the student is under the jurisdiction of the Board of Education if there is a reasonable suspicion that the student is in violation of school rules. A search may also be conducted to protect the safety of others. In addition, the contents of a cell phone or other electronic devices may be searched if there is a reasonable suspicion that it may have been used in an activity prohibited by the Code of Conduct. Failure to comply with a reasonable search will be considered insubordination.

TRANSPORTATION

BUS RULES

Notice to students: The use of video and audio surveillance equipment may be used in the investigation of violations of the Code of Conduct. Please refer to the Security Recording section of this handbook for additional details. Students may receive discipline as a result of what is recorded.

The following bus regulations are considered recommended guidelines to correct behaviors that could create an unsafe environment. Administrative responsibility prior to the first written conduct report: Building administrators will assure that each student receives a copy of the Student Handbook (with Bus Rules included) at the beginning of each school year or upon enrollment of a new student.

It is our privilege and pleasure to furnish students with the safest transportation possible as they travel between home and school and on school-related trips. In order to protect all students riding Olentangy school buses, safety precautions are a must! Your help is needed because safety **is everyone's** responsibility!

All students are to understand that the bus driver is in charge of the bus at all times. Any student who repeatedly violates the safety precautions and/or conduct rules may be denied the privilege of riding the bus and is subject to other disciplinary action to be determined by the principal and/or transportation director.

To that end, the following conduct rules are called to your attention:

1. To provide maximum safety, district procedure requires all students to arrive at the bus stop five (5) minutes before the bus is scheduled to arrive. If a student is not at the designated place of safety (at least 20 or more steps away from the bus stop), the bus is not required to wait. (Ohio Administrative Code 3301-83-08 C4).
2. Students must wait quietly in a location clear of traffic and away from the bus stop (Ohio Law 3301.83.08).
3. Student behavior at bus stops must not threaten life, limb, or property of any individual (Ohio Law 3301.83.08).
4. Each pupil shall be assigned a designated place of safety on the residence side of the roadway on which the vehicle is scheduled to stop: The driver must account for each pupil at the designated place of safety before leaving. Pupils are not to proceed to their residence until the school bus has departed the area (Ohio Law 3301.83.08 B6).
5. The driver must use an approved hand signal and eye contact with students outside the bus at any stop where students must cross the roadway in front of the bus (Ohio Law 3301.83.08 C.6).
6. Students must go directly to an available or assigned seat (Ohio Law 3301.83.08).
7. Students must remain seated, keeping aisles and exits clear (Ohio Law 3301.83.08).
8. Students must observe classroom conduct. All school rules apply on the bus. Obey the driver promptly and respectfully (Ohio Law 3301.83.08).
9. Students must be courteous and respectful to fellow students and to the bus driver.
10. Students must not engage in loud talking or laughing, excessive horseplay, or fighting.
11. **Unnecessary confusion diverts the driver's attention and might result in a serious accident.**

FOLLOW-UP COMMUNICATION

Following the disciplinary action taken with a student, it is the administrator’s responsibility to inform the parent, the transportation supervisor and/or route monitor of the disciplinary action taken. It is then the transportation supervisor or route monitor’s responsibility to inform the driver of that action.

SPECIAL MESSAGE TO PARENTS OF KINDERGARTEN AND FIRST GRADE STUDENTS

Please be aware that Olentangy Local Schools’ bus drivers expect a parent, older sibling, or other adult to meet kindergarten and first grade students at the bus stop or is otherwise visible to the driver. If these conditions are not met, a driver may be directed to return your child to school. If you prefer that your student is discharged from the bus upon arrival at the bus stop in your absence, you must provide this in writing with your signature to the transportation office. Otherwise, please make every effort to either be visible to the driver or have alternate arrangements made for your student upon his/her arrival.

Please note: if you plan to transport your child on the first day of school and expect your child to ride the bus after school, please confirm the bus number, driver and stop location with your school or the transportation office. Bus information may be found in **your child’s PowerSchool account approximately one week prior to the start of school.**

DESIGNATED PLACE OF SAFETY

All students who ride a school bus are assigned a designated place of safety on the residence side of the street. The reason for this is by law, the driver must account for each student upon arriving and departing the bus stop. In order to do that, students must be at their place of safety before the bus arrives and must remain there until the bus departs after dropping them off. Each year the bus driver will notify your student about their designated place of safety. We ask for your support in helping us teach your student to adhere

to the driver's instructions. Below is a description of how a student should approach a school bus from his/her driver assigned designated place of safety.

IF YOUR STUDENT CROSSES THE STREET TO APPROACH A BUS

| MORNING PICK UP | AFTERNOON DROP OFF – CROSSOVER |
|--|---|
| 1. WAIT for the bus at the designated place of safety, at least 10 feet away from the bus. | 1. STOP alongside the roadway, 10 feet from the front of the bus. LOOK for the drivers hand signal. |
| 2. WATCH for the driver's hand signal | 2. STOP at the front edge of the bus. LOOK for cars: left, right, left. |
| 3. When driver gives signal, CHECK for traffic, then walk straight across the road 10 feet away from the bus to allow the driver to see students at all times. | 3. STOP at your designated place of safety. |
| 4. ENTER bus and promptly sit in assigned seat safely. | 4. WAIT for the bus to depart, then proceed to residence. |

IF YOUR STUDENT DOES NOT CROSS THE STREET TO APPROACH A BUS

| MORNING PICK UP | AFTERNOON DROP OFF |
|---|--|
| 1. WAIT for the bus at the designated place of safety, at least 10 feet away from the roadway. | 1. WALK to designated place of safety, at least 10 feet away from roadway. |
| 2. WAIT for the bus to stop completely, door to open and for the driver's hand signal to board the bus. | 2. WAIT for the bus to depart, then proceed to residence. |
| 3. ENTER the bus and promptly sit in assigned seat safely. | |

BUS PASSES

A request from a parent/guardian is required in order for a student to ride a different bus or get off at a different stop. The request must be submitted at the beginning of the school day to the appropriate designated party. The student will receive a prepared pass before the end of the school day. If a student does not have a Bus Pass, he/she cannot ride home on a different bus or get off at a different stop. Students will not be dropped off at other than board-approved bus stops. Bus passes will be approved contingent upon available seating, timeliness of request, and/or discretion of the building administrator.

CURRICULUM, INSTRUCTION, AND ASSESSMENT

Olentangy Local Schools offers many services to ensure equal opportunity for all children, including enrichment services, early childhood education, academic intervention, reading support programs, services to support English language learners, home instruction, special education, and related services such as speech and language therapy, physical therapy, occupational therapy, adapted physical education services, psychological services, mental health services, and transportation. Support is also available through our school counselors, school nurses, social services, and alternative education opportunities.

The Board of Education furnishes all necessary instructional materials and assesses fees when appropriate for consumable supplies as identified in the fee schedule. Each student is responsible for all instructional materials loaned to him or her and is expected to return all instructional materials at the end of participation in the course. Students will be responsible to pay for any instructional materials that are lost, destroyed, stolen or damaged.

ACADEMIC ACCELERATION, EARLY ENTRANCE TO KINDERGARTEN, AND EARLY HIGH SCHOOL GRADUATION

The Olentangy Acceleration Policy provides students with opportunities for possible accelerated placement through early admission to kindergarten, individual subject acceleration, whole-grade acceleration, and early graduation from high school. A teacher, administrator, gifted education specialist, school counselor, school psychologist, or parent/ legal guardian of the student may submit referrals for possible accelerated placement to the school principal. A student may refer himself, herself, or a peer through a district staff member who has knowledge of the abilities of the student. Accelerated placement is a team decision and includes a review of classroom performance and standardized testing history, information regarding student work habits, motivation and desire for acceleration, and possible additional assessments as needed. The acceleration process evaluates the academic, social, and emotional readiness of students in order to determine a placement to best meet the needs of the whole child.

Copies of referral forms for evaluation for possible early entrance, whole-grade acceleration and individual subject acceleration are available to district staff and parents at each school building or visit the [Gifted Services](#) webpage.

SCHOOL COUNSELOR SERVICES

Elementary school counselors help students achieve success through academic, personal/social, and career development. A school counselor is on staff in every elementary building in the Olentangy Local School District. School counselors are professional educators who assist students in the development of their self-concept, decision making skills, communication skills and character. Elementary school counselors provide services including individual counseling, group counseling and classroom-based lessons. School counseling is a part of regular education services and is available to students without parent consent. Confidentiality is maintained for students who receive school counseling support, unless there is a concern involving the student's safety or the safety of someone else. For students who also receive outside counseling services, parents and guardians may choose to sign a release of information to allow for collaboration between school counselors and outside professionals.

GIFTED SERVICES

The state of Ohio requires school districts to identify students for potential areas of giftedness. Students are identified as gifted in cognitive ability, specific academic achievement areas, and/ or visual/ performing arts areas through state approved assessment procedures and creative thinking through state approved assessment procedures. Olentangy Local Schools provides a continuum of services to support the varying instructional and social emotional needs of gifted learners.

The Gifted Intervention Specialist (GIS) and General Education teachers collaborate to provide direct services in the areas of Reading and Math.

For additional information, visit Olentangy's [Gifted Services](#) webpage.

EQUITY AND INCLUSION PROGRAM

Our equity and inclusion program supports students, families, and teachers by educating and promoting understanding, exposure, and acceptance of individual differences. Every school in our district has a diversity liaison who runs an open student group focused on these principles, as well as helping students understand their identity, build friendships across cultures, and provide service to others. If you are interested in becoming involved with the program or if you would like assistance in this area, please reach out to your school's diversity liaison or contact our Assistant Director of Equity and Inclusion, Mikela Thomas (mikela_thomas@olsd.us) for support.

FIELD TRIPS

The Board of Education recognizes that field trips, when used for teaching and learning integral to the curriculum, are an educationally sound and important ingredient in the instructional program of the schools (Policy 2340-Field and Other District –Sponsored Trips). In order for your child to benefit from these activities, appropriate behavior from all students is necessary. Olentangy Local Schools reserves the right to prohibit students from attending field trips because of disruptive behavior.

Parent permission is required in advance of field trips. Students will travel by school vehicles, but the Board of Education authorizes the use of incidental transportation by private vehicle when necessary. Students will only be released during the course of the trip to parents or guardians. These releases should be arranged in advance by submitting a written request to the teacher or adviser in charge of the trip. In addition, parents will be asked to sign out their child at the time of departure.

LIBRARY/MEDIA CENTER

Each school has a library/media center to develop students' information literacy, media literacy, and technology literacy. Library materials which are borrowed by students should be returned in good condition in a timely manner and lost materials should be paid for so that they can be replaced.

TECHNOLOGY USAGE POLICY

Students are encouraged to use the school's computers, network, internet connection, and their assigned student account(s) for teacher assigned, educational work. All references to schools in this section will mean any school in the Olentangy Local School District. The term computer or computer equipment includes but is not limited to electronic devices, personal or school owned, that are used on school property (including on district-owned vehicles) or during district-sponsored trips. Student accounts are defined as accounts provided for student use by the district or a teacher to access resources or materials to complete educational work either within a school building or while at an offsite location.

Students are responsible for their behavior and communication on the network and while using any student account regardless of location. Transmission of any material in violation of any State or Federal law or regulation, or Board policy is prohibited. Unauthorized or inappropriate use of the network or student accounts, including any violation of these rules, may result in cancellation of the privilege, disciplinary action consistent with the Student Code of Conduct, and/or civil or criminal liability.

Parents and students are advised that the Board makes every effort but may not be able to technologically limit access through the Board's internet connection to only those services that have been authorized for the purpose of instruction, study, and research related to the curriculum. Use of student accounts or equipment which takes place on an internet connection other than the Board's will not inherently contain equivalent protections. It is impossible to guarantee students will not gain access to information and communications that they and/or their parents/guardians may find inappropriate, offensive, objectionable or controversial regardless of internet connection used. Privacy in communication over the internet and the network is not guaranteed.

Student use of the district's computers, network, accounts, resources, and internet services ("Network") are governed by District Policies and Administrative Guidelines 7540.00 (Technology), 7540.02 (Web Content, Services, and Apps), 7540.03 (Student Education Technology Acceptable Use and Safety) as well as the Student Code of Conduct. 24. Cyberbullying is the act of harassment that takes place via some method of technological media. If a student is being harassed and it has an impact on the schooling environment, it does not matter where the offense originates, even if off grounds, if the effect of such acts makes a transition to school grounds it is under our best judgment to take appropriate action. This can include use of public social networks or communication applications not provided by the district.

At the building leadership's discretion, students' confiscated cellular phones or electronic devices may only be returned to their parent or guardian.
28. Olentangy will provide access to filtered wireless internet and the my.olsd.us platform (Schoology, PowerSchool, Google Drive, District Email, etc.) for personally owned computing devices for educational purposes. 29. District computers should not be used for playing games unless sanctioned through a classroom or club activity and only during times directed by a club advisor or teacher. If gaming activities are disruptive or negatively impact the learning environment, they may be blocked.

Please note Olentangy will not be able to provide technical support for personal computing devices. OLSL will not be responsible for lost, stolen, or damaged property whether it be by accidental or malicious means including but not limited to other users, viruses, malware, spyware, or bot traffic.

Students are not allowed to circumvent the Internet filter or click-through warnings. This includes through the use of Virtual Private Network (VPN) providers or internet proxies. Personal computing devices are not to be attached to the Olentangy network other than the wireless network provided for student use. Computing devices that have been determined to be a threat to the network integrity will be immediately removed from the network and will not be allowed back on until the technology department is assured that the cause for removal has been resolved.

As a condition to using Olentangy's wireless network, students should have no expectation of privacy in their use of the network, and by signing the handbook awareness statement specifically understand and agree that their personal computing device may be confiscated and searched anytime school officials have reasonable suspicion of violations of the technology usage policy or any other Board policies, guidelines or

The Board is not responsible for the accuracy or quality of information obtained through the internet. Information (including text, graphics, audio, video, etc.) from internet sources used in student papers, reports, and projects should be cited the same as references to printed materials. The Board will not be responsible for financial obligations arising through the unauthorized use of the Network. Students, parents, or guardians will indemnify and hold the Board harmless from any losses sustained as the result of misuse of the Network by the student. Use of the Network by students will be limited to those students whose parents have signed a release of claims for damages against the Board.

The use of technology outside of the district network (for example a home internet connection) may not provide the same levels of filtering, monitoring, or protections as outlined in this handbook. Parents and Guardians should be aware of these limitations and ensure adequate expectations are established for the responsible use of technology outside of the district network.

In the event that we do not receive this information, ALL students will be permitted to use district-provided technology according to the provisions listed in the Technology Usage Policy.

GRADING

Olentangy Local Schools uses a variety of assessments as tools for evaluating students' strengths, weaknesses, and academic progress. In addition to formal evaluation tools, classroom teachers use observations, project work, writing samples, checklists, and periodic paper and pencil tests to assess children's knowledge and skills. The data gathered from ongoing formal and informal assessments provide the evidence for marks on the elementary report card. To learn more about the elementary report card and standards based grading, click on the following link: [Olentangy Standards-Based Report Cards](#).

PERFORMANCE LEVELS

The chart below describes report card Performance Levels.

| | |
|---|---|
| 4 | Met end of year grade level standards and may be ready to work at greater depth |
| 3 | Expected progress toward meeting end of year grade level standards |
| 2 | Less than expected progress toward meeting end of year grade level standards with increased support |
| 1 | Little to no progress toward meeting end of year grade level standards with extensive support |

EFFORT, ACADEMIC WORK HABITS, PERSONAL GROWTH

Students also earn marks in all areas on effort, academic work habits, and personal growth. The chart below indicates the marks.

| | |
|---|---------------------------|
| + | Consistently demonstrates |
| \ | Sometimes demonstrates |
| - | Needs improvements |

If you have questions about a mark your child receives, please contact the appropriate teacher.

REPORT CARDS

All student report cards will be made available electronically to parents and students for quarterly grade reporting. A paper copy will not be mailed home unless specifically requested.

HEALTH AND SAFETY

HEALTH REGULATIONS

Your child must meet county and state health regulations for entrance to school, including compliance with state immunization laws. The school nurse checks health records each year and will send you a reminder of the required immunizations your child still needs.

Students will be excluded from school if the immunization schedule is not completed within 14 calendar days after the student's first day of school. Written statements of objection to immunizations due to parent's or guardian's philosophical or religious reasons are filed in the student's health folder. Medical exemption for immunization must be signed by the child's physician.

Parents are required by state law to fill out an Emergency Medical Authorization Form. The Emergency Medical Authorization form is online and should be completed at the time of enrollment and checked for accuracy at the beginning of each school year. A complete Emergency Medical Authorization Form must be on file with the School in order for a student to participate in any activity off school grounds, including field trips, spectator trips, athletic and other extracurricular activities, and co-curricular activities.

The Olentangy Board of Education wishes to cooperate fully with students, parents, and the medical profession to ensure that students receive any required medication during the normal school day at the time that it is required. It is preferred that medications be administered to students at home; however, it is also recognized that certain circumstances may necessitate administering medications during school hours. Guidelines have been established to maintain control of authorized drugs within the schools and to ensure the health and welfare of students. In accordance with Ohio Revised Code §3313.713, all medications unless medically prescribed to self-carry must be kept locked in a storage place and administered by school personnel. Only employees of the Board who are licensed health professionals or who have completed a drug administration training program conducted by a licensed health professional and considered appropriate by the Board may administer to a student a drug prescribed for the student.

A Physician's Medication Procedure Request Form and Parent's Medication Procedure Request Form must be completed, signed and on file in the office before any medication, including over-the-counter and essential oils will be given by the clinic staff. Children are NOT permitted to transport any medication to school. All medications must be brought to school by a parent or guardian and must be locked in a storage place unless medically prescribed to self-carry. This is critical to the health and safety of all children. In rare instances, a student may be allowed to carry certain prescription medications (e.g., asthma inhalers). If the physician deems it medically necessary for the student to carry a medication with him/her, the Physician's Medication Procedure Request Form must be signed and contain those instructions.

Middle and high school students are permitted to carry a one-day's supply of non-prescription medication, including essential oils, to self-administer if a Parent's Non-Prescription Medication Request form is signed by the parent and on file in the school office.

A parent note is required for elementary students to use cough drops at school. Cough drops must be supplied by the parent or guardian, kept in the clinic, and administered by the clinic staff. Medication forms are available in the school office and on the district website, and expire at the end of each school year.

ANIMALS IN SCHOOLS AND ON DISTRICT PROPERTY

Animals permitted in schools and elsewhere on District property shall be limited to those necessary to support specific curriculum-related projects and activities, those that provide assistance to a student or staff member due to a disability, those that serve as service animals as required by Federal and State law, or those that conduct random searches for illegal substances. All animals must meet veterinary requirements set forth in the State law and County regulation/ordinance.

The student's need for and use of a service animal must be documented in the student's individual education plan (IEP) or Section 504 Plan. A service animal is the personal property of the student and/or parents. The Board of Education does not assume responsibility for training, daily care, health care, or supervision of service animals. The Board of Education does not assume responsibility for personal injury or property damage arising out of or relating to the presence or use of service animals on District property or at District-sponsored events. For more information, please refer to board policy 8390-Animals on District Property.

CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The School's professional staff may remove or isolate a student who has been ill or has been exposed to a communicable disease or highly-transient pest, such as lice (Policy 8450).

Specific communicable diseases include diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments. Any removal will be limited to the contagious period as specified by the Delaware General Health District and the Ohio Department of Health).

In cases of communicable disease, a letter may be sent home and/or a notice may be passed on to the school community via email notification informing parents that a situation exists in their child's classroom. Because of the contagious nature of these conditions, it is important that you call the office if you find your child has been diagnosed with a communicable disease. If your child has head lice, it will be necessary for you to bring him/her to be checked in at the clinic to verify that he/she has no live lice before he/she can be readmitted to school. The school nurse or designee will make the final decision on re-admittance to school.

DISTRICT SAFETY PLAN

In case of an emergency, district personnel will follow the District Safety Plan. This plan specifies steps to be followed should an emergency arise that threaten the well-being of students, staff and the public while utilizing school property. In addition to the steps outlined in the District Safety Plan our staff routinely trains on many of these procedures.

To ensure that the district has accurate contact information, please review the [Back-to-School Forms and PowerSchool Update Instructions](#) and update your account as needed.

HEALTH SCREENINGS

In accordance with Ohio Department of Health requirements and guidelines, school health staff conducts periodic health screenings to detect abnormalities in hearing, and vision. Health screenings may also be conducted when a concern arises. A permission slip will not be sent home for parent permission in advance of the screening. Parents may opt out by completing and submitting the Vision and Hearing Waiver form each school year.

HOMEBOUND INSTRUCTION

The School may arrange for individual instruction at home for students who are unable to attend school because of an accident, illness, or disability. Such instruction may be arranged upon receipt of documentation of the student's condition from a physician (Policy 2412-Homebound Instruction). For more information, contact the building administrator or guidance counselor.

ILLNESS/INJURY

It is important that students are not sent to school if they experience (d) a fever (100.4°F or above), vomiting, diarrhea and/or a persistent cough within the last 24 hours. It is advisable to keep a child home until the child is symptom-free for 24 hours without benefit of any medication. If a child returns to school and remains ill, parents will be called. If you and the other people on your emergency contact list are unavailable, and therefore unable to be reached, please designate a person we can call temporarily in the event of an illness or accident and notify the office of this change in writing.

MEDICAL CONCERNS

Notify the school nurse of any health concerns that impact your child's school day. If your student is transported to school by bus, the bus drivers should also be provided with this information. Each year Food Service must have an updated statement from your physician documenting the specific food allergy and acceptable substitutes in order to make accommodations within the National School Breakfast and/or Lunch Program.

NON-SMOKING / VAPING POLICY

The Ohio Department of Health prohibits smoking in all enclosed public places within the state. Olentangy Local Schools is committed to providing students, staff, and visitors with a smoke-free environment. Smoking and vaping is expressly prohibited in all Olentangy buildings, on school property, on a school bus, and at events occurring off school property if the student is at any school-sponsored, school-approved, or school-related activity or function, such as field trips or athletic events.

This non-smoking/vaping policy applies to staff, students, contractors, and visitors. Evidence of indoor smoking/vaping, including the ashes of cigarettes, cigars, pipes, other smoking equipment or products, or vaping paraphernalia (e.g. electronic cigarettes and vape pens) will result in disciplinary action. Additionally, the sale and/or marketing of cigarettes, tobacco products, e-cigarettes, vape pens, and all e-cigarette and vape pen paraphernalia, is prohibited.

PLAYGROUND SAFETY/ACCEPTABLE TEMPERATURE

Equipment is checked on a monthly basis by the maintenance department. Unsafe equipment will be closed or removed. All items brought from home need to be approved by the classroom teacher and/or recess aide for safety and appropriateness (e.g., balls, jump ropes, etc.).

Children should be properly clothed for daily outside play. Children may be sent outside for recess when the temperature is 20° Fahrenheit or above, the wind chill is 15° Fahrenheit or above, and playground conditions permit safe play. We encourage all students to go outside for recess on outside recess days. We understand that children with asthma or those returning after a serious illness may need to occasionally stay in. If your child needs to stay inside, please send a note from home. If the need to stay in is longer than two days, you will need to provide us with a doctor's note specifying the reason.

FEES

According to Policy 6152-Students Fees, Fines, and Charges, the Board may need to levy certain charges to students to facilitate the utilization of other appropriate materials for curricular as well as co-curricular and extra-curricular activities. Any waiver of fees shall be made pursuant to Policy 6152.01. A list of student fees is available on the district's website. You may log into PowerSchool to view/pay your student's fee accounts and any outstanding fees.

Payments should be made in full by credit card online or by cash/check/money order to the school office. To view your fee account and make payments online, please go to your PowerSchool parent account and select Lunch and Fee Payments. If you are paying by check, please make it payable to Olentangy Local Schools. We appreciate your prompt attention to school fees.

FEE COLLECTIONS AND FEE WAIVERS

If you are financially unable to pay your fees, you may obtain a fee waiver application in the school office. Eligibility for the fee waiver is determined by the number of adult wage earners in the family and their combined income. This information, along with adult family members' social security numbers, must be given in writing to the school office in order to be considered for fee waiver.

The Olentangy Local School District outsources the collection of Non-Sufficient Fund (NSF) checks to the CheckRedi service. The district is happy to accept checks as payment, but every check must include your name, address and phone number. Please keep in mind that when a check is provided as payment, it is an authorization by the check writer to either make a one-time electronic transfer from the account or to process the payment as a check transaction. In doing so, the check writer also authorizes CheckRedi to collect a \$34.50 fee through an electronic fund transfer from the check writer's account if the payment is returned unpaid.

If you receive a notice from your bank about a non-sufficient funds check, contact CheckRedi at 800-239-1222.

POSTERS / COMMUNITY ANNOUNCEMENTS

The principal must approve all posters/announcements.

PROCEDURES TO RESOLVE PARENT/TEACHER DISAGREEMENTS

Whenever a complaint is made directly to the board as a whole, a board member as an individual, the superintendent, principal or other administrator, it will be referred to the appropriate building administrator. A teacher who is the object of a complaint will be informed promptly.

Step 1 – Direct Conversation

If a parent or community member (complainant) has a disagreement or misunderstanding with a teacher, the complainant should address the concern to the specific teacher directly involved with the circumstances surrounding the concern. The staff member will meet with them as soon as possible, but in no case longer than five calendar days after the teacher has been notified of the concern (subject to change by mutual agreement).

Step 2 – Fact and Possible Resolution

If the complainant or the teacher is not satisfied with the outcome of Step 1, or the complainant or teacher is unwilling to meet independent of an administrator, a meeting with the teacher, appropriate administrator, and complainant will be arranged at a mutually convenient time, but in no case more than five calendar days after the meeting in Step 1. This step is to be informal and verbal. No further action will be taken beyond Step 2, unless the complainant submits in writing a signed and dated statement of facts giving rise to this concern, the name of the teacher involved, and the remedy sought.

Step 3 – Formal Process

If a complainant's concern is not satisfactorily resolved at either the first or second level, the complainant should then refer this concern to the superintendent in writing. At that time another meeting will be arranged at the convenience of the complainant and staff member directly concerned, but in no case more than 10 calendar days (subject to change by mutual agreement). The staff member has the right to be at all meetings with or without a representative as he/she so determines. Copies of the disposition will be sent to the board.

Dispositions

Dispositions at Step 3 will be sent in writing to all parties within 10 calendar days of the meeting with reasons stated.

Repeat Concerns

If a complainant believes there has been a repeat of the previous concern, they may go directly to Step 3 – Formal Process.

Relation to Other Procedures

This Article does not limit or affect the actions or procedures available to the administration and/or board based on an investigation of alleged misconduct and an administrative or board conclusion based on that investigation that action adverse to the teacher is warranted. Any such action against the teacher is subject to applicable laws and other articles of this Agreement.
