State Goals and Objectives

THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

THE STATE OF TEXAS PUBLIC EDUCATION GOALS

- GOAL #1: The student in the public education system will demonstrate exemplary performance in the reading and writing of the English language.
- GOAL #2: The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.
- GOAL #3: The students in the public education system will demonstrate exemplary performance in the understanding of science.
- GOAL #4: The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

Objective #1: Parents will be full partners with educators in the education of their children.

Objective #2: Students will be encouraged and challenged to meet their full educational potential.

Objective #3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.

Objective #4: A well-balanced and appropriate curriculum will be provided to all students.

Objective #5: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective #6: The state's students will demonstrate exemplary performance in the comparison to national and international standards.

Objective #7: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective #8: Educators will keep abreast of the development of creative and innovative techniques as appropriate to improve student learning.

Objective #9: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Need Statement 3 (Prioritized): Need to increase student attendance, provide additional incentives, increase parent liaison home visits. **Data Analysis/Root Cause:** Campus enrollment decreased by 5 students overall.

Need Statement 4 (Prioritized): Need to increase academic achievement through extended day, tutorial, small group, and one-to-one opportunities for students who are performing below grade level. **Data Analysis/Root Cause:** As noted in the campus participation lists and walk-through data.

Need Statement 5 (Prioritized): Need to monitor language acquisition of bilingual students to show academic progress. **Data Analysis/Root Cause:** Data shows a low number of students exiting the bilingual program.

Student Learning

Student Learning Summary

Teachers have been trained on how to read and analyze data reports from Aware, Tango, and eSchoolPlus Failure Reports. Teachers meet weekly for grade level meetings and planning. All teachers, including tutorial teachers, have been trained in using supplemental resources and planning for differentiated instruction.

A student group that performed less than or equal to the state average is identified as a priority. Based on the review of the data, best practices will be used to address the priority areas of need. Objectives of the Campus Improvement Plan delineate a variety of research-based strategies and are used to address the areas of need.

School Processes & Programs

School Processes & Programs Summary

In order to begin the preparation of college readiness, Hudson Elementary works to provide a state-of-the art, high quality education Curriculum, Instruction and Assessment is TEKS and data driven. Teachers follow BISD curriculum and supplement with state adopted textbooks and STAAR resources. Grade levels plan together and turn in weekly lesson plans, HOTS questions, and tests. Grade levels meet weekly with Administration to review assessments recording strengths and weaknesses. Students performing below grade level are grouped, placed on RTI's, and intervention procedures started. Students are recognized for passing scores, commended scores and for showing growth on six weeks benchmarks. After school tutorials are available for grades PK-5th. In addition, students are provided opportunities to learn through the use of technology in the areas of math, reading, writing, and science (i.e. laptops, math and science software, websites). Hudson Elementary strives to become a technology rich campus with many technological applications that will support learning.

Hudson Elementary uses a hiring committee composed of administration and faculty members. During interviews each committee members scores the applicants performance. Candidates are rated and decisions are made by the hiring committee. New teachers are assigned a mentor and are allowed time to observe other teachers and campuses. The T-TESS time lines are followed throughout the school year. Teacher T-TESS performance records are kept by the school principal. Administrators also provide observations and evaluations to paraprofessional staff. Novice teachers are provided a grade-level mentor and an administrative mentor so that they have success in their profession.

The faculty and staff are notified of all campus activities and professional development through newsletters and emails. Each grade level and department has a lead teacher which is the main contact for the group. The lead teacher is responsible for grade level reports, acts as a voice for the team. The Campus handbook which includes all forms and schedules is reviewed and given to each faculty member at the beginning of the school year through the campus public server. Communication with parents is maintained on a daily basis through weekly folders and Class Dojo. Communication through newsletters, lead teachers, and email, and website is essential in the overall leadership and organization of the campus.

The campus TST needs: in the area of computers which include hardware and software. In addition the TST provides technical support for teachers and notifies teachers of professional development. TST assists teachers in the instruction of Technology, TEKS and activities.

Perceptions

Perceptions Summary

As part of our Campus Needs Assessment, we provide parents, teachers, and students with surveys and questionnaires in order to enable them to provide feedback about how to improve and better serve our campus stakeholders. There is a lack of instructional technology and web-based technology in all classrooms. In addition, there is a need encourage staff to commit to quality work, incentives, and instruction in order to provide a safe and welcoming environment for all campus stakeholders. We need to increase participation in our weekly parental involvement meetings. Our campus needs to provide more on-going classroom management and data analysis teacher trainings.

Perceptions Strengths

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

Students and staff were not able to complete an end of year needs assessment survey during the months of March and April due to Covid-19. Parents completed an end of year needs assessment survey during the month of March before Covid-19 of this school year. The campus leadership team and SBDM members met as a committee to discuss the purpose of the committee and to review the available survey results from students, staff, and parents. This information was then discussed and reviewed with the campus leadership team and grade levels with emphasis on retention data for each grade level. As part of the meeting, multiple measure areas were reviewed identifying strengths and challenges for each.

CCNA was revised and reviewed in May 27, 2020

Conclusions/Priorities: Reviewing the CNA 2019-2020 and SBDM committee continues to believe that technology and the professional development in this area is a high priority within our campus and that closing the achievement gaps is an area of need. Amongst our highest strength continues to be student and teacher attendance.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The Campus Improvement Plan has been developed as a committee with the SBDM members. SBDM members take information to other campus personnel and review and discuss changes, needs, and improvements.

* SBDM meetings held in May 27, 2020

- Participants: Rachel R. Ayala (Administrator), Nilda Martinez (Meeting Facilitator), Marvelia Vela (Non-Classroom Professional), Juan De Leon (district-level Professional), David Alaniz (Classroom Teacher), Deifilia de los Santos (Classroom Teacher), Marvella Herrera (Classroom Teacher), Mary Ruiz (Classroom Teacher), Lidia Rangel (Classroom Teacher), Claudia Olivo (Classroom Teacher), Eugenio Quinones (Parent), Eduardo Martinez (Parent)

2.2: Regular monitoring and revision

Every SBDM meeting time is dedicated to review, update and make the formative review as a committee for the CIP. Hudson Elementary will continue to monitor and revise all school academic initiatives to improve academic performance every six weeks and as necessary in order to meet student needs. Teachers will continue to be included in decisions regarding the use and selection of academic assessments to measure student performance. Data obtained from state and district assessments will be utilized to make program decisions that directly impact the implementation of new instructional strategies and modify existing ones in order to better meet student needs as noted in the results. SBDM meeting dates will be held in October 2020, December 2020, and April 2021.

2.3: Available to parents and community in an understandable format and language

Campus Improvement plan is available and in an understandable format and language and can be found on the Hudson Elementary website. CIP is in English and some areas in Spanish. Any parent wanting the CIP in any other language may request translation from any of the SBDM members.

2.4: Opportunities for all children to meet State standards

Hudson Elementary gives students numerous opportunities to meet State standards such as:

- SSI tutorials
- Year long Extended Day tutorials until 5:30 PM
- Regular tutorials
- Community Presentations
- Hands On activities
- Academic Resources

2.5: Increased learning time and well-rounded education

Hudson Elementary strives to increase teacher preparation with professional development to bring back new strategies to the classroom to increase learning time. Hudson Elementary also brings community members to educate our students in all areas and expose them to real life experiences and create well rounded students and also by implemented various extra curriculuar oppportunities.

- * Tutorials
- *EDEP
- *Dyslexia Program

(3.1.1, 3.2.1, 7.1.1, 9.2.4)

2.6: Address needs of all students, particularly at-risk

At risk students are constantly monitored through the DATA wall located at the deans office in every grade level meeting.

At risk students are placed on TIER II or III and given small group instruction with interventions.

(7.1.1, 7.1.5, 9.2.4, 9.2.5)

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Hudson Elementary jointly developed with parents of participating students, a written parent and family engagement policy, agreed on by such parents that shall describe the means for carrying out the following requirements:

- Parents will be notified of the policy in an understandable and uniform format
- Information will be provided in a language that parents can understand
- Updated policy shall be made available to parents and the local community on the campus website
- Policy was distributed to parents in the Fall
- Policy was presented and discussed in April 2020 with SBDM

(6.1.2, 6.1.3,6.1.8)

3.2: Offer flexible number of parent involvement meetings

Hudson Elementary will offer a number of flexible parental involvement meetings. Meetings will be offered at different times, such as in the morning or evening and in both English and Spanish. Parent and Family Engagement meetings are held at 9:00 AM in the parent center on campus during the school day every Wednesday, unless otherwise notified to parents through a weekly newsletter sent by parent liaison. Afternoon meetings are offered to parents in the cafeteria at 5:00 PM, and as requested by parents. Parent Liaison will conduct parent meetings on campus to keep parents informed of campus and district initiatives, conduct home visits when necessary, and perform other responsibilities. Funds will be allotted for the Parent Liaison to purchase materials, supplies, and food for parent meetings to be conducted on campus.

Definitions

Bullying

“Bullying”:

1. Means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that satisfies the applicability requirements below and that:
 - a. Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property;
 - b. Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;
 - c. Materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or
 - d. Infringes on the rights of the victim at school; and
2. Includes cyberbullying.

Cyberbullying

“Cyberbullying” means bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

Applicability

These provisions apply to:

1. Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property;
2. Bullying that occurs on a publicly or privately owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
3. Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
 - a. Interferes with a student's educational opportunities; or

STUDENT WELFARE
FREEDOM FROM BULLYING

FFI
(LEGAL)

- b. Substantially disrupts the orderly operation of a class-room, school, or school-sponsored or school-related activity.

Policy

The board shall adopt a policy, including any necessary procedures, concerning bullying that:

1. Prohibits the bullying of a student;
2. Prohibits retaliation against any person, including a victim, a witness, or another person, who in good faith provides information concerning an incident of bullying;
3. Establishes a procedure for providing notice of an incident of bullying to:
 - a. A parent or guardian of the alleged victim on or before the third business day after the date the incident is reported; and
 - b. A parent or guardian of the alleged bully within a reasonable amount of time after the incident;
4. Establishes the actions a student should take to obtain assistance and intervention in response to bullying;
5. Sets out the available counseling options for a student who is a victim of or a witness to bullying or who engages in bullying;
6. Establishes procedures for reporting an incident of bullying, including procedures for a student to anonymously report an incident of bullying, investigating a reported incident of bullying, and determining whether the reported incident of bullying occurred;
7. Prohibits the imposition of a disciplinary measure on a student who, after an investigation, is found to be a victim of bullying, on the basis of that student's use of reasonable self-defense in response to the bullying; and
8. Requires that discipline for bullying of a student with disabilities comply with applicable requirements under federal law, including the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.).

The policy and any necessary procedures must be included annually in the student and employee handbooks and in the district improvement plan under Education Code 11.252. [See BQ]

Internet Posting

The procedure for reporting bullying must be posted on a district's Internet Web site to the extent practicable.

**Prevention and
Mediation**

A district may establish a district-wide policy to assist in the prevention and mediation of bullying incidents between students that:

1. Interfere with a student's educational opportunities; or
2. Substantially disrupt the orderly operation of a classroom, school, or school-sponsored or school-related activity.

Education Code 37.0832

STUDENT WELFARE
FREEDOM FROM BULLYING

FFI
(LOCAL)

Note: This policy addresses bullying of District students. For purposes of this policy, the term bullying includes cyber-bullying.

For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.

Bullying Prohibited

The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Examples

Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.

Retaliation

The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.

Examples

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

Timely Reporting

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

**Reporting
Procedures**

Student Report

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.

Employee Report

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

Report Format	A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.
Notice of Report	When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.
Prohibited Conduct	The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, sex, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.
Investigation of Report	The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.
Concluding the Investigation	<p>Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.</p> <p>The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.</p>
Notice to Parents	If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.
District Action	If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. The District may notify law enforcement in certain circumstances.
<i>Discipline</i>	A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.

STUDENT WELFARE
FREEDOM FROM BULLYING

FFI
(LOCAL)

	The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.
<i>Corrective Action</i>	Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.
<i>Transfers</i>	The principal or designee shall refer to FDB for transfer provisions.
<i>Counseling</i>	The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.
<i>Improper Conduct</i>	If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.
Confidentiality	To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.
Appeal	A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.
Records Retention	Retention of records shall be in accordance with CPC(LOCAL).
Access to Policy and Procedures	This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.
