

## Elementary English Teacher

*The mission of the International School of Indiana is to provide our students with a world-class education that prepares them to be responsible citizens and effective leaders in a rapidly globalizing and interdependent world.*

### Overview

The Elementary English Teacher supports the school's mission and every student's right to an ISI education. The teacher works collaboratively with all faculty to ensure a fully integrated educational experience working within the Primary Years Programme Framework in a bilingual setting.

### Preferred Qualifications Skills and Experience:

- Experience with the Primary Years Programme
- Native speaker of English
- International outlook and demonstrated ability to communicate effectively with diverse populations
- Strong interpersonal skills
- Minimum of Bachelor's degree in a relevant field
- Teaching experience

### Responsibilities

The Elementary English Teacher:

- Teaches in a 50/50 language immersion model working with 4th grade and 5th grade on alternating days
- Develops and teaches Units of Inquiry
- Contributes to school programs and events
- Collaborates with colleagues
- Creates positive educational climate for students
- Participates in professional development
- Tutors students individually as needed
- Establishes and communicates clear objectives for all learning activities
- Communicates with parents in a positive and timely manner
