

Our PTA is run by parent volunteers who donate their time performing specific jobs and carrying out a variety of duties on behalf of our school and its staff, students, and families. Our PTA volunteers do not receive any monies from the PTA for their time. All monies generated by the PTA directly benefit every student at the Intermediate School.

The more volunteers and PTA members, the more we are able to do for our children. We invite you to volunteer to help whenever you're able.

To sign up for our PTA volunteer list please email intermediatepta@tmisd.us. Please indicate volunteer list on the subject line.

When volunteers are needed you will be notified. Don't worry... this does not commit you in any way, no pressure. Just respond back if you're available. It's that simple. Don't have much time but you want to be involved? Just let us know, even 1 hour is priceless!

We look forward to working with you this year!
