Needs Assessment Overview

Gertrude Sharp Elementary

“Home of the Mighty Scholars!”

2020-2021

All had been hoped that the Los Ebanos School would be ready for occupancy in September 1932. There was a delay in the building schedule, and Los Ebanos School was finally occupied in January 1933. In a span of 82 years, Sharp Elementary has had 17 principals lead the school. The school was renamed "Gertrude M. Sharp Elementary" in 1963 in honor of the former principal, Gertrude M. Sharp. The school has added several classrooms to accommodate increase in student enrollment and a new mini gym and a canopy was built over the black top, which has helped out students and teachers participating in physical education. A New Wing Building was built in 2004, for Pre-Kinder, Kinder, Music, Nurse and Content Mastery. The school building and faculty may have changed over the years but Sharp still maintains a tenor of excellence that was begun over sixty years ago.

Sharp Elementary has a highly qualified and effective professional and paraprofessional staff that provides the best instruction to all the students. The staff is made up of 24 classroom teachers, 1 Nurse, 2 Special Education teachers and 7 instructional assistants, 1 Dyslexia teacher, 1 Counselor, 1 Librarian and 1 Library Assistant, 1 Physical Education coach and 2 coach assistants, 1 Music teacher, 1 Art teacher and 3 administrators. Additional staff consists of 4 office staff members, 5 cafeteria staff members and 3 custodians. At Sharp Elementary, we serve 470 students from Early Childhood (EC) to fifth grade. The school motto is “Building Sharp Scholars One at a Time”. Sharp Elementary received “Recognized” ratings from 1994 to 2000 and 2005-2012 school years. The school received a rating of “Academically Acceptable” in 96-97, 03-04, 06-07, and 08-09. The school received a rating of “Exemplary” in 94-95, 00-01, and 01-02. Over the years, Sharp has been improving scores to receive more Distinction Designations each year. In 2012-2013’s School Report Card, Sharp received Distinction Designations for Reading/ELA, Mathematics and Top 25% Student Progress. From 2013 to 2015, Sharp received Distinction Designations for Academic Achievement in Reading/ELA and Science, Top 25% Closing Performance Gaps and Postsecondary Readiness. In 2015-2016 School Report Card, Sharp surpassed the bar in all four performance indices, Met Standard on the Accountability Rating and received all six Distinction Designations available: ELA/Reading, Science, Mathematics, Top 25% Closing Perform Gaps and Student Progress, along with Postsecondary Readiness. In 2016-2017 School Report Card, Sharp received 4 Distinction Designations and 100% System Safeguards. In 2017-2018, Sharp Elementary received an "A" Rating along with 6 out of 6 Distinction Designations and 100% System Safeguards. In 2018-2019, Sharp Elementary received 100% passing rate in 5th Grade Reading and 99% passing rate in 5th Grade Math.

In an effort to meet the varied talents and needs of all students, the school provides instruction in the following programs: Three-Tiered ELA/SLA curriculum, Bilingual education, gifted and talented education, special education, PPCD, computer-assisted instruction, Dyslexia, art and music education. In addition to the curriculum based upon the Texas Essential Knowledge and skills (TEKS), Sharp’s instructional focus includes an emphasis in language arts, mathematics, science, social studies, technology and fine arts. To supplement the Science curriculum, Sharp Elementary provides science laboratory instruction to students in grade 5 as a means to better prepare students for the science state exams. To supplement the curriculum and support the instructional programs, Sharp Elementary offers its students extended day and extended week tutorial programs to students requiring additional instruction and intervention. Sharp uses it federal, state compensatory, and Title III funds to fund these tutorials.

In addition, these funds are used to purchase additional resources to assist teachers and students in reaching academic goals. Much of these funds are also used for extended day and extended week tutorials and to purchase resources for our English Learner students in order to assist their English development in listening, speaking, reading and writing.

Students have access to television cabling and the school is Wi-Fi networked for campus-wide Internet accessibility and e-mail communication purposes for the instructional staff.

Students are encouraged to participate in District extra-curricular activities such as Destination Imagination (D.I.), Chess, U.I.L., Spelling Bee, Science Fair, Field Day, and Art Contests. Students are also encouraged to participate in campus extra-curricular activities such as: basketball, soccer, running, choir, guitar, student council and District performances. Every six weeks, the school recognizes students for their honor roll, perfect attendance and Accelerated Reader goals accomplishments by distributing certificates in these areas in a student-parent awards ceremony.

The school's special assignment teachers assist general classroom teachers to enhance the core curriculum. The school's counselor is available for classroom presentations, individual or group counseling for all students and is always available to conference with parents and employees when needed and upon request. The Counselor also hosts Career Day for students in fifth grade. With the Sharp Title 1 funds, the school is able to support parental involvement, a vital component for student success. A parent liaison is available to coordinate a parental involvement and volunteering program through weekly meetings and providing volunteer opportunities.

To celebrate the successes of the students, activities are held throughout the school year. The school hosts festivals, school dances, perfect attendance, Accelerated Reader parties and several other presentations. At the end of the school year, the school hosts grade level completion ceremonies, field trips and field day activities.

Objective 14: By the end of the 2020-2021 school year, the percent of students served in bilingual education programs will decrease through the development of the English language in the domains of listening, speaking, reading and writing.

Objective 15: By the end of the 2020-2021 school year, TELPAS scores will increase 5% in grades Kinder through 5th grade.

Objective 16: To increase the percentage of resources provided to students to develop technology skills and activities that require technology as appropriate to their grade-levels.

Demographics

Demographics Summary

Sharp Elementary views demographic data on a daily basis. The main focuses of the data that are reviewed includes academic performance among subgroups, progress monitoring and daily attendance. The main focus groups include At-Risk students, bilingual education students, and special education students. Once attendance is taken, we view our averages to see if we met our attendance goal which is 100% Average Daily Attendance. The attendance rate for all students was 96% and 95.5% for At-Risk students. Once we identify that we have not met our attendance goals, we make sure to call the parents of students who are absent and work to make sure absences are excused. If students are consistently absent, we make sure to conference with parents. In conjunction with our parent liaison, we make home visits in order to check on students who are chronically absent, seek parents after several attempts have been made, and assess the surrounding community area that can factor into students' attendance and academic performance. In addition, when needed, we seek the assistance of the district's attendance office and follow district policies for attendance afterward. Once students are identified as LEP, At-Risk, or Special Education, administrators and teachers begin consistent progress monitoring to make sure students are academically successful. The retention rate was 8.1 % for all students and 7.9 % for At-Risk students. State Compensatory funds are allocated to provide additional tutorials for At-Risk students to target specific academic weaknesses and ensure academic success. Title III funds are allocated to provide instructional resources such as novels, supplemental workbooks, academic bulletin board set, and consumable resources. In addition, Title I funds are utilized to fund extended day and week tutorials, supplies for professional development and to purchase instructional resources that supplement the core curriculum such as math manipulatives, academic bulletin board sets, consumable supplies, and help fun instructional assistants. Procedures for overseeing demographic concerns include viewing students' grades, benchmark scores, progress monitoring, verifying daily attendance, verifying after-school and Saturday tutorial attendance, and allotting time for teacher planning and parent conferences.

Demographics Strengths

- Sharp Elementary has a diverse population of students and families which enrich our learning community through appreciating differences among our school community.
- Effective use of budgeted funds to close the academic gap of our special populations.
- Strong Pre-Kinder and Kinder programs that provide foundation learning experiences
- EL student placement into the Bilingual Program
- RTI plans are in place and are updated continuously with current academic data
- Immediate identification and enrollment of homeless and unaccompanied youth
- TIER II Interventions are included in the Daily Schedule
- After-school Tutorials for all At-Risk students including Migrant, LEP/EL, and SPED Ed. students

Need Statements Identifying Demographics Needs

Need Statement 1 (Prioritized): Increase ELs, At-Risk, Migrant, Special Education, Dyslexia, Economically Disadvantaged students' assessment scores in C-PALLS, TPRI / TEJAS Lee / STANFORD / APRENDA, TELPAS, and STAAR in the content areas of reading, math, writing, and science through the use of core curriculum and any additional resources and necessary instructional materials and supplies. **Data Analysis/Root Cause:** Analysis of data shows gaps of special populations and all students.

Need Statement 2 (Prioritized): Increase ELs, At-Risk, Migrant, Special Education, Dyslexia, and Economically Disadvantaged student attendance. **Data Analysis/Root Cause:** Student attendance percentages decreased from 2019 to 2020

Need Statement 3 (Prioritized): PK Teachers and Teacher Aides will assist in small group instruction in order to close the academic achievement gap of early childhood students. **Data Analysis/Root Cause:** Analysis of data shows gaps of students that attended PK & K and all students.

Student Learning

Student Learning Summary

Critical to the academic success of Sharp Elementary is the disaggregation of students' progress and assessment data. Data is disaggregated consistently to identify the areas needing improvement such as meeting states' student expectation and TEKS mastery in the areas of reading, writing, math, and science. In addition, administrators and teachers review 4th and 5th grade students' data to ensure Index 2 will be met for the 2019-2020 school year. Data is disaggregated on a weekly basis through the analysis of progress monitoring, student grades, weekly fluency scores, percentages of students on an RTI plan, TPRI/TEJAS LEE beginning, middle, and end of year, end of unit benchmarks, and practice state assessment exams. Each week, both teachers and administrators meet to discuss students' progress, curriculum and instruction, and to prescribe individual intervention plans for students not mastering the TEKS. Interventions are noted through the students Response to Intervention (RTI) plan. To help support the instructional program, State Compensatory Funds support one full time Dean of Instruction whose focus on providing support in curriculum and instruction for At-Risk students. State Compensatory funds also fund a half-time dyslexia teacher that provides therapy for students who are identified as dyslexic and assist in funding full-time Pre-Kindergarten teachers. Administrators and teachers look at students' achievement scores and break down the test objectives to identify strengths and weaknesses. In addition, administrators and teachers work together weekly to build rigorous weekly tests that are correlated with state standardized assessments and correlated with the higher levels of Bloom's Taxonomy. These tests are designed to focus on the higher levels of Bloom's Taxonomy and prepare students for the secondary levels of education. Teachers and administrators then discuss the type of instruction students will receive to include effective research-based instructional strategies that will allow students to master the TEKS at higher levels of complexity and higher levels of depth on knowledge. Another focus group our campus focuses on are our migrant students. Migrant Funds are used to identify and recruit children of migratory workers for supplemental services designed to reduce the educational disruptions and other problems that result from repeated moves. In order to better utilize the Migrant funds, a Migrant Student Needs Survey was conducted to assess the supplemental support most needed by the migrant students of our campus. Based upon the migrant student needs survey, the faculty, staff, and administration are in agreement that the items listed below will provide most support to the migrant students. School Supplies such as paper, crayons, glue, binders, jackets, polo shirts.

School Processes & Programs

School Processes & Programs Summary

Sharp Elementary analyzes the school context and organization by looking at how school processes, structures, decision-making, and overall leadership positively affect classroom instruction. It is important to have systems in place so that there is not much inference or distractions from classroom instruction. Curriculum and Instruction are of high importance to the campus. The Dean of Instruction meets with the teachers on a weekly basis to apply the development of the current curriculum and to review data. The campus implements district curriculum initiatives and assessments as required by the state of Texas. The Texas Essential Knowledge and Skill (TEKS) prepare students for a quality education and for state assessments. Teachers work together to develop quality lessons for the six weeks. They are provided with co-planning time to complete their lessons and move forward with their plan of action. Administrators provide teachers with instructional resources and professional development opportunities. Planning for instruction and interventions is done through vertical and horizontal alignment.

Sharp Elementary teachers have a history of pride and loyalty to their alma mater. Sharp Elementary has an extremely high retention rate of teachers and other campus personnel. Interview committees consist of administrators and teachers in order to make high quality hiring determinations. New teachers are provided with a grade level mentor and administrative support in order to have positive success in their new profession.

School Processes & Programs Strengths

- Sharp Elementary operates as a campus-wide professional community as we model the belief that “Only the Best Instruction for Our Students”.
- Teacher and staff are involved in the decision-making process at all level.
- Grade levels study TEKS and students assessment data to plan and deliver best practice instruction.
- Grade-levels meet weekly with administration to discuss students’ academic progress, scope and sequencing, timelines and due dates.
- Administration and Faculty meet monthly to discuss school operations, safety procedures, upcoming events, and address any questions or concerns.
- The SBDM meets once every quarter to discuss school progress, programs, and school issues.

Need Statements Identifying School Processes & Programs Needs

Need Statement 1 (Prioritized): Increase Technology Tools, Training and Application. Sharp Elementary will produce well-rounded graduates who are prepared for the future through leadership technology training of personnel. **Data Analysis/Root Cause:** Analysis of data shows gaps of classroom technology instruction.

Perceptions

Perceptions Summary

The campus critically analyzes the school culture and climate to ensure that students are being provided with a safe, healthy, and disciplined environment conducive to student learning. Administrators and teachers meet on a weekly basis to discuss matters related to providing a positive school culture and climate. All members of the school community are consistently instructed on procedures and operations that will allow Sharp Elementary to provide a safe and smooth learning environment. A Title I partially funded, full time school nurse is always available to provide and assist medical treatment for students and staff. In addition, the SBDM representatives bring issues and concerns to the quarterly meetings. Campus long range plans, policies and procedures, and safety issues are communicated to both parents and community members to assist the campus in providing a positive culture and climate. Parents are strongly encouraged to get involved in volunteering opportunities that will assist their child's education. Issues are reviewed and discussed through consistent dialogue and both administrators and teachers create a plan to improve issues that affect School Culture and Climate. Furthermore, administrators, faculty, and staff consistently provide opportunities for professional collegial interaction to mold professional learning communities, positive working relationships, team building, and motivation.

Perceptions Strengths

- 95% of the scholars feel that teachers at this school help students do their best.
- 94% of the scholars feel that there enough supplies in the classroom to complete my school work.
- 98% of scholars feel that the school nurse or someone else helps them if they feel sick or hurt at school.

Need Statements Identifying Perceptions Needs

Need Statement 1 (Prioritized): The school needs to increase campus upkeep to ensure student health and safety. **Data Analysis/Root Cause:** Analysis of data shows a need for school building upkeep and to address COVID-19.

Need Statement 2 (Prioritized): A school-wide discipline behavior plan will be used to decrease discipline. This will include the use of the playground. In addition, the staff, parents, and students will continue to be educated on bullying issues. **Data Analysis/Root Cause:** Analysis of data shows a need for a school-wide behavior plan.

Need Statement 3 (Prioritized): Provide additional character education for students to reflect on being safe, respectful, responsible, cooperative, and always doing their best. **Data Analysis/Root Cause:** Analysis of data shows a need for character education for all students.

Need Statement 4 (Prioritized): The campus will provide weekly parent meetings and create a productive parent center. **Data Analysis/Root Cause:** Analysis of data shows a need to increase parent participation at the weekly meetings and at the parent center.

Goal 7: Educators will keep current with the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning. (TEA Ch. 4 Obj. 9)

Performance Objective 1: Academic related professional development will improve teacher effectiveness in providing student centered instruction to meet the needs of all students, including those receiving special education, dyslexia, second language and At-Risk supports to improve academic performance and engagement as evidenced by classroom observations.

Evaluation Data Sources: Professional development system (PDS) session attendance and evaluation reports, Feedback/Walkthrough report data, T-TESS evaluations

Summative Evaluation: Some progress made toward meeting Objective

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment that was developed, reviewed, and revised after a review of multiple data sources and meetings to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. The CNA is created, reviewed, and revised using the following: (1) Student/Parent/Staff Surveys (2) Data Analysis Meetings (3) Response to Intervention (4) Failure Reports The SBDM continuously reviews data to assess progress towards meeting campus goals and performance objectives. The CNA was reviewed/ revised on May 14, 2020. Based on the CNA, the SBDM committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have a minimum of 90 percent of all students and all student groups passing all parts of state mandated assessments in all the content areas. To accomplish these goals, the campus will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance. (1) strengthen the core academic program; (2) increase the amount of learning time including the funding of extended day and extended week tutorials for students who are At-Risk and in need of continued instruction to be successful in the succeeding school year; (3) include instructional strategies for meeting the educational needs of historically underserved student populations; (4) include instructional strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk students, or students not meeting State student academic achievement standards; (5) address how the school will determine if such needs have been met; (6) are consistent with and are designed to implement the State and local improvement plans; and (7) include instructional strategies in the content areas that will allow students to perform and meet goals in reading and in math. The CNA is reviewed quarterly (Oct., Dec., April, and May).

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

As per the SBDM committee, the campus improvement plan receives feedback from all stakeholders. It is comprised of school personnel, community members, parents, and business owners. The following stakeholders addressed the needs of the Campus Improvement Plan: Irma Segura, Principal; Mario Fajardo, Assistant Principal; SBDM Parents (2) SBDM Business Representatives (2) PK-5th Grade and Special Programs Teachers District Personnel All agreed that the CIP goals would include strategies that addressed the following: (1) strengthen the core academic program; (2) increase the amount of learning time including the funding of extended day and extended week tutorials for students who are At-Risk and in need of continued instruction to be successful in the succeeding school year; (3) include instructional strategies for meeting the educational needs of historically underserved student populations; (4) include instructional strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk students, or students not meeting State student academic achievement standards; (5) address how the school will determine if such needs have been met; (6) are consistent with and are designed to implement the State and local improvement plans; and (7) include instructional strategies in the content areas that will allow students to perform and meet goals in reading and in math.

2.2: Regular monitoring and revision

The Campus Improvement plan is monitored and revised at every SBDM Meeting. Formative reviews are completed in order to note the progress of the strategies created by the SBDM committee.

The CNA is reviewed quarterly (Oct., Dec., April, and May). The CNA was reviewed/ revised on May 14, 2020.

2.3: Available to parents and community in an understandable format and language

The Campus Improvement Plan is available on our school's website. In addition, the Dean of Instruction is readily available to answer any questions about our plan. You will be provided with a hard copy, upon request. The CIP meetings with parents provide information in both English and Spanish. Any requested translation of information is provided, as needed.

2.4: Opportunities for all children to meet State standards

To accomplish campus needs objectives, the staff will use the budgeted funds to implement school-wide reform strategies. State Compensatory funds will fund extended day and extended week tutorials for students identified as At-Risk. Tiered instruction will be used during daily instruction with an additional thirty minutes of Tier II and Tier III intervention instruction. Title I funds will be used to purchase supplementary instructional resources for Reading, Math, Writing, and Science.

2.5: Increased learning time and well-rounded education

All teachers will closely monitor all students' performance based on daily exercises and weekly tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. Extended Day will be offered to all students in PK-5th Grade. Data analysis plays an important role. Through the uses of state assessment data, meetings in conjunction with tutorials and staff development, students will become better prepared because their teachers will be better prepared. RTI meetings will be held every three weeks to analyze the progress of students and to review the effectiveness of the Tiered instruction, in addition to making recommendations for further assessment for special programs as Special Education, Dyslexia, and 504. Basic practice materials related to the state assessments needs is introduced and administered with emphasis in second grade, the second semester, to prepare those students to take the test in subsequent years. Stanford and Aprenda scores continue to show improvement because of appropriate placement of students. We continue to focus on the improvement of reading comprehension and isolated reading skills as evidenced in the TPRI/TEJAS LEE data.

2.6: Address needs of all students, particularly at-risk

Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the TELPAS, Stanford, Aprenda, and benchmark tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments. At-Risk students will be offered additional instructional time.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help students be successful at home, learn English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. With the high level of parental participation at the district sponsored meetings, more needs to be done to reach parents who are not

able to attend school for parent conferences, open house, and other parent meetings. Many parents are employed and are unable to participate as volunteers during the school day. We need to build a system to reach and educate all parents on a continuing basis. While many parents are recruited and approved by the district as volunteers, several of these parent volunteers do not make the commitment to remain as a volunteer for the school. By providing appropriate training, the achievement gaps can be reduced thus making them more effective in the art of parenting and providing a life-long desire for learning for their children. The parent liaison will help organize and coordinate classroom support through teacher collaboration. SBDM Members assisted with the development of Parent and Family Engagement Policy.

The SBDM Members and the parent liaison, Martha Sylva developed the Parent and Family Engagement Policy.

The Parent and Family Engagement Policy was distributed by the student handbook in the opening day packets, through parent meetings, and on campus.

The Parent and Family Engagement Policy was provided in English and Spanish.

3.2: Offer flexible number of parent involvement meetings

The parent involvement meeting schedule will be based on the needs of the campus. A flexible number of parent involvement meetings will be conducted. The meetings will also be offered in English and Spanish. The meetings are held on Wednesday mornings (9 a.m.) and afternoons (1 p.m.).

Parents will be provided information on the following: (1) Title IA required activities and funding (multiple times and dates, and during the fall/spring Open House), (2) Parental Involvement Policy that delineates how parents can actively be involved at the district/campus level, (3) School-Parent-Student Compact indicating group responsibility to ensure student achievement, (4) An Annual Title I meeting (multiple times and dates, and during the fall/spring Open House) to inform parents of services provided through Title I funds, (5) Description and explanation of the curriculum used at school, the forms of academic assessments use to measure student progress and achievement levels of the challenging State academic standards (6) Literacy and Technology training to help parents work with their children to improve their children's achievement

STUDENT WELFARE
FREEDOM FROM BULLYING

FFI
(LOCAL)

Note: This policy addresses bullying of District students. For purposes of this policy, the term bullying includes cyber-bullying.

For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.

Bullying Prohibited

The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Examples

Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.

Retaliation

The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.

Examples

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

Timely Reporting

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

**Reporting
Procedures**

Student Report

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee. The Superintendent shall develop procedures allowing a student to anonymously report an alleged incident of bullying.

Employee Report

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

STUDENT WELFARE
FREEDOM FROM BULLYING

FFI

Report Format	A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.
Notice of Report	When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.
Prohibited Conduct	The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, sex, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.
Investigation of Report	The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.
Concluding the Investigation	<p>Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.</p> <p>The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.</p>
Notice to Parents	If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.
District Action	If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. The District may notify law enforcement in certain circumstances.
<i>Discipline</i>	A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.

STUDENT WELFARE
FREEDOM FROM BULLYING

FFI
(LOCAL)

	The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.
<i>Corrective Action</i>	Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.
<i>Transfers</i>	The principal or designee shall refer to FDB for transfer provisions.
<i>Counseling</i>	The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.
<i>Improper Conduct</i>	If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take action in accordance with the Student Code of Conduct or any other appropriate corrective action.
Confidentiality	To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.
Appeal	A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.
Records Retention	Retention of records shall be in accordance with CPC(LOCAL).
Access to Policy and Procedures	This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District's website, to the extent practicable, and shall be readily available at each campus and the District's administrative offices.

Definitions

Bullying

“Bullying”:

1. Means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that satisfies the applicability requirements below and that:
 - a. Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property;
 - b. Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;
 - c. Materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or
 - d. Infringes on the rights of the victim at school; and
2. Includes cyberbullying.

Cyberbullying

“Cyberbullying” means bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

Applicability

These provisions apply to:

1. Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property;
2. Bullying that occurs on a publicly or privately owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
3. Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
 - a. Interferes with a student's educational opportunities; or

STUDENT WELFARE
FREEDOM FROM BULLYING

FFI
(LEGAL)

- b. Substantially disrupts the orderly operation of a class-room, school, or school-sponsored or school-related activity.

Policy

The board shall adopt a policy, including any necessary procedures, concerning bullying that:

1. Prohibits the bullying of a student;
2. Prohibits retaliation against any person, including a victim, a witness, or another person, who in good faith provides information concerning an incident of bullying;
3. Establishes a procedure for providing notice of an incident of bullying to:
 - a. A parent or guardian of the alleged victim on or before the third business day after the date the incident is reported; and
 - b. A parent or guardian of the alleged bully within a reasonable amount of time after the incident;
4. Establishes the actions a student should take to obtain assistance and intervention in response to bullying;
5. Sets out the available counseling options for a student who is a victim of or a witness to bullying or who engages in bullying;
6. Establishes procedures for reporting an incident of bullying, including procedures for a student to anonymously report an incident of bullying, investigating a reported incident of bullying, and determining whether the reported incident of bullying occurred;
7. Prohibits the imposition of a disciplinary measure on a student who, after an investigation, is found to be a victim of bullying, on the basis of that student's use of reasonable self-defense in response to the bullying; and
8. Requires that discipline for bullying of a student with disabilities comply with applicable requirements under federal law, including the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.).

The policy and any necessary procedures must be included annually in the student and employee handbooks and in the district improvement plan under Education Code 11.252. [See BQ]

Internet Posting

The procedure for reporting bullying must be posted on a district's Internet Web site to the extent practicable.

**Prevention and
Mediation**

A district may establish a district-wide policy to assist in the prevention and mediation of bullying incidents between students that:

1. Interfere with a student's educational opportunities; or
2. Substantially disrupt the orderly operation of a classroom, school, or school-sponsored or school-related activity.
