

Don Bosco Technical Institute 2020-2021 Dress Code

Greetings to our parents and new/current students,

June 9, 2020

Thank you for being a part of the Bosco Tech community! I would like to take a few minutes to remind our community of our dress codes for the upcoming 2020-2021 school year.

We at Bosco Tech, believe that adherence to a dress code is an important aspect of a student's overall social and educational development. This dress code is based on the school's desire to:

- a. *help instill in the student a sense of appropriate attire and grooming for various occasions and circumstances.*
- b. *reflect respect for themselves, one another, the faculty and staff, and the educational goals of the Institute.*
- c. *create a sense of identity among the students.*
- d. *prevent students from identifying with, or feeling threatened by, attire or grooming associated with disruptive or negative influences.*
- e. *establish a level of professionalism that will enable students to transition into the workforce as adults.*
- f. *identify intruders and keep the campus safe.*

For these reasons, I ask that you read and become familiar with our school dress codes.

Parental Responsibility: Bosco Tech feels it is the responsibility of the parent(s) to see that their son complies with the dress and grooming policies listed in the schools website and handbook. Students are expected to be in Dress Code from 7:30 AM to 3:05 PM during school days, whether they are in class or not, unless otherwise designated by the school. Clothing must be neat, clean, and in good condition (not worn or torn).
