**SUPERINTENDENT'S REPORT TO THE COMMUNITY**

Mr. Ryba shared with the Board and the Community what the District has done to ensure the safety of our students and staff. The list is extensive and Mr. Ryba spoke on each item. There are also a variety of precautions that are not shared but that are important to the overall safety plan. The Administration has worked collaboratively with the Police Department and are looking for increased police presence during times of need, as well as during a typical week. They are also recommending an SRO for the middle school. Mr. Breckner is the lead to oversee the safety of all the buildings. On the District's website, there is a shortcut link to "Stay Safe" which gives an option for on-line reporting or a phone number to call to report any type of behavior. This can be anonymous or a name can be given. This system is reviewed quickly and reported to Mr. Ryba and/or Mrs. Pelko. The District's safety plan is consistently reviewed throughout the school year and the District is in a very beneficial spot in terms of the overall safety plan for the buildings.

## **SUPERINTENDENT'S REPORT TO THE COMMUNITY**

Mr. Ryba will direct Mr. Foust to include information in the *Mustang Moments* regarding the "Stay Safe" link on the District website.

Discussion was had regarding the District's safety and security. Col. Evans asked parents to remind their students to not let others follow them inside the school building. This is called piggybacking. Anyone entering the building should be directed to the front door entrance.

Police officers will be in uniform when they are present in the school buildings.

There are four Community Conversations scheduled all beginning at 6:30 p.m. The topics were determined per survey results. The first one is scheduled for February 27<sup>th</sup> in the Middle School Auditorium. Discussion will be regarding Gifted Services & Honors/AP Programming. The second one is scheduled for March 20<sup>th</sup> to be held in the Strongsville City Council Chambers in partnership with the police department. School safety will be discussed. Next is April 24<sup>th</sup> in the High School Media Center with the topic of Preparing Our Students for Life after SHS.
