<p>* Students registered for AI Program placement consideration who do not attend Saturday virtual CogAT testing will be considered to have withdrawn from the process.</p> <p>Students must be attending BRRSD in order to be considered for placement in the AI and E Programs. Families who move to BRRSD and whose children begin attending one of the BRRSD schools between January and June should contact the Supervisor of Special Programs regarding the process for consideration. Families who move to BRRSD after June and whose children will begin attending one of the BRRSD schools beginning in September must wait until the next screening opportunity for consideration. Exceptions can be made if the student moves from a district where he or she was attending a gifted and talented program that had similar entrance criteria. Parents or guardians should contact the Supervisor of Special Programs if this circumstance applies to their student or students.</p>
