DARIEN PUBLIC SCHOOLS
Finance Department

Memorandum

DATE: February 7, 2020
TO: Dr. Alan Addley, Superintendent of Schools
FROM: Richard Rudl, Director of Finance & Operations
SUBJECT: FY 2020 Financial Report through January 2020

Enclosed please find the attached:

1. Financial report for fiscal year 2020 through January 2020.
2. List of accounting adjustments for January 2020 within Broad Categories
3. List of Transfers for the Board of Education's consideration and approval.
4. PowerPoint Presentation of the financial report.

Highlights of the first financial report through January 2020:

The financial report currently shows a year-end forecast of \$351,866 or 0.35%. The General Education RC's forecast a current surplus of \$544,790 with the Special Education RC's forecasting a negative forecast of \$(192,923).

The highlights of that surplus include:

RC 1 (Darien High School):

- Salary savings due to an FMLA leave of absence of \$18,860. Depending on the return of the employee, this amount could increase. It is likely these funds will be recommended for an accounting adjustment to Long-Term Substitutes.
- Student Interns shows a favorable balance of \$600.
- Salary savings due to a retirement in a secretarial position of \$30,485. This position is not intended to be filled as it is recommended in the FY21 budget as a budget reduction.

RC 2 (Fitch Academy):

- Salary savings of \$4,118. Adjustments were made to the account location of teachers between DHS and Fitch.

RC 3 (Middlesex Middle School):

Darien Public Schools/BOE, 35 Leroy Avenue, P.O. Box 1167, Darien, CT 06820

- Salary savings due to FMLA leave of absences of \$104,124. It is likely these funds will be recommended for an accounting adjustment to Long-Term Substitutes.
- Salary savings of \$4,481 due to staff turnover.
- Student Interns shows a favorable balance of \$600.

RC5 (Hindley):

- Salary savings of \$1,046 due to staff turnover.
- Student Interns shows a favorable balance of \$600.

RC7 (Holmes):

- Salary savings of \$6,822 due to staff turnover.

RC8 (Ox Ridge):

- Student Interns shows a favorable balance of \$600.

RC 9 (Royle)

- Salary savings of \$6,862 due to staff turnover.

RC 10 (Tokeneke):

- Salary savings of \$4,288 due to staff turnover.

RC12 (Maintenance):

- Consultant Services is forecasted at a negative variance of \$(27,500). This is due to a projected cost for an architectural study for the removal of portables and the library reimagined project as discussed at the November 14, 2019 Facilities Committee meeting. There is a transfer for BOE consideration to cover the cost of this study.

RC 18 (Personnel):

- Certified Column changes has an available forecast of \$57,591.
- Budget Control remains untouched at \$263,360

RC 19 (Curriculum):

- Salary savings of \$1,541 due to staff turnover of a secretary position, which has now been filled.

RC 20 (Finance):

- Auditing Services shows a favorable balance of \$184 as this expense has been paid and Blum Shapiro has filed the audit.

RC 23 (Continuing Education/Summer School)

- Adult Education Contracted Services has a negative forecast of \$(8,000). This is the amount the district pays Stamford Public Schools for running its Adult

Education program. We expect to bring a transfer forward at a future Finance Committee meeting.

- Consultant Services has a positive forecast of \$126

RC 24 (Special Education):

- The forecast for teacher salary savings is \$43,126.
- The forecast for Speech Therapist salary savings is \$1,191.
- The forecast for teacher aides shows a positive forecast of \$27,597 due to staff turnover.
- Consultant Services are forecasted to have a negative variance of \$84,469. These are services provided students based on their IEP's, which range from behavioral, educational, psychotherapy, or music therapy services. There is a transfer for BOE consideration to cover this negative variance.
- Legal fees are forecasted to have a negative variance of \$(20,000). Legal services have been paid through December. The lower than expected December invoice has resulted in the forecast being reduced by \$10,000 from the prior month.
- Professional Development is forecasted to have a negative variance of \$(15,000) this is due to needed professional development in the area of Elementary Co-Teaching, Speech and Language Pathologists, and Psychologists. There is a transfer for BOE consideration to cover this variance.
- The forecast for In District Transportation shows a favorable forecast of \$20,444.
- The forecast for Out of District Transportation shows a favorable forecast of \$19,507.
- Tuition Public Schools is now forecasted to have a positive variance of \$37,025 due to changes in student placements.
- Tuition Non Public Schools is forecasted to show a negative balance of \$(14,577). However, it is important to note there are several possible placements being monitored, which could increase or decrease the anticipated expenditure and some of those could potentially reach excess cost levels should they materialize.
- Excess Cost is currently forecasted at \$2,643,330, which is \$(207,768) less than budget. This has an entitlement cap of 74.8%. This amount is based on the CT State Department of Education's Estimated Grants (included) capped entitlement, which was released in January. It is important to note that another excess cost filing occurs March 1st, which might slightly adjust this figure but given the estimated revenues are now released by the State we are forecasting that figure. However, we are anticipating the March 1st filing as of today will be \$3,562,950 with an entitlement cap of 74.8% will result in \$2,665,087 or \$21,757 more than the current forecast. Should this materialize we will update the forecast at that time.

It is important to note that from the FY 19 reimbursement of \$3,427,518 to the FY 20 forecast of \$2,643,330 there were nine students who aged out of the district, which were excess cost eligible students, totaling approximately \$1 million in reimbursement. These nine students represent the majority of the difference

between \$3.4 million reimbursement last year and the anticipated \$2.6 million reimbursement this year.

RC 25 (Fixed):

- The forecast for fuel oil/natural gas is a positive \$31,648. Both Darien High School and Middlesex Middle School have seen a decline in costs due to the switch in natural gas. Based on this we expect to be under budget in this category and will continue to refine this projection as the heating season progresses.
- Water is currently positive forecast of \$4,946.
- Electricity is currently a positive forecast of \$31,103.
- Workers compensation has a positive forecast of \$2,769.
- Medicaid reimbursement revenue has been received in the amount of \$3,531.

RC	Fiscal Year Adjusted Budget	Fiscal Year 2020 Forecast	Forecasted Balance
RC 1 Darien High School	\$13,439,420	\$13,389,475	\$49,946
