

Memorandum

DATE: October 19, 2020
TO: Dr. Alan Addley, Superintendent of Schools
FROM: Richard Rudl, Director of Finance & Operations
SUBJECT: FY 21 Financial Report through September

Enclosed please find the attached:

1. FY 21 Financial Report through September 2020.
2. List of accounting adjustments for September 2020 within Broad Categories
3. List of Transfers for BOE consideration and approval.
4. PowerPoint
5. Reopening Expenditures
6. October NCEP
7. CSDE Change to NCEP calculation

Highlights of the Financial Report for FY 21:

Fiscal Year 2021 currently projects a year-end deficit of \$2,120,187. This includes COVID-19 re-opening school expenditures projected at \$2,675,042. We have included a separate RC, RC28 to highlight COVID19 expenditures. These expenditures exclude any expenditures that were reimbursed by the State of Connecticut or are anticipated to be reimbursed by the State of Connecticut. We have included a breakdown of those expenditures separately as well.

RC's	Forecast
General Education RC's	\$426,393
Special Education RC's	\$128,462
Re-opening Expenditures	\$(2,675,042)
Total	\$(2,120,187)

The highlights of that surplus include:

RC5 (Hindley):

- 5th Grade is 1 section under budget based on enrollment. This is leaving salary savings of \$76,701. We are recommending a transfer to move these funds to RC28-COVID expenses to cover the cost of the Hindley 3rd grade section added due to social distancing constraints. (Non COVID Savings)

RC 7 (Holmes):

- Kindergarten is 1 section under budget based on enrollment. This is leaving salary savings of \$118,426. We are recommending a transfer to move these funds to RC28-COVID expenses to cover the cost of the Holmes 2nd grade section added due to social distancing constraints. (Non COVID Savings)

RC 10 (Tokeneke):

- Kindergarten is 1 section under budget based on enrollment. This is leaving salary savings of \$67,773. We are recommending a transfer to move these funds to RC28-COVID expenses to cover the cost of the Tokeneke 5th grade section added due to social distancing constraints. (Non COVID Savings)

RC11 (Athletics and PE):

- Salary savings of \$3,598 due to the vacancy in the Assistant Athletic Director position. This position is posted and recruitment is underway. (Non COVID Savings)
- Given we are not having building rentals through December 30, 2020 we are forecasting less custodial overtime for the YMCA. This is leaving a projected surplus of \$13,400. If building rentals continue to be closed in January this will increase. (COVID Savings)
- Currently the weight room is not being utilized due to social distancing constraints. This is leaving a favorable forecasted balance of \$6,275. (COVID Savings)
- Intramurals are currently not occurring; and as a result we are forecasting a partial year's savings of \$35,354. (COVID Savings)

RC12 (Maintenance):

- Use of Fields revenue has surpassed expectations as our fields were able to be rented during the summer due to the virtual DSS. This is resulting in the forecast-surpassing budget by \$33,316. (COVID Savings)
- Given our buildings are not being rented out until December 31st we are forecasting a deficit in building rental revenue of \$42,606. (COVID Lost Revenue)

RC 13 (Music):

- Transportation is forecasted to be under budget by \$6,000 as field trips are not currently underway. (COVID Savings)

RC 15 (Technology):

- Salary savings in the copy center of \$5,532 due to turnover. (Non COVID Savings)
- Repairs and Service contracts are currently forecasted at a deficit of \$10,030. The increase in number of devices has led to an increase in the number of Chromebook repairs needed. Additionally, as staff has been deployed to troubleshoot technology issues more repairs have had to be contracted out as opposed to be done by our technicians. We anticipate this being a transfer at a future meeting. (COVID and Non COVID)

RC 18 (Personnel):

- Staff turnover has exceeded budget and we currently have \$45,404 available in excess savings. We had 30 certified teachers leave the district resulting in staff turnover savings against a budget of 24 many of which were in the last few weeks prior to school opening. We have also received a few additional resignations, which are not included in this forecast, as the teachers will not leave the district for 30 days. (COVID and Non COVID)
- Contract support savings is \$36,490 as the secretaries' and nurses' contracts came in under budget. (Non COVID Savings)

RC 23 (Continuing Education/Summer School):

- DSS exceeded revenue estimates by \$20,417. (COVID Savings)

RC 24 (Special Education):

- Salary savings from a teaching position being covered by a long-term substitute. The long-term substitute is being charged to RC18 Long-Term substitutes. (Non COVID)
- Transportation/Driver position shows a positive forecast of \$2,400 based on salary savings for a replacement driver. (Non COVID)
- Tuition Public Schools is forecasted to be a positive \$150,107 due to student placement changes and return to district students. (Non COVID)
- The forecast for excess cost currently reflects the budgeted amount as it is too early to determine any fluctuations in excess cost as our first submission will be December 1st. The State has preliminarily indicated the possibility the reimbursement rate will be between 67% and 70%. We budgeted a reimbursement rate of 75%. This means if our expense estimates and 4.5 times threshold remain constant to budget we would lose \$247,598 at 67% or \$154,749 at 70%. Currently the CSDE has set our 4.5 multiple at \$96,497. This amount is lower than the budgeted threshold of \$102,137. This is a result of the CSDE changing the calculation for the Net Current Expenditure Per Pupil (NCEP) by excluding minor capital expenditures. Assuming the same budgeted claim but the lower NCEP and lower reimbursement of 67%, we would be short of the budget by \$67,487.

RC 25 (Fixed):

- Regular transportation is forecasted with a favorable balance of \$35,437, which is due to the school year being reduced from 180 days to 177 days per the Commissioner of Education. (COVID Savings)
- Sewer costs are forecasted to be under budget by \$13,440. Usage was significantly down due to the closure of schools. (COVID Savings)
- Property Insurance is forecasted with a positive balance of \$1,180. (Non COVID)
- Workers Compensation is forecasted with a positive balance of \$15,631. (Non COVID)
- Student Accident Insurance is forecasted with a positive balance of \$4,540. (Non COVID)

- Unemployment is currently forecasted at a deficit of \$60,000. Due to the cancellation of in person ESY and changes to State Unemployment, paraprofessionals who previously taught are eligible to collect unemployment. (COVID and Non Expense)

RC 26 (Early Learning Program):

- ELP Tuition is forecasted at a negative variance of \$89,797. We currently only have 35 ELP students paying tuition against a budget of 48. We had 1 student withdraw since last month increasing the negative variance. (Non COVID and COVID)

RC 28 (COVID Re-opening Expenses):

- Staffing Costs are currently forecasted at \$1,515,347, which include:
 - 7.0 FTE Elementary Teachers
 - Part Time Temporary Custodians
 - 4.0 FTE Campus Monitors
 - 2.0 FTE Technicians
 - 6.0 FTE Lunch Monitors
 - 0.2 FTE Nurse
 - Contracted LPN's
- Facilities cost are currently forecasted at \$834,508, which include contracted cleaning, plexiglas, touchless hand sanitizer, PPE's, custodial supplies, storage, and maintenance repairs.
- Technology costs are currently forecasted at \$187,776, which include increased internet speed, enhancements to the firewall, zoom and devices.
- Material costs are currently forecasted at \$69,551, which include materials for additional COVID related sections, art materials to prevent sharing of materials, and music materials for sanitary reasons.
- Athletics is currently forecasted at \$67,860, which is the cost to rent the YMCA swimming pool.

RC	Fiscal Year Adjusted Budget	Fiscal Year 2021 Forecast	Forecasted Balance

Total	\$2,675,041	\$482,108	\$3,157,149	\$(482,108)	\$(315,052)	\$2,359,989

Change in Re-opening Expenses

Monthly Financial Report – September 2020

Salaries: The negative variance within salaries is largely attributed to the following

Monthly Financial Report – September 2020

Operating: The negative variance within operating is largely attributed to the following

Repairs and Service: \$(10,030)

Music Transportation: \$6,000

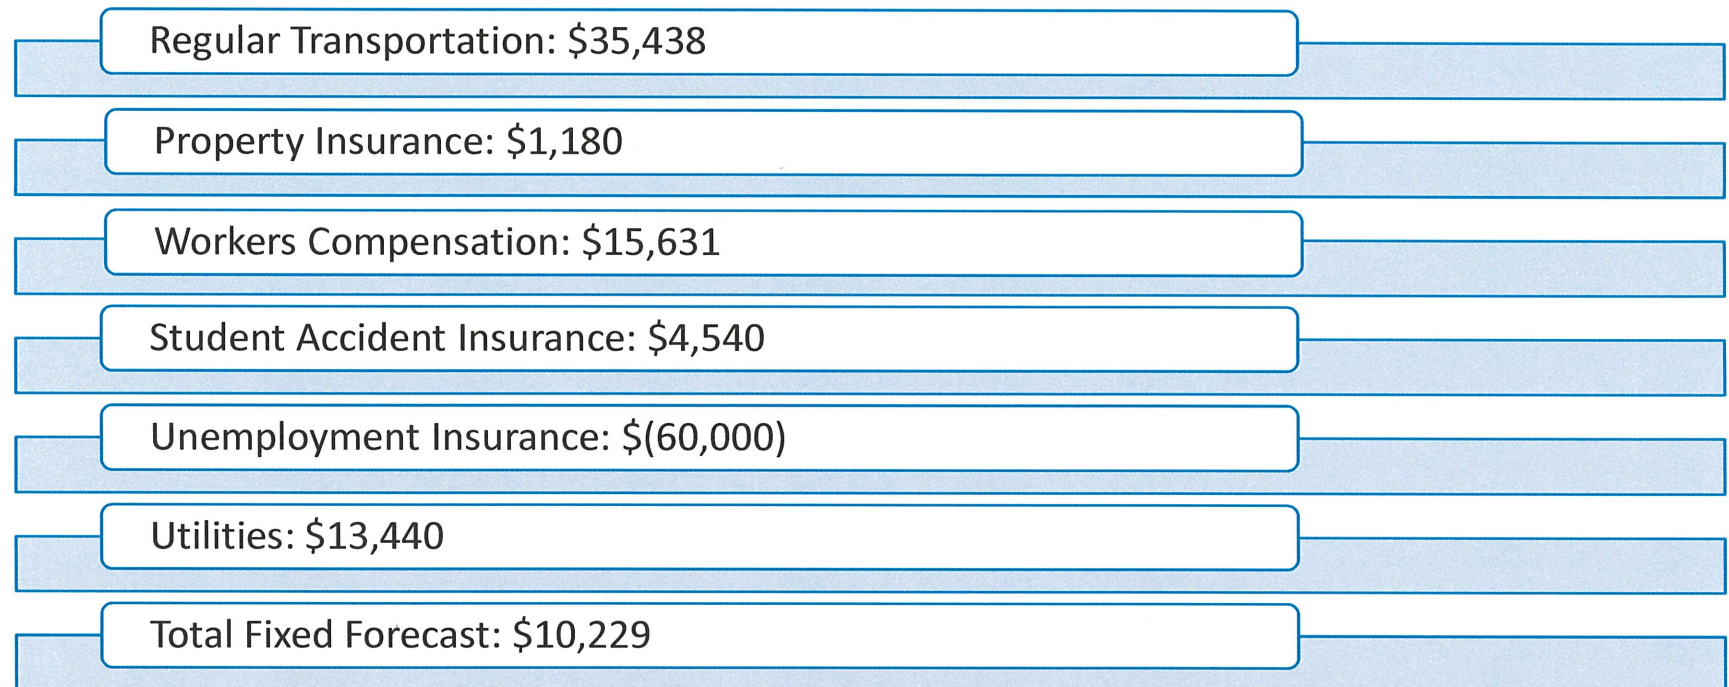

Non Public Tuition: \$150,107

Re-opening Expenses: \$(1,154,623)

Total Operating Forecast: \$(1,008,546)

Monthly Financial Report – September 2020

Fixed: The positive variance within fixed is largely attributed to the following

Monthly Financial Report – September 2020

Equipment: The negative variance within Equipment is largely attributed to the following

Re-opening Expenses: \$(154,876)

Total Equipment Forecast: \$(154,876)

Monthly Financial Report – September 2020

Revenue: The negative variance within revenue is largely attributed to the following

Building Rentals: \$(42,606)

Field Rentals: \$33,316

Summer School: \$20,417

ELP Tuition: \$(89,797)

Total Revenue Forecast: \$(78,670)

Policy Concerning Definition of Capital Expenditures for Land and Buildings

Policy No. 2020-1

Background:

Section 10-261(a)(3) of the Connecticut General Statutes defines Net Current Expenditures (NCE), which are used in determination of the Per Pupil Cost used in the calculation of Special Education Excess Cost grants per Section 10-76g. The definition of NCE specifically excludes “capital expenditures for land, buildings, equipment otherwise supported by a state grant pursuant to chapter 173 and debt service”. Through regulation and policy, the State Department of Education (CSDE) narrowed the definition to include minor capital improvements. Specifically, Regulation 10-261(c) provided a definition of capital expenditures, which included remodeling of buildings and extensions of service systems. CSDE Policy No. 85-2 further defined these terms to exclude the more minor types of capital expenditures such as those involving less than 20 percent of the building area or replacing roofs. Regulation 10-261(c) was repealed in 1997; CSDE continues to adhere to the definitions provided in the regulation and policy.

To accommodate the requirements of Policy 85-2, CSDE requires districts to report “major” and “minor” school construction expenditures separately in the Education Financial System (EFS); major costs are excluded, minor costs included, in the calculation of NCE. Federal accounting guidelines do not make a distinction between major and minor construction; CSDE combines these for federal reporting.

Issue:

Due to the definitions currently being used, significant one-time expenditures for roof replacements or many smaller remodeling projects are included in the annual per-pupil costs used to determine the basic contribution amounts that districts must expend for each special education student before the state begins to reimburse for the student’s special education costs. Additionally, these “minor” school construction expenditures are currently included in per-pupil expenditures calculated for public reporting.

The common definition of “capital expenditures for land, buildings, equipment otherwise supported by a state grant pursuant to chapter 173” would include the types of “minor” expenditures that are currently excluded; projects such as roof replacements would normally be classified as capital expenditures. Inclusion of these “minor” capital expenditures in NCE can cause wide variances in per pupil expenditures from year to year and from one school or district to another.

Recommended Policy:

Rescind CSDE Policy 85-2. Eliminate the distinction between major and minor school construction for expenditure reporting.

Rationale:

The recommended policy will exclude all capital expenditures for land and buildings from NCE, improving consistency and comparability of data from year to year and from one school or district to another. This will help to reduce one-year swings in NCE which in turn will make special education excess cost grants more predictable for districts.

Memorandum

DATE: October 19, 2020
TO: Board of Education
FROM: Dr. Alan Addley, Superintendent of Schools
Richard Rudl, Director of Finance & Operations
SUBJECT: FY 21 Re-opening Expenditures

Provided is an update on the re-opening expenditures for Fiscal Year 2021. We have received a proposal from Lionheart Cleaning to perform contracted custodial work on Saturdays starting October 17th through the end of the school year. The total cost is \$251,250.

Also included in this document is proposed transfers that will go to the Board of Education's Finance Subcommittee totaling \$315,052. If approved it would cover the cost of four of the seven elementary teachers added to adhere to social distancing. The transfers come from savings from under-enrolled sections at the elementary schools as well as savings from transportation due to the school year being shortened from 180 days to 177 days.

Included in the forecast are 19.2 FTE's (7.0 FTE Elementary Teachers, 4.0 FTE Campus Monitors, 2.0 FTE Technicians, 6.0 FTE Lunch Monitors, 0.2 FTE Nurse). For positions that are unfilled, we are assuming a benefits package of Employee plus one and will update the forecast based on employee elections as well as actual start date.

The district has been approved for two grants, the ESSER grant for \$134,611 and \$347,497 for the Coronavirus Relief Fund. The State Department of Education announced the ability to re-allocate costs among categories for the Coronavirus Relief Grant as these funds must be expended by December 30th. We will submit for re-allocation to move some items to the Plexiglas line item but this will not change the overall awarded dollar amount.

Currently total spending is forecasted at \$3,157,149 with grant reimbursements of \$482,108 bringing the total down to \$2,675,041. We are recommending for BOE approval transfers totaling \$315,052, which would bring the total amount to \$2,359,989.

We will continue throughout the year to bring recommended transfers to the BOE for consideration as potential sources of budgetary relief materialize. Areas that will anticipate creating savings that could be moved to offset some of these costs include:

- \$35,354 for intramurals, which are currently not being held due to COVID-19 restrictions. This is an estimate that intramurals will be on hold until December 31st.
- \$13,400 for custodial related to not hosting YMCA basketball through December 31st.
- \$6,275 for the weight room supervision being on hold.
- \$6,000 for Music Transportation for half the year.
- \$25,000 furniture

It is possible other areas will materialize that are not listed above as the year progresses and we will continue to bring those items to BOE Finance Committee for discussion.
