

Newark Teacher Induction Program

MISSION STATEMENT

Newark Teacher Induction Program is a collaborative network of professional educators who support and mentor teachers with a preliminary teaching credential through the requirements of Induction that lead to a professional clear credential. Through a structured system of formative assessment, research-based inquiry, and data analysis, Newark Teacher Induction Program is committed to empowering teachers ...

- ❖ to be reflective practitioners and lifelong learners,*
- ❖ to be prepared to meet the needs of their diverse teaching population, and*
- ❖ to strive for student success in academics, character development and civic participation.*
