Student Learning

Student Learning Summary

Palm Grove Elementary is committed to creating an environment conducive to social and academic growth where all student can and will succeed. Through continued professional development, teachers are implementing the TEKS through the use of research based strategies, techniques, and activities with a continued focus on differentiated, rigorous instruction. The RTI Committee is available and meets, on a regular basis, to assist and collaborate with teachers to determine the effectiveness of the tier 2 interventions and/or the need for tier 3 interventions for struggling students.

We are showing steady growth in C-PM and TPRI-Tejas Lee in the lower grade levels. While these achievements are certainly cause for celebration we still face several challenges. The 2017-2018 STAAR results showed the following Approaches data: 15% increase in 3rd grade Reading, 16% increase in 3rd grade Math, 18% increase in 4th grade Math, no growth/loss in 4th grade Reading and Writing, 1% growth in 5th grade math, 8% loss in 5th grade reading and 2% loss in 5th grade Science when compared to the 2016-2017 STAAR results. As a campus, we recognize the challenges of the 2018-2019 school year, and will continually strive to raise our standards and expectations to ensure that each of our students reach their full potential. Due to the COVID-19 pandemic, the state STAAR assessment was waived for the 2019-2020 school year.

School Processes & Programs

School Processes & Programs Summary

Teachers are provided, high quality professional development as per district initiatives and self-evaluation in order to provide high quality instruction to all students. Teachers integrate professional development strategies, Texas Literacy initiatives, District curriculum and supplement it with additional resources to vary instruction based on student strengths and weaknesses. Weekly tests and grade level campus and district benchmarks are used to measure student achievement. Furthermore, performance on the TPRI/Tejas Lee, C-PALLs, TELPAS, PBMAS, benchmarks and weekly fluency trackers are used to monitor student achievement. Assessment results are used to adjust the instructional plan and meet set goals on the data information plan. The Texas Literacy recommended interventions will be used with Tier II and Tier III plans to support student success. Interventions are research based strategies and monitored for effectiveness. The RTI committee proceeds with recommendations for 504 or Tier III instruction as needed followed by a dyslexia screener or Special Education testing based on documented Tier interventions and student needs. Teachers are provided with opportunities for vertical and horizontal alignment and planning. Office staff and administration use technology on a daily basis to support in the process of generating, printing and analyzing reports and information for parents. Technology has also been integrated across all grade levels/classrooms as well as scheduled computer lab time for instructional/student support.

Palm Grove is participating in the extended day program and will be able to offer more after school activities to all students from Prekinder to 5th grade.

District guidelines are followed when assigning scheduled time for each content area. The school's schedules are then formulated to maximize the amount of time spent on instruction. A Tier II intervention period is built into the daily schedule to provided additional assistance to struggling learners. Instructional meetings and/or events will always supersede any other campus event. Grade level meetings with administration are held on a weekly basis in order to disseminate information to the teachers, co-plan and provide an opportunity for teachers to discuss any issues.

In order to increase parental participation, Palm Grove communicates with parents via the school website, school messenger, fliers and parent conference. Each teacher is required to keep a parent communication log to document any and all contacts made with parents. All communication is done in both English and Spanish to better assist parents. Attendance at parent meetings is strongly encouraged and will be improved by offering a variety of relevant topics such as Bilingual Transitional Program, instructional strategies, homework and parent assistance, RTI, and STAAR updates. Faculty and Staff are encouraged to recruit and invite community members to be part of the instructional component of the school. Parents are welcome to collaborate with parent liaison and District parent liaison to support community partnerships. Meet the teacher night is popular and is heavily attended by parents. A Fall and Spring Carnival is held as a fund raiser, which allows our students to showcase cultural dances, singing, and poetry to parents; this event is heavily attended as well.

Language Arts

Palm Grove implements a high quality literacy plan provided by the district alongside campus initiatives to improve reading and writing. Faculty members have the opportunity to participate in various ELA professional development as well as implementing software programs to supplement the language arts curriculum. Furthermore, campus initiatives sustained include fluency tracking, Accelerated Reading, Interactive Journals, literature units, etc.

Math

Campus Software will provided to Kinder and First Grade Students to supplement the curriculum. Teachers attend professional development throughout the school year. Additionally, students work with interactive journals and manipulatives to enhance their learning.

Science

The campus currently uses Study Island to support the regular curriculum. In addition, 5th Grade will continue to departmentalize their curriculum for the 2020-2021 school year. Due to the COVID-19, STAAR Scores were not available in the area of reading and math as well as science. Students in 3rd-5th work with science fair projects each year. The science teacher attended all required professional development this school year.

Social Studies

The curriculum and instruction department purchased weekly social studies newsletters to support instruction. All students had the opportunity to participate in Social Studies project this school year.

Technology

This school year, additional IPODs were purchased for use of All Students on campus.

Perceptions

Perceptions Summary

Palm Grove Elementary School is one of thirty-seven (37) elementary schools in Brownsville ISD. The campus was originally established as the Cameron County Educational District in the early 1900s. The school then served students from elementary through high school. The original school was comprised of six portables, a cafeteria, library and gymnasium. It was taken over by BISD in the 1930's as the school was falling into disarray. In 1975, twenty-seven (27) classrooms were added and the school continued in operation as such until 2008-2009 when a new wing of six (6) classrooms was added and Palm Grove became what it is today: a community school that values education.

All staff members at Palm Grove Elementary believe that students learn best in an environment where differences are considered a strength and mistakes are seen as opportunities to learn and grow. A classroom management framework that supports higher expectations implemented throughout campus. All faculty and staff is involved in school safety which is promoted at all levels. A campus procedure for school visitations is in place and strictly adhered to. We have one security guard and response from BISD police (to reach our campus) is from twenty to twenty-five minutes. Positive behaviors are rewarded to individual students by their teachers and administration. Our counseling programs support positive behavior interventions and affirmations allowing students to feel they can step out of their comfort zone and learn in new ways. Our drill team, chess club, UIL, science fair, 5th grade choir, Makerspace, Coding, library club and soccer teams are a strong part of our school.

Perceptions Strengths

The attendance committee rewards students with perfect attendance at the end of every six weeks. The school Librarian promotes accelerated reading by offering popcorn and a movie on a six weeks basis.

Students feel safe and secure through our proactive bullying interventions and strong teacher-student-peer to peer relationships. The counselor does a wonderful job promoting positive character traits and ensure that our students know what to do if bullied or see bullying going on, emphasizing a zero tolerance for bullying. All other safety procedures are in place, RTI and Review 360 plans implemented and the Security Officer provide expertise in safety procedures.

In addition the Special Education/Dyslexia/Migrant teachers meet to co-plan with teachers every six weeks or as needed. The Dean along with the district specialist assist teachers with planning and delivery of instruction as well as provide research based interventions activities to support the RTI process. Our Schoolwide Title I program consists of parent involvement actives which are done on a regular basis.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

Palm Grove continuously follows the Texas Accountability Interventions and supports improvement cycle to review data in assessing progress towards meeting campus performance objectives. Furthermore, the Faculty and Staff at Palm Grove Elementary met to review the Comprehensive Needs Assessment on August 7, 2019 during Staff Development Day. Palm Grove Elementary 2018-2019 STAAR scores included the following strengths: Academic Achievement in Mathematics, Academic Achievement in Science, and Postsecondary Readiness. A Comprehensive needs assessment survey is conducted every spring that includes information on academic achievement of students as per the academic standards set by the State. The focus is on students who are not meeting academic and state standards or who are coded At-Risk of failing to meet the standards. The campus is continuously reviewing data to assess progress towards meeting campus goals and performance objectives. In addition, multiple measures are used to determine areas of greatest need for instruction, professional development, attendance, safety, technology and other areas. In addition, TELPAS will be monitored effectively to ensure higher levels of advanced high attainability. The Comprehensive Needs Assessment is found on page 5-13 and determine the strengths and needs of students, staff, parents and community involvement and facilities before deciding how to use available local, state, and federal budget allocations. The campus goal is to have 90% if all students and all student groups passing all of state mandated assessments for the 2019-2020 school year and to increase the advanced performance level in all content areas. The Campus Needs Assessment is reviewed at the end of the school year.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The Site-Based Decision-Making (SBDM) Committee collaboratively develops and reviews the CNA survey to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have all students and all student groups passing all parts of state mandated assessments for the 2020-2021 school year with a minimum of 80% or 3% higher from the previous year's score, as well as increase the approaches, meets, and masters levels.

2.2: Regular monitoring and revision

The CIP is regularly monitored and updated by the SBDM committee and campus administration to assess campus/student needs, set improvement goals, and create action plans. The CIP drives decision-making about budgeting, curriculum, staffing, staff development and school organization and includes the required program components. The SBDM Committee met to review, evaluate and update the CIP on May 19, 2020. Teachers will be included in decisions regarding the use and selection of academic assessments to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to TELPAS, TERRANOVA/SUPERA, LION, TPRI/Tejas Lee, CPALLs, OWL Monitoring, previous STAAR scores, and benchmark tests, to make program decisions that directly impact the implementation of new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by the use of these instruments.

2.3: Available to parents and community in an understandable format and language

The CIP is posted on our campus website in English. However, parents are provided with information about the CIP in English and Spanish. An English hard copy of the CIP is available in the Dean's office and translation of the information is provided as requested. Parental education will be provided to parents by the campus parent liaison as well as the District's Parental Involvement Center. Parent training will concentrate on the new assessment requirements, improving reading readiness and increasing parental involvement participation. An orientation for preschool children will be held annually to assist in the transition to Elementary. Parents will be provided campus information, assistance and training in an understandable format and language.

2.4: Opportunities for all children to meet State standards

To accomplish these objectives, the staff will use the budgeted funds to implement school-wide reform strategies that provides opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/ summer school/ enrichment program, for

students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically under served populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the State and local improvements plans. Palm Grove Elementary offers after school tutorials and remediation strategies in core-area subjects to identify low performing students through the 3 Tier Model in order to improve their performance and overall success in the state assessment.

2.5: Increased learning time and well-rounded education

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. In an effort to meet our students' academic needs we hold after school tutorials and/or extended day.

2.6: Address needs of all students, particularly at-risk

Palm Grove will offer enrichment programs that assist student with remediation strategies in core areas. In order to improve student performance and overall success in the state assessment identified students are provided support services in Reading, Math, Writing and Science. Supplemental supports are made available during the regular school day as well as through before and after school programs. Special Education, Dyslexia, 504 and other program services are provided based on student's individual plans and needs. The campus services include guidance and counseling, health related, safety/security staff, and family supports.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Palm Grove Elementary Parent Liaison met with parents to review and revise the Parent and Family Engagement Policy as well as the School-Parent-Student Compact and will be distributed late August 2021 and Early September 2021. The Parent Family Engagement Policy is distributed through handouts, on campus parent meetings, and home visits. The Parent and Family Engagement Policy is provided in both English and Spanish. In addition, the SBDM Committee met on May 26, 2021 and approved the School-Parent-Student Compact for the 2020-2021 school year.

3.2: Offer flexible number of parent involvement meetings

Palm Grove Parent Liaison has weekly (Wednesday at 1:30 pm, 5:00) parent meetings to review and discuss the Parent and Family Engagement Policy as well as participation in the Title 1-A program which will be held on October 1, 2021 and January of 2022, to explain the program requirements, and to inform parents of their right to be involved. Palm Grove also holds multiple sessions on different days during the week and times (1:30, 5:00) to provide additional opportunities for parents to meet with our teachers, staff, and community presenters. Meetings provided feedback at campus including Open House, student performances, and recognition events. Campuses welcome parents/ guardians and community members to come to meet with campus and district staff at any appropriate opportunity before school, during teacher planning, and after school.

Parental training on how to help their students be successful at home, learning English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. Parent training will concentrate on the new assessment requirements, improving reading readiness, and increasing parental involvement participation. An orientation for preschool children will be held annually to assist in the transition to Elementary.
