

SUNDAY HIGH SCHOOL FEE SCHEDULE
Effective 7/1/21

Sunday Daily Rental is based upon a four hour block of time. Applications must include a non-refundable full payment before permits are granted. Renters are charged the entire Sunday Daily Rental rate regardless of how many hours out of the four hour block are requested. Sunday Daily Rental is applicable to 100%-90% Class A Residents only. Class B and Class C resident groups are not eligible to rent space.

Rental groups seeking to add an additional room or space for a reduced rate must submit this request along with the rental application. The Mt. GENERAL RULES AND REGULATIONS

1. Applications are available at any Mt. Lebanon school office. Submit the application to the Mt. Lebanon District Rentals Office (412-344-2052). Permit will be issued by Mt. Lebanon District Rentals Office where space is available.
2. RESIDENCY
For the purpose of this fee schedule, the heading PERCENT RESIDENTS as used on the front of this card, refers to the home team* and does not include their opponents. A Mt. Lebanon Resident is defined as:
 - A. any person who resides within the Mt. Lebanon School District
 - B. any employee of the municipality or School District
 - C. any full-time student enrolled in one of Mt. Lebanon's public schools or in one of the two non-public schools in Mt. Lebanon (St. Bernard or Seton-LaSalle High School).EXCEPTION
All Scouting, Indian Guides, Indian Princess organizations, all churches and all synagogues will be charged the amount listed in Column A when the participants are 50% to 100% Mt. Lebanon residents.
3. SCHEDULING
In general, groups with higher percent of residency will be scheduled before groups of lower percent residency.
4. A building permit (Form 191) just allows a group to use facilities at a specific time. It does not establish a rental relationship.
5. The School District permits certain groups to use school facilities for purposes beneficial to the community by paying a fraction of the operational cost of the facility requested.
6. Permits will be canceled when the school program requires the facility. This regulation cannot be invoked after the principal accepts payment and deposits it in a school account.
7. Permits are not to be given to any profit-making organization unless the event is of unusual value to the residents of the community, or an extension of the District's leasing program, or provides instruction of Mt. Lebanon students.
8. Police or Security are required for certain size crowds. The building principal will determine the number. This charge is in addition to Table I and Table II on the reverse side.
9. The Parent-Teacher Associations are part of our total school program and are not charged a permit fee. However, when their use of school facilities requires custodial overtime, they will be charged for the overtime.
10. All school facilities require adult supervision during the time specified on the permit.
11. The following is to be appended to all fees listed on this card and elsewhere:
"...and never less than the actual amounts spent by the School District directly and because of this permit."
12. Selling of memberships or promotional items such as records, tapes and souvenirs is prohibited.
13. Selling or serving food or beverages in Auditorium or Little Theater lobby is prohibited without approval of the School District.
14. For additional information on permits see page 62 and 63 Principles and Procedures.

* If the number of participants from outside the School District at an open or invitational event exceeds the number of participants from the sponsoring or resident group, use class "C".
