STAFF APPRECIATION WEEK (MAY 3 - MAY 7, 2021)

Dear Member of TEAM MASHPEE,

The Mashpee Public Schools is a very special place in which to work and to learn because of our students and because of **YOU**. I am so grateful for the opportunity I have been given to positively impact the lives of our students. Each of us, through our words and actions, is a contributor to and an influencer on a brighter future for each of our students. Thank you for applying #212TheExtraDegree of effort this year to educate, support, and build positive relationships with our students, all while facing personal and professional challenges.

Teacher Appreciation Week provides an opportunity to recognize and celebrate you for your tremendous commitment in teaching, developing, and preparing our children to become the future leaders of our community. Between the time that our youngest learners enter the Coombs School filled with dreams of what they would like to be when they grow up and the time when they walk across the stage to receive their Mashpee Middle-High School diploma with plans to attend college or join the workforce and make those dreams become a reality, you have been there as a guide for learning and as a role-model for living. You have chosen a career in which you provide our students with the knowledge, skills, and strategies they'll need for success in college, in career, and in life. I believe that each of you is central in a child's life. By providing our students with highly effective teachers, engaging learning experiences, and a safety net of "go-to" people, we are helping to establish a strong foundation upon which each of our amazing students can build a productive, healthy, and happy life.

All of you, united, form the backbone of our district. Our students find success because of your dedication to your work and to them. By "noticing" the whole child in front of you, not just the student, you have created a learning environment where students feel safe, where they know that their voices are valued, and where they can thrive and grow academically, behaviorally, social-emotionally, and physically. There would be no Mashpee Public Schools without all of you. On behalf of the entire Mashpee Public Schools community, I thank you for making a difference in the lives of our students and in my life. The best part of the Mashpee Public Schools is not our academic programming, not our facilities, not our extra-curricular activities, and not our athletic accomplishments. The best part of the Mashpee Public Schools is its people!

Thank you for all that you do for our students, for their families, for each other, for our community, and for me. IT'S GREAT TO BE IN MASHPEE because of YOU!!

With Gratitude,

Patty

Mr. Michael Looney
Director of Career & Technical Education
Mashpee Middle High School
500 Old Barnstable Road
Mashpee, MA 02649

Dear Mr. Looney:

MassHire Cape & Islands Workforce Board is thrilled to award Mashpee High School additional Connecting Activities stipends. These stipends are the result of the increase the CIWB received, which would not have been possible without the hard work and dedication from our educators and administrators. The additional funds were awarded in the following manner: \$3500.00 specific for Innovation Pathway education, \$3500.00 for the purchase of a mannequin for STEM/Medical Terminology Class and \$1500.00 to be used specifically for the HAC-a-Thon.

We are exceedingly grateful for the work that MMHS does to promote STEM and the Connecting Activities Program. This has been an exceedingly challenging year, yet despite these challenges MMHS has found a way to ensure students have access to college and career readiness activities. We appreciate the enthusiasm, innovation and creativity that is generated from MMHS as you are a leader within our region.

Sincerely & Best Regards,

Kara L. O'Donnell-Galvin

Congratulations to juniors Owen Balfour and Robert Sandborn for earning an award at the Massachusetts National History Day Competition. The event was held virtually this year. In the Senior Division, Owen and Robert won the David Sears Award: Best Project in Military History. They created a website entitled The War of the Words: The Office of War Information's Operations During World War II and Its Importance to Allied Victory.

Also, thank you to Kierstyn Bohl was organizing our local NHD and giving our students the opportunity to compete.
