

FISD School Safety Advisory Committee

Minutes

June 15, 2021 (Zoom)

1. Introduction of new Executive Director of Safety and Operations

- a. Mr. Kreiter introduced JT Patton as the new Executive Director of Safety and Operations. Mr. Patton then introduced himself to the committee and provided some background on himself.

2. Visual Alert Lockdown System

- a. Mr. Kreiter discussed the visual alert system through Five Stones Safety and Centegix. He informed the committee that the FISD Board of Trustees approved the purchase of the system. He told the committee that the tentative timeline will hopefully be for some campuses to be up and running prior to the start of school. If the company has to install once school begins they will work in the evening.

3. FJH Security Vestibule

- a. Mr. Kreiter mentioned there is a preconstruction meeting tomorrow to discuss securing the FJH vestibule as well as roll down doors by the cafeteria to ease traffic flow. He informed the committee that there are lead times on materials and could cause disturbances and workarounds but he will stay in communication with the campuses.

4. Bond Security Projects

- a. FJH Vestibule and Visual alert system are already in the works. Erich is now looking at PA/Bell system vendors. He will be going to other schools that are using it to see how it works. Mr. Kreiter said these systems will be installed when new construction takes place at the campuses to prevent rewiring after construction. He will also be looking at camera systems to update and replace cameras. Fencing will also be installed as well as window glazing. FHS back entrance will get moved as well due to upcoming construction. More information to come on those projects.

- Mr. Kreiter discussed the Safety Committee makeup for 21-22 year
- Mr. Patton gave the committee some information on the upcoming FPD Intruder drill at the High School.
- Mr. Kreiter thanked the committee for their support and commitment to safety.
