Lead Teacher Received on Date: _____

SCHOOL BASED LEARNING EXPERIENCE EXPECTATIONS

Rules and regulations for summer school will be enforced per the “Calvert County Student Code of Conduct.” If you are not already familiar with this document, you may obtain one at: <https://www.calvertnet.k12.md.us/departments/student-services/code-of-conduct>

Purpose: The middle school summer school program is designed to meet the needs of students who were unsuccessful in one or more core courses (English/Language Arts, Math, Science, or Social Studies) during the 2020-2021 school year or who have been invited by the school to attend. Middle school students who do not pass one or more core classes are required to attend summer school to be promoted to the next grade. This is an integrated experience that focuses on skills needed to access requisite curriculum in the next grade.

Public school students enrolled in grades 6, 7, and 8 during the 2020-2021 school year may attend CCPS summer school.

Students at **Northern Middle and Windy Hill Middle** will attend summer school at Windy Hill Middle School.

Students at **Plum Point Middle and Calvert Middle** will attend summer school at Calvert Middle School.

Students at **Mill Creek Middle and Southern Middle** will attend summer school at Mill Creek Middle School.

Dates: June 14 – July 1 (Monday – Thursday)

Time: 8:00 a.m -12:00 p.m

Attendance: Since summer school lasts for only 12 days, it is very important that participating students maintain excellent attendance. **Credit will be denied if a student misses more than one day of summer school.** Students are not excused from class for dental appointments, camp, sports or vacations. Students who cannot attend all classes should not enroll in courses for credit. Students are also required to be on time for every class. Those who arrive late or leave early may not earn course credit.

Registrations: Students must complete the attached registration form and turn it into the lead teacher or designated administrator at each high school. Registration will take place May 11 – June 10. Students unable to register for this session will be able to register for a course at the CTA Summer School Program.
