Dear Parents,

Happy Summer!

Below are two highly-recommended books for you to choose from and conveniently order online to help your child over the summer- “Summer Bridge Activities” Grade 1 to 2 or “Weekly Reader: Summer Express”.

Both pictures are attached.

Either book will help maintain skills learned throughout the year and will ensure they are prepared for a new year of learning.

Please remember to also read, read, read. I have attached the Scholastic Lexile Reading Level chart for your convenience.

Have a wonderful summer!

Mrs. Sanz
