

As of June 16th, 2021, all spots have been filled for our incoming 6<sup>th</sup> grade class for school year 2021-22. The highest numbers that have currently received placements are:

<b>6th Grade</b>	<b>waitlist #77</b>
<b>7th grade</b>	<b>lottery #156 / waitlist #76</b>
<b>8th grade</b>	<b>lottery #211 / waitlist #136</b>

New openings may become available before or even after the school year begins, and we will contact families via email in waitlist order.

*\*\*\*Any student offered placement from the waitlist will have 24 hours to accept or decline placement. We strongly recommend that families with a low waitlist number do research about ICS in advance to be able to respond quickly. \*\*\** We encourage every family still interested in the possibility of enrollment at ICS to view our [virtual Information Night 2020 here](#).

As a reminder, our waitlists are continuous. Students should NOT reapply in future years as this will result in a higher waitlist number. There is, however, no guarantee of new placements in grades 7-12.
