

# Corbett Prep

## 2021-22 STUDENT DRESS CODE APPAREL & NEW ADULT SPIRIT WEAR

Corbett Prep's dress code is designed to promote a positive self-image for students and to maintain proper decorum for our learning environment. All items should be clean and in good repair, present a neat appearance and be appropriate for a school setting.

Our Spirit Store is accessible through the Parent Portal and the website and includes three online shops with different options for you to browse. **Please place your orders in advance as processing time can take between 4-6 weeks depending on item availability.** Middle School families: We are allowing students to wear their school clothes during PE instead of requiring PE uniforms.

### NEW!

Corbett Prep has added a partner for a broader selection of dress-code appropriate clothing and adult Corbett Prep spirit gear. The BSN Sports shop offers families athletic-style shirts, polos, hoodies and jackets with the Warriors or athletic logos from multiple brands including Nike.

These tops comply with the school dress code. Students can also continue to wear and order the traditional Corbett Prep branded apparel available from our other partner, B&B Sportswear.

### DAILY SHIRTS

Students are required to wear a Corbett Prep or Warriors shirt Mondays through Thursdays. Sweatshirts and hoodies also must have the Corbett Prep school or athletic logo. Parents can shop online from either or both BSN and B&B.

**TIP:** It can take 4-6 weeks for these stores to process and fulfill orders. Please order ahead of time to ensure you have what you need! B&B will send your order to school; BSN will ship directly to your home.

### GREEN POLO

You will need a minimum of 1 green polo shirt for field trips, special events and performances. Order these through our Shopify site. These are delivered to the school.

Shopify also has white Fine Arts polo shirts for the Intermediate division choruses and girls' polo dresses.

### BOTTOMS

Shorts, pants, skorts, and skirts must be a solid color, in good condition and school appropriate. Pants with rips, holes, or tears are non-examples. Skirts and shorts must come within 5 inches of the top of the knee.

**TIP:** Any solid color is fine for school, but students typically are asked to wear black or khaki pants or skirts with the green polo. Purchase bottoms where you like to shop.

### SHOES

Shoes must be closed-toed for safety at play and healthy outdoor activities. Athletic shoes are preferred and are **REQUIRED** for PE and intramural classes.

### OTHER SHIRTS

Corbett Prep shirts from school events, plays and clubs are acceptable on any day. Friday remains a free dress day for students to wear a school-appropriate shirt of their choice.
