

Dear 2021-2022 Second Grade Families,

We're extremely pleased with the progress our students have made this year. They made us all proud. We are confident that by following these expectations and suggestions in a consistent manner, your child will successfully begin the 2021-2022 school year. Please encourage your child to keep that "above and beyond" attitude!

As summer approaches, we want to encourage students to keep their skills sharp by completing activities that strengthen, support, and extend their current knowledge base. In order to keep the brain active and continue building a solid foundation for learning, we strongly recommend that your children engage in the following suggested activities throughout the summer to work towards meeting and exceeding the expectations below. Remember to let your children be your guide. They will embrace learning if you are smiling, relaxed and enjoying learning with them. Also, please remember that all children progress differently, and we will continue to move your child forward, in partnership with you when the new school year begins.

Corbett Prep is extending and paying for our students to go online and review/extend the skills taught this school year. We highly encourage you to have your child use these websites to reinforce skills over the summer months: IXL and Reflex Math (3 green lights per week).

Basic Expectations & Foundation for Entering Second Grade Language Arts:

- Be able to read, spell and write the Pre-Primer, Primer and First Grade words on the Dolch Word list. Once those are mastered, feel free to move on to subsequent lists.
- Be able to write complete sentences with appropriate capitalization, punctuation and spacing.
- Be able to read and retell a story including accurate details.

Suggested Activities for Continuous Review and Reinforcement for Language Arts:

- Read, read, read to make thoughtful insights and connections. (See "I can... DISCUSSION sheet" for suggestions)
- A great free resource for reading comprehension is readtheory.org.
- Make a creative response to a story that you have read, for example:
 - * Draw a picture detailing the setting and characters.
 - * Write an alternative ending.
 - * Act out the story.
 - * Feel free to use your own creative ideas.
- Keep a notebook or summer journal of events, ideas, poems, songs or stories.
- Practice neat handwriting.
- Be a pen pal with a family member or friend. Be sure to use the correct spelling and sentence structure.
- Take books along on errands and trips.
- To practice spelling, see suggestions on sheet provided.

Basic Expectations & Foundation for Entering Second Grade Math:

- Know addition and subtraction facts up to 20 with speed and accuracy.
- Identify coins and their value.
- Skip count by 2's, 5's and 10's.
- Represent a number in a variety of ways (15: 10+5, 5+10, 15 tallies, a ten and five ones, 20-5, $10+?=15$).
- Identify tens and ones in a 2-digit number.

Suggested Activities for Continuous Review and Reinforcement for Math Skills:

- Continue to use your Reflex Math (3 green lights per week), and IXL online resources.
- Select any activities from the packet of Summer Math Review Suggestions included in this packet.
- Empty out a change purse or pocket. Calculate the value of the coins.
- Look at analog clocks and tell the time.
- Use Read, Draw Write strategy to solve word problems.
Read the problem.
Draw a picture of the problem.
Write the answer as a number sentence (equation) and a word sentence.

Additional Suggestions:

- Do an Internet search for websites with fun and interactive games to practice basic skills in language arts and math. Key words to type in your search would be "free interactive games for kids" + the area you want them to practice (math, spelling, etc.) You might need to test a few to find the ones that will be the best fit for your child.
- CAMP IDS has some great opportunities for academic and enrichment programs (reading, writing and math camps).

We are looking forward to next year and are thrilled to welcome back our current Corbett Prep students and to also welcome new students to the Corbett Prep family. Have a wonderful summer!

Sincerely,

The Upper Primary Teachers

Upper Primary Summer Reading Suggestions

I. Purpose:

Summer time is the perfect opportunity for your child to reinforce and strengthen reading skills and fluency that will support his/her love of reading. With that in mind, here is a list of possible authors for you to refer to that will help support these goals.

Our favorite authors: *To name just a few!*

Ted Arnold
Jan Brett
Joseph Bruchac
Eric Carle
Joanna Cole
Marjorie Cuyler
Roald Dahl
Tomie DePaola
Gail Gibbons

Kevin Henkes
Martin Jenkins
Suzy Kline
Leo Lionni
Arnold Lobe
Lois Lowry
Laura Numeroff
Mary Pope Osborne
Peggy Parish

Barbara Park
Dav Pilkey
Patricia Polacco
Ron Roy
Cynthia Rylant
John Scieszka
Dr. Seuss
Janet Stevens
Chris VanAllsburg

II. Award Winning Literacy

When choosing books for your child, a suggestion is to look for winners of awards. Simply do an online search for the bold keywords below to find great recommendations.

- The **John Newbery Medal** goes to the author of the most distinguished American novel for children.
- The **Randolph Caldecott Medal** goes to the illustrator of the most distinguished American picture book for children.
- The **Sibert Award** is given for non-fiction books.
- The **Jane Adams Children's Book Award** is given to books with high interest and low readability.
- The **Mathical Award** is given to math literature.
- The **Coretta Scott King Award** is given to authors and illustrators of African descent.
- The **Cook Prize** is given to STEM related books.
- The **Josette Frank Award** is given to books about overcoming obstacles.

III. Unit Connections:

Any books related to the following concepts would be beneficial in supporting our units for the upcoming 2021-2022 school year.

Health

- **Central Idea:** The choices people make can empower them to live a healthy lifestyle.
 - For Example: ***Eating the Alphabet*** by Lois Ehlert, ***The Vegetables We Eat*** by Gail Gibbons, ***How Did that Get in My Lunchbox: The Story of Food*** by Christine Butterworth, ***Mrs. Peanuckle's Vegetable Alphabet*** by Jessie Ford, ***I am Peace: A Book of Mindfulness*** by Susan Verde, and ***I am Yoga*** by Susan Verde

***Continued on the back**

Navigation

- **Central Idea:** People use maps to locate and navigate.
 - For Example: **Me on the Map** by Joan Sweeney, **Mapping Penny's World** by Loreen Leedy, **Maps** by Alexandra and Daniel Mizielski, **Henry's Map** by David Elliott, and **Scrambled States of America** by Laurie Keller

Difference Makers

- **Central Idea:** An individual's contributions can positively impact a society.
 - For Example: **A is for Activist** by Innosanto Nagara, **Come with Me** by Holly McGhee, **Swimmy** by Leo Lionni, **Separate is Never Equal** by Duncan Tonatiuh, **The Boy Who Harnessed the Wind** by William Kamkwamba (picture book version), **Sparkle Boy** by Leslea Newman, **Maybe Something Beautiful** by F. Isabel Campy and Rafael Lopez and **children's biographies about people who have had a positive influence on society.**

Architecture

- **Central Idea:** Function can determine the design and construction of architectural structures.
 - For Example: **Dreaming Up** by Christy Hale, **Iggly Peck** by Andrea Beaty, **The Three Pigs** by Steven Guernica, **You Lived Here** by Giles Laroche, and **The World is Not a Rectangle: A Portrait of Architect** by Zaha Hadid

Personal Finance

- **Central Idea:** The choices people make about currency impact their lives.
 - For Example: **One Proud Penny** by Randy Siegel, **If You Made a Million** by David Adler, **The History of Money** by Martin Jenkins, **Those Shoes** by Maribeth Boelts, **Money Madness** by David Adler, **Alexander Who used to Be Rich Last Sunday** by Judith Viorst, **Follow the Money** by Loreen Leedy, and **One Hen** by Katie Smith Milway

Ecosystems

- **Central Idea:** Living and non-living things work together to maintain a healthy ecosystem.
 - For Example: **Over and Under the Pond** by Kate Messner, **Up in the Garden and Down in the Dirt** by Kate Messner, **Tree of Wonder** by Kate Messner, **Meadowlands: A Wetlands Survival Story** by Thomas F. Yeserski, **The Curious Garden** by Peter Brown, **Because of an Acorn** by Adam and Lola Schaefer, **Just a Second** by Steve Jenkins and other books by Steve Jenkins, **Letting Swift River Go** by Jane Yolen, **Life and Times of the Apple** by Charles Micucci or the Ant, Corn or Peanut titles, and DK children's books about ecosystems/habitats such as **Seashore** or **Forest Life and Woodland Creatures**

WORKING WITH WORDS ACTIVITIES

Use these activities to help your spelling get stronger!

Font Fun

Type all of your words using different, fun fonts and colors

Rainbow Writing

Write every letter in each spelling word with a different color of crayon or marker.

2 Color Words

Write vowels in one color and consonants with another color.

Pyramid Words

Write the first letter of the spelling word. Write the first two letters of the spelling word below it. Then write the next three letters, etc.

Memory Match

Write your spelling words on index cards (make 2 sets) and play "Memory Match" with them.

ABC Order

Write your spelling words in ABC order. For an extra bonus, put all 15 words in reverse (backward) ABC order.

Scrabble Spelling

Use scrabble letters to make your spelling words, or play the words in a game of scrabble!

Play Dough letters

Use play dough to make the letters that spell your spelling words.

Spellingcity.com

Go to this free site, enter your list and play the games!

Font Fun

Use your computer to type your words using different fonts.

Skipping Rope

Spell your words as you skip each letter.

Syllable Splits

Divide the word into syllables

Pen Pals

Write a letter using all of the words or as many as you can

Crosswords

Make a crossword puzzle using all of your spelling words, then give it to a friend to solve

I can understand stories by having a **discussion**

"Let's talk... about our books!"

Here are some questions to ask your child during or after reading so they can explain their reading at home. This strategy will help deepen understanding and improve critical thinking in reading.

What does this make you wonder?

Does this remind you of another book we've read?
How?

Did you learn anything new?

What does this remind you of?

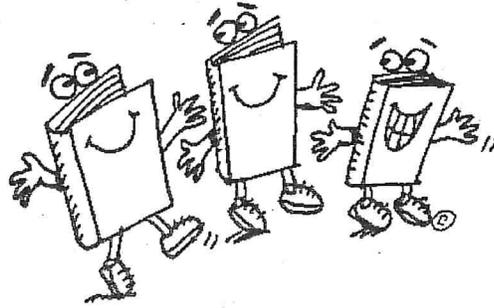

What do you think will happen next?

Can you think of anyone in real life who is like a character from the story?

Could this story have ended differently? How?

How are you different or the same as a character from this story?

Is this a "Just Right" Book?

Ask yourself these questions.

If the answer is YES, the book is probably...

A Vacation Book

Have you read it a lot of times?

Do you understand the story very well?

Do you know almost every word?

Can you read it smoothly?

A Just Right Book

Is the book new to you?

Do you understand a lot of the book?

Are there just a few words on a page you missed?

When you read, are some places smooth and some choppy?

An Up the Hill Book

Are there more than 5 words on a page you missed?

Are you confused about what is happening?

When you read this book, is it mostly choppy?

Is the story hard to retell?
