

Summer 2021
FOR
Rising Third and Fourth Grade Summer Reading Expectations

Summertime is a wonderful time for fun with family and friends, free time, late nights, and vacations. It is time to relax and really enjoy life, a time to let the mind explore new opportunities. In addition, all Corbett Prep third and fourth grade students have required summer reading.

Our third and fourth grade summer reading program encourages students to actively read during the months they are away from school. Upcoming third and fourth grade students are required to read TWO books during the summer. Above and beyond reading is always encouraged.

1. The **FIRST** required book should be a book from the Diversity in Community category on the attached list.
2. The **SECOND** required book can be a book from:
 - The other categories on the attached list **OR**
 - A 2021 Sunshine State Young Readers book **OR**
 - Any Newbery Award Winner or Honor book between the years 2010-2020.
3. **Recommended** summer math practice.
 - Upcoming 3rd graders will practice foundations of multiplication using specified assignments on IXL with a score of 90% or better.
 - Upcoming 4th graders will practice multiplication facts using IXL. Fourth graders will be assessed the first week of school.
4. The completed and signed summer checklist is due Friday, August 20, 2021.

Sincerely,

Your 3rd Grade Navigators, 3/4 Multi-Age All-Stars, 4th Grade Explorers Teachers

Rising Third and Fourth Grade Students

Above and Beyond Summer Reading and Writing Challenge

Dear Navigators, All-Stars and Explorers Students,

Inspire yourself to discover new books and authors this summer!

Ways to find new and interesting books to read and fun ways to write:

- Look for books with different themes (survival, injustice, empowerment, courage, love, good vs. bad, friendship). Use the Diversity in Community list provided for your required summer reading for suggestions.
- Read reviews about books. Ask your parents to follow Susannah Richards on Twitter @sussingoutbooks and follow your favorite authors on Twitter and other social media sites.
- Ask your parents to purchase you a subscription to GetEpic at www.getepic.com. They can sign you up for three months for only \$9.99. This special is good until June 17, 2021 and is for new customers only.
- Research Bullet Journaling and journal about your summer.
- Find books from your favorite authors and read different titles.
- Read different genres (adventure, fantasy, mystery, historical fiction, science fiction).
- Try reading a graphic novel.
- Listen to a podcast.
- Take pictures of yourself reading in unique places or ways and either print them out and bring them to school the first week! Your teacher will share them with your classmates.

- Be a word collector - find new and interesting words in the books you read over the summer. Write each word on an index card and put them in a jar. Bring the jar to school the first week and share them with your teachers and classmates.
- Keep a list of ALL the books you read over the summer so you can share them with your class.
- Read a cookbook with your parents. You will be practicing reading and math.
- Listen to audiobooks. Use this website www.booksontape.com to listen to clips and find more audiobook recommendations.
- Check out the Library Challenge by visiting this website for lots of fun reading challenges <https://growingbookbybook.com/summer-reading-ideas-library-challenge/>

Rising Third and Fourth Grade Summer Reading List

1. Students must choose one title from the Diversity in Community section.
2. Students choose a second book from the suggested titles that follow **OR** any 2021 Sunshine State Young Readers book **OR** any Newbery Award Winner or Honor book between the years 2010-2020.

2021 Summer Math Checklist

Dear Incoming Third Grade Students,

Listed below are the summer math recommendations. Please check off each assignment as you complete it.

RECOMMENDED: Math Practice for Third Grade Students

1. Students need to get to 100% fluency on Reflex Math before entering fourth grade. Use www.reflexmath.com to get a green light four or more times each week. Once you reach 100% get one or more green lights each week.

Reflex Math 100% fluency

2. Use 2nd Grade IXL Math to practice the following with a score of 90% or better: (<https://www.ixl.com/signin/corbettprep>)

- B. Place Values - any skills
- G. Multiplication Fluency - any skills
- H. Multiplication - any skills
- P. Estimation and Rounding - any skills

The assignments I submitted reflect my best effort!

Student Name: _____

Parent Signature: _____

Please return this checklist the first Friday of school, Friday, August 20, 2021.
