Attendance for the month: 96%

Acknowledgements: Welcome to new staff members Scott Shepherd, Assistant Principal; Brian Montgomery, Music Teacher; Sarah Bacon and Monica Shea, K-2 Teachers; Phoebe Lambert, Adjustment Counselor and Vanessa Clark and Rebecca Davis, paraprofessionals. Gratitude to the all staff; teachers, paraprofessional, custodians, maintenance, food service employees and recess monitors for a very smooth opening. This year we shifted our Open House by offering it during the first week of school. This is also the first year that students attended the Open House. Since it is their school, we gave them the charge of guiding their family through the evening. Students were encouraged to visit all the Specialty areas using a 'passport' to be stamped as they 'traveled'. Benchmark screenings occurred this month and teachers are using those data to target the academic needs of the students in their classrooms. These screenings occur three times yearly. Huge shout out to the PTO and our Friendly Falcon for an outstanding family BBQ. Many thanks to Brett Calhoun, School Resource Officer, who visits our school and students daily. We were thrilled to launch our second year of Before and Student Activities. We were please to offer ten activities ranging from technology, Legos, Healthy Eating, Cheerleading and many others. A second session of activities will be offered in January. KCC was fortunate to have to Jessica Minahan, Author of The Behavior Code, working with some teachers and our school leadership team to strengthen our practices to better help children with undeveloped behavior skills. We also welcomed back, Nancy Boyles, a nationally known literacy specialist, who has been working and coaching our staff in the art of CLOSE reading practices.
