Thank you Mrs. Richards for organizing fourth grade field trips to the Cotuit Center for the Arts. Well done!

On February 11th fifth graders participated in the Water Festival. Twenty-four AmeriCorps volunteers ran the show. We appreciate their efforts and the partnership with Cape Cod Cooperative Extension and AmeriCorps that brings the festival to us each year. This year it was free due to a grant.

K-Kids have kicked off a fundraiser for Pennies for Patients – thank you to Mrs. Rastallis and Mrs. Blount's for leading this initiative with students to help others.

Thank you Mrs. Giuggio, Mrs. Avtges and all the staff that participated in STEM Night. It was a well attended night with numerous fun, engaging, and educational activities.

I would like to acknowledge Mr. Looney and Mrs. Hough and the MHS robotics team for their participation in STEM Night!

We are pleased to welcome Officer Shaun Cahill and Officer John Gillen from the Barnstable County Sheriff's Department who are working with the fifth grade students on the GREAT Program. This is a gang resistance initiative as well as a program to address substance abuse.

RE: School choice for FY17

Based on projected enrollment, the administration recommends opening the following school choice seats for the 2016-2017 school year. We would also recommend opening enrollment for school choice beginning June 1, 2016 and closing the first collection on June 30, 2016. The second enrollment period would open on July 1, 2016 and close on August 1, 2016. School choice would be closed permanently for the school year as of August 1, 2016.

RE: Policy JF *school admission*, & IF *Multi-Tiered System of Support*

JF School Admission

At the February 3, 2016 school committee meeting, the committee approved a second read on policy JF *School Admissions*. At that time, the committee instructed that counsel be contacted to verify the accuracy of the policy verbiage. After review, the school attorney responded as follows:

Part of the italicized language "who is their parent/legal guardian" is not legally accurate. The student is a resident for attendance purposes irrespective of the relationship of the person with whom they are living. Generally it is a good idea to try to have that adult as a guardian or at least have some authority to make decisions for the student, but it cannot be required.

My recommendation is that the committee hold voting on policy JF and bring it to the policy subcommittee for further review.

IF Multi-Tiered System of Support

At the February 3, 2016 school committee meeting, the committee approved a second read on policy IF *Multi-Tiered System of Support*.

My recommendation is that the committee vote to approve policy IF.

"In the steadfast pursuit of excellence"

All students, regardless of race, color, sex, gender identity, religion, national origin, sexual orientation, disability, or homelessness, have equal access to the general education program and to the full range of co-curricular/enrichment/sports programs offered by the Mashpee Public Schools.

File: JF

SCHOOL ADMISSIONS

All children of school age who reside in the town will be entitled to attend the public schools, as will certain children who do not reside in the town but who are admitted under School Committee policies relating to nonresident students or by specific action of the School Committee.

Residency is defined as actually residing with a Mashpee resident who is their parent/legal guardian during the days and evenings of the days that school is in session.

Every student seeking admission to school for the first time must present a birth certificate or equivalent proof of age acceptable to the Principal and proof of vaccination and immunizations as required by the state and the School Committee. Proof of residency shall be required by the school administration, which is authorized to investigate and verify residency for purposes of all school admissions.

MULTI-TIERED SYSTEM OF SUPPORT FRAMEWORK FOR IMPROVING THE EDUCATIONAL PERFORMANCE OF ALL STUDENTS

The philosophy of the School Committee concerning academic, behavioral and social emotional achievement is based on the premise that students have diverse capabilities, interests and individual patterns of growth and learning. Hence, the School Committee endorses a multi-tiered system of support for instruction and intervention to provide opportunities for all students for post-secondary education and/or successful employment within our global society.

A multi-tiered system of support provides the structure and incorporates a problem-solving process within which all schooling practices of the Mashpee Public Schools fit to ensure that instruction, academic, and behavioral/social emotional needs of all students are a high priority, including English Language Learners, Students with Disabilities, and Academically and Intellectually Gifted students.

The multi-tiered system of support (MTSS) is an evidence-based framework that uses a problem solving approach in which all schooling practices of the Mashpee Public Schools fit to systematically guide the development of a well-integrated and seamless system of instruction, intervention and support in the areas of academics, behavior, social-emotional, and attendance that is matched to student need and guided by student outcome data.
