Acknowledgements:

Thank you Mrs. Hill and Miss Sherman for another outstanding concert with our grade 4-6 band and strings ensembles on January 12th.

On January 14, 2015, Mrs. Terrill, Mrs. Brooks, and three 8th grade students, Tess Hachey, Mary Hachey, and Krysta Dolan, planned and supported Quashnet parents during a technology information night. We appreciate all their time and effort!

Quashnet School was the recipient of 40 new ukuleles that were donated by a Sharon Rodarte, a parent of a former student. She won the ukuleles and listed Quashnet as her school of choice to receive them. I thank her on behalf of the students and music teachers who will put the new instruments to good use!

DJ Ooch was a big hit with students in delivering an assembly on Kindness. This motivational assembly was sponsored by the high performing Quashnet School PTO. We appreciate you and all your help with Kindness Week!

Thank you to Elizabeth Babich, National Elementary Honor Society advisor, for all of her work in preparing such a memorable Quashnet School Elementary Honor Society Induction Ceremony and to all the student scholar inductees for their hard work and dedication to academic excellence. They include:

Autumn Bailey, Sadie Biehl, Jocelyn Cohen, Maya Brainson, Jillian Burdge, William Chapman, Colton Colleran, Jacob DeFrancesco, Ava DeSimone, Ryan Flaherty, Braden Fraser, Emerson Fraser, William Henley, Ava Kelley, Annika Lakatos, Maria MacDonald, Katrina Mayen, Catherine O'Neill, Robert O'Neill, Daisy O'Reilly, Stella Stecei, Mireya Strom, Lilly Swift, Mateo Vazquez, Sean Ware, and Kailyn Westgate.
Congratulations NEHS inductees!

To: Patricia DeBoer, Mashpee Superintendent of Schools

From: Matt Triveri, Mashpee Middle School and High School Athletic Director

RE: January 2016 Department Report

Current Varsity Team Records

Boys Basketball: 6-5

JV Boys Basketball 6-4

Freshmen Boys Basketball 0-7

Girls Basketball: 4-7

JV Girls Basketball 1-6

Gymnastics: 7-2

Boys Hockey: 4-6-1

Girls Hockey (BMW combined team): 2-7

Girls Track: 2-5

Boys Track: 2-5

Middle School Girls Basketball "A" Team: 0-5

Middle School Girls Basketball "B" Team: 2-2

Middle School Boys Basketball "A" Team: 5-1

Middle School Boys Basketball "B" Team: 3-1

Athletic Department Notes

- Freshman Mashpee goalie Jack Daigneault recorded two straight shutouts and made 65 straight saves.
- Falmouth/Mashpee Gymnastics (143.75) set a points record in a loss to defending state champion Barnstable.
- Eighth-grade varsity girls' basketball player Jordan Hue set a school record by scoring 18 points in a quarter. She did this in the 4th quarter to lead her team to a win at Monomoy despite trailing by 7 in the 4th. The previous record for points in a quarter was held by Billy Bellatty and Dennis Gorczyca at 16 points.
- Hue is the leading girls scorer in the South Shore League Small

- Former Mashpee PE teacher and Boys Basketball head coach Scot Wenzel won his 200th game as a basketball coach earlier in the month. He is currently at Newington (CT) High School.

2014-2015 Educator Evaluator Performance Rating

Under the Massachusetts Educator Evaluation Framework, every educator is an active participant in her or his own evaluation. The process promotes collaboration and continuous learning and emphasizes professional conversations about teaching and learning. The goal is to provide opportunities for even the most expert educators to improve their practice by working with their colleagues and evaluators. For educators who are in need of improvement, the system provides the opportunity to grow.

Evaluators rate educators on four indicators (Curriculum, Planning, and Assessment; Teaching all Students; Family and Community Engagement; and Professional Culture) using multiple categories of evidence, including observations, multiple measures of student learning, and evidence linked to effective practice, such as samples of student work, lesson plans, and materials showing engagement with families. Administrators are similarly rated by evaluators on four indicators (Instructional Leadership; Management and Operations; Family and Community Engagement; and Professional Culture).

Every educator evaluated in 2014-15 received a Summative Performance Rating of Exemplary, Proficient, Needs Improvement, or Unsatisfactory. The summative rating determines the type of educator plan an educator is placed on for the next cycle. Experienced, effective educators are placed on educator plans of a longer duration that offer them more autonomy. Plans are designed to provide educators with meaningful feedback and support. The types of plans include:

Self-Directed Growth Plan – a one- or two-year plan for experienced educators who were rated Proficient or Exemplary

Directed Growth Plan – a plan up to one year in length for educators rated Needs Improvement

Improvement Plan – a plan of 30 calendar days up to one school year for educators rated Unsatisfactory

Developing Educator Plan – a one-year plan for educators without Professional Teaching Status (also known as tenure), administrators in their first three years in a district, or at the discretion of an evaluator for an educator in a new assignment

Eventually, educators will receive two ratings, a Summative Performance Rating and a Student Impact Rating (High, Moderate or Low). The Student Impact Rating must be informed by at least two years of data that includes student growth percentiles from state assessments when possible, and by common measures chosen at the district level; those are referred to as district-determined measures. Some districts will begin issuing Student Impact Ratings following the 2015-16 school year, after trends and patterns across multiple measures have been established. In Massachusetts, student results do not make up a particular percent of an educator's evaluation, and in every evaluation, the evaluator's professional judgment is the overriding factor. The Commonwealth's two-rating educator evaluation framework is unique and reflects the importance of providing educators with meaningful feedback about both their practice and their impact on student learning to supporting their professional growth.

2014-15 Educator Evaluation Performance Rating

During the 2014-2015 school year, districts were required to implement educator evaluation systems aligned to the [Educator Evaluation framework](#) with all educators district-wide. Please note that some district and school data are not shown due to confidentiality reasons. In instances where a cell is blank, ESE has suppressed data due to one of the following reasons: (1) the number of staff evaluated was fewer than 6, (2) all staff evaluated in the group received the same rating, (3) all educators were evaluated and a single educator had a rating different from all other educators with the same rating in the group, (4) if the "Administrators" or "Teachers" row is suppressed, all group rows are suppressed with the exception of "All Educators", or (5) if either the "Teachers-Professional Status" or "Teachers-Non-Professional Status" row is suppressed, both rows are suppressed.

MEMORANDUM

January 20, 2016

TO: Board of Selectmen
Rodney Collins, Town Manager
School Committee
Patty DeBoer, Acting Superintendent

FROM: Catherine Laurent, Director *CL*

SUBJECT: Massachusetts School Building Authority – Statement of Interest

16 JAN 21 8:30AM

MASHPEE PUBLIC SCHOOLS

As you are aware, the need for replacement of the windows at the Quashnet School was identified in the Capital Needs Assessment completed in 2010. Since that time, the project has included on the Town's Capital Improvement Program (CIP) but has not been funded. It is again included in the FY17 CIP.

The Town has been unsuccessful in securing grants to assist with the estimated project costs. Building envelope improvements are not eligible for incentives from the utility companies or for grants from the Green Communities program. The Town had applied for a grant from the Massachusetts School Building Authority (MSBA) in 2013 but was not selected.

The MSBA recently opened their application process for 2016. Replacement of windows is one of the eligible projects in the Accelerated Repair Program. DPW will be submitting a Statement of Interest (SOI) on behalf of the Town. The deadline for this submittal is February 12th. No funding commitment by the Town is required at this time though a vote of both the Board of Selectmen and School Committee in support of the project is (see attached language).

Submittal of the SOI is just the first step in the MSBA approval process. The MSBA reviews the SOIs received and schedules a site visit. Generally, this review is completed within 3 months and the MSBA invites selected projects to complete a schematic design and budget. Within 60 days of this invitation, the Town would have to commit to pay 100% of the cost of the design (the MSBA would reimburse the Town at Mashpee's base rate – around 38% in past years). Upon completion of the design, the MSBA votes whether to fund the final design and construction. This vote is typically made approximately 12 months after the initial SOI

submittal. Within 90 days of this approval, the Town would have to commit to pay 100% of these costs (again, the MSBA would reimburse the Town at Mashpee's base rate).

Please let me know if you have any questions. Otherwise, please forward to me the required documentation of your votes once taken. Thank you.

Mashpee Public Schools

Office of the Superintendent
150A Old Barnstable Road
Mashpee, MA 02649

Fax 508-477-5805

Patricia M. DeBoer
Acting Superintendent

February 3, 2016

Resolved: Having convened in an open meeting on February 3, 2016, the School Committee of Town of Mashpee, in accordance with its charter, by-laws, and ordinances, has voted to authorize the Superintendent to submit to the Massachusetts School Building Authority the Statement of Interest Form dated February 12, 2016 for the Quashnet School located at 150 Old Barnstable Road, Mashpee, MA 02649 which describes and explains the following deficiencies and the priority category(s) for which an application may be submitted to the Massachusetts School Building Authority in the future:

Priority 5 - Replacement, renovation or modernization of school facility systems, such as roofs, windows, boilers, heating and ventilation systems, to increase energy conservation and decrease energy related costs in a school facility, as determined in the judgment of the Authority

The project is replacement of the windows throughout the school. The windows are original to the building's construction in 1978. There is significant air leakage around the windows, the steel frames are eroded and rusted, and seals have failed, trapping moisture between the glass panes. The resulting heat loss has resulted in higher energy costs to sustain a minimum level of comfort for students and staff.

and hereby further specifically acknowledges that by submitting this Statement of Interest Form, the Massachusetts School Building Authority in no way guarantees the acceptance or the approval of an application, the awarding of a grant or any other funding commitment from the Massachusetts School Building Authority, or commits the City/Town/Regional School District to filing an application for funding with the Massachusetts School Building Authority.

Signed by:

Don Myers, Chairman

"In the steadfast pursuit of excellence"

All students, regardless of race, color, sex, gender identity, religion, national origin, sexual orientation, disability, or homelessness, have equal access to the general education program and to the full range of co-curricular/enrichment/sports programs offered by the Mashpee Public Schools.

File: JF

SCHOOL ADMISSIONS

All children of school age who reside in the town will be entitled to attend the public schools, as will certain children who do not reside in the town but who are admitted under School Committee policies relating to nonresident students or by specific action of the School Committee.

Residency is defined as actually residing with a Mashpee resident who is their parent/legal guardian during the days and evenings of the days that school is in session.

Every student seeking admission to school for the first time must present a birth certificate or equivalent proof of age acceptable to the Principal and proof of vaccination and immunizations as required by the state and the School Committee. Proof of residency shall be required by the school administration, which is authorized to investigate and verify residency for purposes of all school admissions.

MULTI-TIERED SYSTEM OF SUPPORT FRAMEWORK FOR IMPROVING THE EDUCATIONAL PERFORMANCE OF ALL STUDENTS

The philosophy of the School Committee concerning academic, behavioral and social emotional achievement is based on the premise that students have diverse capabilities, interests and individual patterns of growth and learning. Hence, the School Committee endorses a multi-tiered system of support for instruction and intervention to provide opportunities for all students for post-secondary education and/or successful employment within our global society.

A multi-tiered system of support provides the structure and incorporates a problem-solving process within which all schooling practices of the Mashpee Public Schools fit to ensure that instruction, academic, and behavioral/social emotional needs of all students are a high priority, including English Language Learners, Students with Disabilities, and Academically and Intellectually Gifted students.

The multi-tiered system of support (MTSS) is an evidence-based framework that uses a problem solving approach in which all schooling practices of the Mashpee Public Schools fit to systematically guide the development of a well-integrated and seamless system of instruction, intervention and support in the areas of academics, behavior, social-emotional, and attendance that is matched to student need and guided by student outcome data.

WITH SCHOOL BREAKFAST

HELPING CHILDREN SUCCEED IN SCHOOL

When students start the day with a nutritious breakfast, they are more likely to be successful in school. They are more likely to be on time, more likely to be engaged in learning, and more likely to achieve higher academic scores. School breakfast programs provide a healthy start to the day and help to ensure that all children have access to a nutritious meal.

HELPING CHILDREN SUCCEED IN SCHOOL

When students start the day with a nutritious breakfast, they are better able to learn, concentrate, and achieve. This is why it is so important for every child to have a healthy breakfast every day. The good news is that it's easy to do. Just make sure your child has a balanced breakfast that includes a source of protein, whole grains, and fruit. This will help them start the day with the energy and focus they need to succeed in school.

What Makes A Complete Breakfast? Choose Three Items!

Make
Grade
SCHOOL BREAKFAST

HELPING CHILDREN SUCCEED IN SCHOOL

When children start the day with a healthy breakfast, they are more likely to succeed in school. They are more alert, more attentive, and more motivated. They are also less likely to be absent from school. Breakfast is the key to a successful school day.

SCHOOL BREAKFAST PROVIDES NOURISHING AND AFFORDABLE MEALS THAT HELP TO SAVE PARENTS OR GUARDIANS TIME AND MONEY!

Milk Available Daily

Chocolate Flavored Skim
1% White
Sterilized Milk

Only \$.50 each
Included with full lunch

The Food Services staff is collecting their compostable waste in all the kitchens in an effort to decrease waste in the dumpster.

The program will be expanded to the QES cafeteria this month.
