Acknowledgements:

Thank you to the Quashnet School PTO for supporting students and families with the Welcome Back Barbeque, Third Grade Ice Cream Social, and participation at Open House.

I would like to acknowledge the Barnstable County Sheriff's Department for their efforts in constructing the Exersite (aka fit trail) at Quashnet School as well as putting up the tent for the BBQ.

A sincere thank you to all the Quashnet teachers and staff for a fabulous opening to the 2015-16 school year! With the heat and humidity some classroom registered at 88 degrees. Even with the heat students and adults remained focused on learning.

Thank you to Mashpee Kiwanis Club for their generous support of a school fundraiser.

A fifth grader, Maya Brainson, is conducting a fundraiser called *Angels for a Cause* to help those in need. Maya is an exceptional role model to all. I would also like to acknowledge Jocelyn Cohen, another 5th grader, for stepping up to lead an anti-bullying initiative in our school.

Thank you to all of our parents and guardians who were able to make Open House. Building a home school partnership from the beginning is invaluable. I would like to recognize the support from the administrative leaders who also attended Open House demonstrating our unified team.

Subject: School Start Times

September 25, 2015

Dear Parents/Guardians and Staff Members:

There is consistent research that suggests starting high schools later in the day has many benefits academically, physically, socially, and emotionally for students. To this end, Administration has been charged with the task of researching and reporting to the Mashpee School Committee findings relative to how the change in start times would impact students, staff, parents, school finances, and the community as a whole.

Recognizing that a change in school start time would result in potential ramifications for students, staff, parents, transportation, activities, athletics, and the like, it will be imperative to perform due diligence in our research. Community forums, parent and student surveys, discussions with local officials, and other activities will take place to ensure the process is thorough. To this end, I will be pulling together constituents from each school level. The makeup of the 13-member School Start Time Committee will be as follows:

1 Parent School Council Member Each From KCC, QS, and MMHS

1 Teacher Representative from KCC, QS, and MMHS

2 School Committee Members

1 Administrator from KCC, QS, and MMHS

1 Administrator from Central Office

1 MMHS Athletic Director

1 MMHS Student as elected by MMHS Student Government

I want to be clear that the Mashpee School Committee is not changing start times for the foreseeable future. It is the intent of the Committee to conduct appropriate research to determine if adjusting start times is what is best for the Mashpee community and its students.

If you have questions about the process, do not hesitate to contact me. As we move along, we will provide information and updates . My contact information is bhyde@mashpee.k12.ma.us

In the steadfast pursuit of excellence, I remain sincerely yours,

Brian A. Hyde
