

STONAR

Mission Statement, Aims & Values Including EYFS

Mission Statement

Our mission is to prepare each student to live successfully in a globalised world by furnishing them with the skills and attitudes to flourish academically and personally.

Educational Excellence

We provide an inspirational learning-centred environment where each student is encouraged to understand how to learn and to achieve the highest possible results

Education in values

Personal development is key to success in a globalised world and we encourage pupils to understand the core values of respect, resilience and integrity as well as the prep school personal learning goals, and to live them out in their daily lives.

Global Readiness

A foundation of British values and the UK curriculum is complemented by an outward looking attitude and the opportunities afforded to pupils from membership of the NACE group of schools. Language teaching and experiential learning opportunities allow pupils to feel at ease working with students from different cultures both at home and abroad

More than a school

Pupils gain knowledge and skills beyond the academic curriculum through our extensive co-curricular programme and outstanding equestrian facilities
