

Eligibility to Participate in Co-Curricular Activities

Any student enrolled at Haddam-Killingworth High School shall be eligible to participate in after-school co-curricular activities, including the interscholastic athletics program, provided the student:

1. Meets, at a minimum, the criteria established by the Connecticut Interscholastic Athletic Conference (CIAC)
2. Shall have eligibility for fall activities determined by grades for the fourth quarter of the previous academic year.

Co-Curricular activities are to supplement the curriculum, and participation in said activities is a privilege, not part of the right to school accommodations. The Administration reserves the right to establish conditions for participation in said activities.
