### **Scheduling**

School and school related groups or organizations desiring to use a particular facility shall schedule times and locations through the building principal or athletic director. The Village's Director(s) of Village Life schedule(s) the Scout House and the Community Room. After school district and election related scheduling needs are met, community groups and organizations who wish to use facilities at other available times shall schedule times and locations through the following procedures:

1. Receive approval from the appropriate school official to use school facilities. School officials include the elementary principal, the junior/senior high principal, or the athletic director.
2. Make scheduling arrangements based on location, as follows:

3. The use of drugs and/or intoxicants is prohibited in school buildings and on school grounds.
4. Smoking and the use of tobacco products is prohibited in school buildings and on school grounds.
5. Requests should be made as far in advance as possible to permit scheduling any personnel assignments.
6. All requests must be made in writing on the proper form, which can be obtained in the building offices or from the building principals, the athletic director, the Director(s) of Village Life (in the case of the Scout House or Community Room), or on the district's website.
7. All district buildings and grounds must be properly maintained and cleaned after use.

3. The Board of Education assumes no responsibility or liability for the sponsored activity.
4. Proof of comprehensive liability insurance in amounts not less than \$500,000/individual and \$1,000,000/aggregate claim may be required if the applicant is not a school sponsored group. Any commercial group outside of the community using district facilities must have proper proof of insurance.

**Other Guidelines**

1. Students should never occupy any facility without adult supervision. Students are not to enter the facility until the supervising adults have arrived. It is the supervising adults’ responsibility to work out a system so that the group is not entering the building before the supervising adults. **Doors should never be propped open nor should anyone be allowed to enter the facility who is not associated with the group.**

2. Groups must be supervised at all times. Children may not leave the group to go anywhere else in the building. Group members must enter and exit at the same door. Group members must clean up the facilities after their scheduled use. Discard water and pop bottles, food wrappers, and other debris. Put equipment back in its original position.
3. **The building and stadium facilities are closed over the following holidays:** Labor Day weekend, Thanksgiving Break, Martin Luther King and President's Day weekends, Spring Break, Memorial Day weekend, and when schools are closed because of inclement weather, lockdown, or pandemic days. Community groups **cannot** use the facility during these times, **unless** requests have been made at least two weeks prior to the holiday break and the superintendent is able to arrange for custodians to be in the building at the time the facilities are used. Costs for custodial services will be billed to the organization using the facilities. A separate *Application for Use of School District/Community Facilities* must be obtained from and approved through the office of the superintendent for use during holiday breaks.

**Failure to follow the Guidelines for the Use of School District Facilities could result in loss of privileges for facility use.**
