

June 2021

Dear Webb Parents and Students,

I hope you are enjoying your summer! The Athletic Department is excited about your arrival in the fall and would like to give you every opportunity to meet your coaches and teammates. We encourage participation and do not make cuts or have tryouts but we do ask for commitment and communication of conflicts.

All of the sports we offer here at The Webb School have planned for a busy summer, and we would love for you to be a part of it if possible. The summer is a very important time for athletes to prepare themselves and their teams for their respective upcoming athletic seasons. We encourage participation and do not make cuts or have tryouts but we do ask for commitment and communication of conflicts.

Attached is a schedule for athletics at The Webb School for the summer of 2021. If for any reason you are having trouble contacting any of these coaches, please feel free to contact me.

Sincerely,

Scott Dorsett, CAA
