Lesson 1 Bernini's Sculpture and Architecture

Bernini's Masterpieces

The Renaissance ended in the 1600s. People were ready for a change. They still wanted art that looked realistic, but they also wanted something new and exciting. This new period of art, filled with emotion and action, is called the *Baroque* (buh-ROHK). Bernini became one of the most celebrated Baroque artists.

Bernini sculpted figures that were fresh and different. His...
