I. Welcome

II. Motion made to approve minutes by Dawn seconded by Christy, all in favor.

III. Reports of Standing Committees for School Improvement

   A. Trust Lands: Budget vs. Expenses
   B. Reading Improvement – Acadience: 12% growth from BOY to EOY, saw 3 % growth from BOY to MOY, still working on achieving the goal.
      - Friday: gate will be open for an hour on Fridays.
      - Quarantining has been shortened, less interruptions now.
      - Changed up how Tier 3 Invention is being delivered to target exactly what kids need to improve.
      - Reading Inventory: Proficiency is at 53% for MOY –grew 8% from beginning of year.
      - **Proposed change to goal for next year—Use Pathway Data to show growth when compared to their peers. 65% typical growth on Acadience Testing for end of year.
   C. Digital Citizenship and Safety – commonsense.org Digital lessons have SEL built in and these would work in both the digital citizenship/SEL. Is the council will to sponsor and support the school wide use of this type of training? Motion made by Doug, seconded by Adam, all in favor.
   D. Staff Development Goal: PLC's will meet, plan, use data, and common assessments to teach.
      - PLC – Professional development from last year was moved to next week. Staff continues to work on efficient and effective PLC's.
   E. SEL Goal – Implementation of strategies --- on track. Anchored for Life has helped with improving student communication.

IV. Miscellaneous Business
   - Motion to vote on preapproval of goals Dawn, Christy seconded, all in favor.
   - TSSP $ - Funds Behavior TA and Structured Recess TA (more used as a third recess aide – huge reduction in recess issues). Increase funds for compensation for additional leadership roles in committees.
