

Dear Parents and Carers 21.06.2021

Welcome to week 4 of Term 6!

As the weather continues to get warmer, please can we ensure that all children are coming to the academy with a sunhat to help keep them safe during the day when outside.

This week, outdoor learning will return to the normal days– Chestnuts Friday afternoon and Hazelnuts Thursday afternoon.

We would also like to ask that all children continue to come to the academy with their book bags everyday and that all items of clothing are named.
Thank you, in advance, for your cooperation.

Maths

This week in Maths we will begin to think about division. We will be using practical resources to divide by placing objects into groups and we will then look at sharing objects into equal groups.

English

This week we will continue our learning on our key text 'The Bee who Spoke'. We will explore what happens next in the story and the children will justify their ideas of what Belle should take with her on a special trip.

Learning Journey:

This week in geography, we will be thinking about how Antarctica is a desert despite being the coldest place on earth.

Sounds Write

This week we will continue looking at the extended code.
We will begin to explore the /ue/ sound and the different ways to spell the sound; ue, ew, u and u_e.

Please could you practice the following words based on our phonics this week. Look at the spellings with the 'ue' sound (ue, ew, u and u_e)

Statue, knew, user, cube, argue, few, united, huge.

Can you think of other words with this sound?

ROBSACK WOOD
PRIMARY
ACADEMY

Reading at Home

All pupils can access Bug Club at anytime. Bug Club is a website with online books to read. Go to <https://www.activelearnprimary.co.uk/>

Your child's username is the first four letters of their first name and the first four letters of their surname. All passwords are read123 . School code xcjr

To ensure that your child is making good progress with their reading, it is important that they can do more than just read the words in the book. Their comprehension of what is happening in their reading book is very important.

Here are some example questions below to try at home:

- What can you tell me about the story so far?
- What is your favourite part of the story? Why?
- What is the title of the book?
- Can you describe what happens at this part of the story?
