From Mr. Shockley...

We now have only 19 school days remaining. Encourage your student to finish strong in these final weeks by completing all assignments and projects, making up missing work, and preparing for semester exams. Your student's teacher will be the best source of information regarding your student's progress this semester. Have your student reach out to his/her teachers about current standing and what is needed to earn the grade he/she wants to have in various classes. Work completed could have a significant impact on the final grade earned in a class. Make the most out of the time remaining! Click [here](#) for the final exam schedule. Please notice the early release on Tuesday, Wednesday and Thursday. Bus transportation will be offered all three days like usual. More information to come.

Advanced Placement (AP) exams start May 3 and continue through May 25. Check in with your student to make sure he/she knows when those exams are scheduled. If you have any questions, the Guidance Office or your student's AP teacher has the best information.

This month brings plenty of distractions, celebratory events, and warmer weather. As a result, student focus and motivation can be a challenge so your encouragement at home is appreciated. Additionally, keep talking to your students about making wise, healthy, and safe choices. We want the 2020-21 school year to finish strong!

EARLY DISMISSALS

Please **email** early dismissal information to AHSStudentServices@avon-schools.org. Please include **student name, grade, time student is to be dismissed and reason for dismissal**. Or, you may call Student Services at 317-544-5000 ext. 5200 and leave a message with all of the aforementioned information. We will deliver the early dismissal pass to the student before dismissal time.

BUS PASSES

We will not be providing bus passes for the 2020-2021 school year.

ATTENDANCE

If your child misses school or is late for **any reason**, call the Attendance line, **317-544-5000**, option #1, 24 hours a day.

Students will be marked 'unverified' (unexcused) without a call from a parent.

If your student was marked unverified in a class for the day, you will receive an automated call that evening. An unverified absence means we have not received a phone call from a parent/guardian about the absence. If you receive this phone call and feel it is in error, please have your student talk with the teacher who marked the absence or you can contact the teacher via email. If the absence needs to be marked differently, the teacher will contact the Attendance Office to make the change.

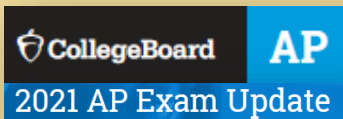

All medical verification can be emailed to AHSAttendance@avon-schools.org

The Indiana State Department of Health sets the immunization requirements for students attending public schools in Indiana. For the 2020-2021 school year, all students in grades K-12 will be required to have 2 appropriately spaced doses of Hepatitis A vaccine. Contact your health care provider to ask what vaccines your child may need. Low cost immunizations are available at the Hendricks County Health Department at 317-745-9222.

All students still not up to date with their immunizations need to have appointments made. Parents please call the AHS clinic with the appointment dates. Students with future appointment dates will not be excluded from school. Thank you!

2021 AP Exam Schedule

AP TESTING IS STARTING SOON

Avon High School offers over 25 Advanced Placement courses in many different subject areas. Completing the course and the required test potentially provides access to college credit. **2021 AP testing will begin May 3.** Please click on the boxes to the left for more information.

SUMMER SCHOOL INFORMATION

Does your student want to take an online course this summer? Indiana Online offers a wide variety of summer classes including PE, Health, and more. Students must register at indianaonline.org before June 4th. Summer session dates are June 7—July 18, 2021.

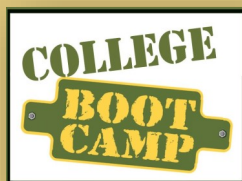

SUMMER COLLEGE VISITS

Summer will soon be here, and these two months off of school can be a valuable period for college prep and planning! The summers after sophomore and junior years are a great time to get a head start on SAT and ACT prep, to begin researching potential college choices and career paths, and to start planning a visit to college campuses.

Why is summer a good time to explore a college campus?

- **More Time to Visit Schools:** Many high school students have more down time since school is not in session. Without the commitments of the school week, students can visit colleges for a longer time and even see multiple campuses in one trip.
- **Ability to Spend More Time on Campus:** Colleges often offer week-long summer programs on campus. There may be an opportunity to live in the dorms, eat in the dining hall, and use resources like the library and student center to get a taste of campus life.
- **Staff and Faculty May Have More Time to Visit:** Professors and admissions staff are often not as busy in the summer. Their lighter loads can allow them to be more accommodating and available to answer questions.

There are many excellent colleges close to Avon that are offering in-person visits this summer. Click below to get more information:

AVON HIGH SCHOOL COLLEGE BOOT CAMP

Our senior counselors will be offering a College Boot Camp this summer for rising seniors. Topics covered include filling out the Common App, essay writing for college applications, using Naviance to navigate the application process, and more. Two sessions will be offered on June 29th, 9:00-11:30am and 12:30-3:00pm. More information is coming soon!

NAVIANCE AS A YEAR ROUND RESOURCE

Parents and students in 9th, 10th, and 11th grade can use Naviance any time of the year for college and career search surveys. Naviance also has great information for the entire senior year about college options and is the program through which transcripts are requested when applying to college. Make sure you click on the box to the right, log in, and look around to find helpful information.

Class of 2021 Graduation Information

AHS Seniors and Families:

This message is to give an update regarding our plans for graduation.

Over the past several weeks, school administrators have had conversations with the Indianapolis Convention Center, Hendricks County Health Department, and ACSC administration about our options for the Class of 2021 Commencement Ceremony. As a result, we have decided to hold graduation at AHS on the football field on Friday, May 28 at 7pm. Other details include the following:

- A single ceremony will be held for the Class of 2021.
- Each graduate will receive at least two tickets. Tickets will be required for entry. More tickets may be available as we continue conversations with the Health Department and monitor COVID-19 spread.
- Families will be social distanced on both sides of the stadium.
- All attendees will be required to wear a mask while attending the ceremony.
- A livestream of the ceremony will be available at no charge.
- Rain date and times: Saturday, May 29 at 10am or 6pm.

In the weeks to come, more communication will be sent to you about important end of year dates and information for the Class of 2021.

If you need to order a cap & gown for graduation, please visit www.highschool.herffjones.com or call Herff Jones at 317-839-1600 to order.

If you ordered graduation items and missed the Herff Jones delivery on April 8, please pick up your graduation items from the ALC office.

National Honor Society Cord Ceremony

The Avon High School Chapter of the National Honor Society bestowed gold cords for graduation in a ceremony held May 5, 2021. Members had to complete 30 service hours and attend 5 virtual meetings through the year to earn the cords.

Clothing Voucher Program

The Washington Township Assistance Program has launched a Clothing Voucher program for school-aged children enrolled in a school within Washington Township.

The process is similar to the current process for applying for Township Assistance. One must come into the office to pick up an application and set an appointment. The household will need to verify all pertinent information the same as any other application: Identification, Household expenses, Resources, Income. In addition, for clothing, verification of school enrollment within Washington Township will be required. The income standards are set at the same level as Free Lunch Program, 130% of poverty level.

If approved, a voucher will be issued for Burlington Coat Factory in Plainfield to purchase school clothing. Permitted items are: Shirts, Pants, Shorts, Dresses/Skirts, Underclothes, Shoes, Socks, winter outer clothing, and belts. Clients who are approved are eligible for up to \$300 a calendar year per child. This, at the discretion of the Assistance Director, may be distributed in 2 separate vouchers of \$150 each. This is to ensure that children have enough and appropriate clothing throughout the seasons of the school year.

Apply at the Washington Township Trustee, 311 Production Drive, Avon or call 317-272-1835 with questions.
