

2022 GRADUATE AND PARENTS, IT'S SENIOR PORTRAIT TIME!

We have arranged with **South Coast Photographic 26237 Enterprise Ct. Lake Forest** to photograph your senior Yearbook Image. They are our high school's official senior portrait photographer and your image must be taken by them to be published in the yearbook. This will help us maintain a consistent quality for yearbook production.

South Coast Photographic offers different studio sessions to capture those special high school memories of you. If you have any questions, give the studio a call. Financial arrangements can be made.
